Item 1.01 Entry into a Material Definitive Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On May 14, 2009, CNS Response Inc. (the “Company”) entered into a Bridge Note and Warrant Purchase Agreement (the “Purchase Agreement”) with SAIL Venture Partners, LP (“SAIL”). David B. Jones, a member of the Company’s board of directors, is a managing partner of SAIL.

Pursuant to the Purchase Agreement, on May 14, 2009 SAIL purchased a Secured Promissory Note in the principal amount of \$200,000 from the Company. In order to induce SAIL to purchase the note, the Company issued to SAIL a warrant to purchase up to 100,000 shares of the Company’s common stock at a purchase price equal to \$0.25 per share. The warrant expires on the earlier to occur of May 31, 2016 or a change of control of the Company.

The Purchase Agreement also provides that, at any time on or after June 3, 2009, and provided that certain conditions are satisfied by the Company, SAIL will purchase from the Company a second Secured Convertible Promissory Note in the principal sum of \$200,000 and will be issued a second warrant identical in terms to the warrant described above. The aforementioned conditions include the Company entering into a term sheet in which investors commit to participate in an equity financing by the Company of not less than \$2,000,000 (excluding any and all other debt that are to be converted).

The notes issued or issuable pursuant to the Purchase Agreement accrue interest at the rate of 8% per annum and are due and payable, unless sooner converted into shares of the Company’s common stock (as described below), upon the earlier to occur of: (i) a declaration by SAIL on or after June 30, 2009 or (ii) an Event of Default (as defined in the notes). The note(s) are secured by a lien on substantially all of the assets (including all intellectual property) of the Company. In the event of a liquidation, dissolution or winding up of the Company, unless SAIL informs the Company otherwise, the Company shall pay SAIL an amount equal to the product of 250% multiplied by the principal and all accrued but unpaid interest outstanding on the note(s).

In the event the Company consummates an equity financing transaction of at least \$1,500,000 (excluding any and all other debt that is converted), then the principal and all accrued, but unpaid interest outstanding under the note(s) shall be automatically converted into the securities issued in the equity financing by dividing such amount by 85% of the per share price paid by the investors in such financing.

In addition, in the event the Company issues preferred stock that is not part of an equity financing described above, SAIL may, at its option, convert the principal and all accrued, but unpaid interest outstanding under the note(s) into preferred stock by dividing such amount by 85% of the per share price paid by the purchasers’ of the Company’s preferred stock.

The Purchase Agreement, a form of Secured Convertible Promissory Note, and a form of Warrant to Purchase Shares are attached as Exhibits 10.1, 10.2 and 10.3 hereto and are incorporated by reference herein. The foregoing description of the Purchase Agreement and the notes and warrants issuable pursuant thereto does not purport to be complete and is qualified in its entirety by reference to the full text of the aforementioned exhibits.

THIS BRIDGE NOTE AND WARRANT PURCHASE AGREEMENT (this "Agreement") is made as of May 14, 2009 by and between CNS Response, Inc., a Delaware corporation (the "Company"), and SAIL Venture Partners, LP (the "Investor").

Agreement

In consideration for the mutual promises and covenants herein, the parties agree as follows:

Section 1 – Purchase and Sale of Notes and Warrants

1.1 Agreement to Purchase and Sell Notes and Warrants.

a) First Closing. Subject to the terms and conditions of this Agreement, the Investor agrees to purchase, and the Company agrees to sell and issue to the Investor, a Secured Convertible Promissory Note in the principal amount of \$200,000, substantially in the form attached hereto as Exhibit A (a "Note"), at the first closing (the "First Closing"). In addition, in order to induce the Investor to purchase this Note, the Company shall issue to the Investor at the First Closing a warrant in the form attached hereto as Exhibit B (a "Warrant") that will permit the Investor to purchase up to 100,000 shares of common stock at a purchase price equal to \$0.25 per share.

b) Second Closing. Subject to the terms and conditions of this Agreement, the Investor agrees to purchase, and the Company agrees to sell and issue to the Investor, a Note in the principal amount of \$200,000 at the second closing (the "Second Closing"). In addition, in order to induce the Investor to purchase this Note, the Company shall issue to the Investor at the Second Closing a Warrant that will permit the Investor to purchase up to 100,000 shares of common stock at a purchase price equal to \$0.25 per share.

c) Securities. The Notes and Warrants issued pursuant to this Agreement, and any securities issuable upon conversion or exercise of such Notes and Warrants or upon conversion of the shares of stock to be issued upon conversion or exercise of such Notes and Warrants, are referred to herein as the "Securities."

1.2 Closings.

a) The First Closing shall take place at the offices of the Company at 10:00 a.m., California time, on the date hereof, or at such other location, date and time as may be agreed upon by the Investor and the Company (the "First Closing Date"). At the First Closing, the Company shall issue and deliver to the Investor the Note and Warrant described in Section 1.1(a), both of which shall be acknowledged and agreed to by the Investor. As payment in full for such Note, the Investor shall deliver to the Company a check payable to the order of the Company in the amount of \$200,000, or transfer such sum to the account of the Company by wire transfer. As payment in full for such Warrant, the Investor shall deliver to the Company a check payable to the order of the Company in the amount of \$20, or transfer such sum to the account of the Company by wire transfer, which the parties agree is the fair market value of the Warrant being so issued. The obligation of the Investor to purchase and pay for the Note and Warrant at the First Closing is, unless waived by the Investor, subject to the condition that the Company's representations and warranties contained in Section 2 are true, complete and correct on and as of the First Closing Date. The obligation of the Company to sell and issue the Note and Warrant at the First Closing is, unless waived by the Company, subject to the condition that the Investor's representations and warranties contained in Section 3 are true, complete and correct on and as of the First Closing Date.

b) The Second Closing shall take place at the offices of the Company at 10:00 a.m., California time, at such location, date and time as may be agreed upon by the Investor and the Company, but which shall in no event be earlier than June 3, 2009 (the "**Second Closing Date**"). At the Second Closing, the Company shall issue and deliver to the Investor the Note and Warrant described in Section 1.1(b), both of which shall be acknowledged and agreed to by the Investor. As payment in full for such Note, the Investor shall deliver to the Company a check payable to the order of the Company in the amount of \$200,000, or transfer such sum to the account of the Company by wire transfer. As payment in full for such Warrant, the Investor shall deliver to the Company a check payable to the order of the Company in the amount of \$20, or transfer such sum to the account of the Company by wire transfer, which the parties agree is the fair market value of the Warrant being so issued. The obligation of the Investor to purchase and pay for the Note and Warrant at the Second Closing is, unless waived by the Investor, subject to the conditions that (i) the Company's representations and warranties contained in Section 2 are true, complete and correct on and as of the Second Closing Date, (ii) the Company has not breached any of its covenants in Section 4 as of the Second Closing Date, (iii) the Company has entered into a signed term sheet acceptable to Investor in which one or more investors have committed to participate in an equity financing of not less than \$2,000,000, excluding any and all notes and other liabilities or indebtedness which are converted, and with the principal purpose of raising capital, (iv) the Company has not encountered any material adverse changes since the date of this Agreement and (v) the Company, including the TRD study, has performed in a satisfactory manner since the date of this Agreement. The determination of whether the conditions in the previous sentence have been met shall be determined by the Investor, in its sole discretion. The obligation of the Company to sell and issue the Note and Warrant at the Second Closing is, unless waived by the Company, subject to the condition that the Investor's representations and warranties contained in Section 3 are true, complete and correct on and as of the Second Closing Date.

Section 2 - Representations and Warranties of the Company

The Company represents and warrants to the Investor as follows:

2.1 Existence of Company. The Company is a duly organized Delaware corporation. The Company is validly existing and in good standing in all jurisdictions where it conducts its business.

2.2 Authority to Execute. The execution, delivery and performance by the Company of (i) this Agreement, (ii) the Notes and the Warrants pursuant to the terms of this Agreement, including the Notes issuable pursuant to Section 4.1, and (iii) any financing statements thereunder (collectively, the "**Loan Documents**") are within the Company's corporate powers, have been duly authorized by all necessary corporate action, do not and will not conflict with any provision of law or organizational document of the Company (including its Articles of Incorporation or Bylaws) or of any agreement or contractual restrictions binding upon or affecting the Company or any of its property and need no further stockholder or creditor consent.

No approval of the Company's stockholders is required for (i) the entry by the Company into this Agreement, (ii) the issuance of the Notes and Warrants contemplated by this Agreement, (iii) the granting of the security interest under the terms of such Notes or (iv) the issuance of any shares of stock upon conversion or exercise of such Notes and Warrants or upon conversion of the shares of stock to be issued upon conversion or exercise of such Notes and Warrants.

2.4 Valid Issuance. The shares of stock to be issued upon conversion or exercise of the Notes and Warrants contemplated by this Agreement or upon conversion of the shares of stock to be issued upon conversion or exercise of such Notes and Warrants will be, upon issuance, validly issued, fully paid and nonassessable and free of restrictions on transfer other than restrictions on transfer under the Loan Documents, applicable state and federal securities laws and liens or encumbrances created by or imposed by the Investor. Assuming the accuracy of the representations of the Investor in Section 3 of this Agreement, such Notes and Warrants and the shares of stock to be issued upon conversion or exercise of such Notes and Warrants or upon conversion of the shares of stock to be issued upon conversion or exercise of such Notes and Warrants will be issued in compliance with all applicable federal and state securities laws. The issuance of such Notes, Warrants and shares will not trigger any anti-dilution protections.

2.5 Binding Obligation. This Agreement is, and the other Loan Documents when delivered hereunder will be, legal, valid and binding obligations of the Company enforceable against the Company in accordance with their respective terms, subject, as to enforcement of remedies, to applicable bankruptcy, insolvency, moratorium, reorganization and similar laws affecting creditors' rights generally and to general equitable principles.

2.6 Litigation. No litigation or governmental proceeding is pending or threatened against the Company which may have a materially adverse effect on the financial condition, operations or prospects of the Company, and to the knowledge of the Company, no basis therefore exists.

2.7 Intellectual Property. To the best of its knowledge, the Company owns or possesses sufficient legal rights to all patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses, information and other proprietary rights and processes necessary for its business as now conducted and as presently proposed to be conducted, without any known infringement of the rights of others. There are no outstanding options, licenses or agreements of any kind relating to the foregoing proprietary rights, nor is the Company bound by or a party to any options, licenses or agreements of any kind with respect to the patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses, information and other proprietary rights and processes of any other person or entity other than such licenses or agreements arising from the purchase of "off the shelf" or standard products.

Section 3 - Representations and Warranties of the Investor

The Investor represents and warrants to the Company:

3.1 Authorization; Binding Obligations. The Investor has full power and authority to enter into this Agreement and each of the other Loan Documents to which it is a party, and this Agreement and each other Loan Document constitutes a valid and legally binding obligation of the Investor, enforceable in accordance with its terms, subject, as to enforcement of remedies, to applicable bankruptcy, insolvency, moratorium, reorganization and similar laws affecting creditors' rights generally and to general equitable principles.

Upon payment to Brandt of the amounts due under the terms of the note issued to Brandt on March 30, 2009 and cancellation of such note, a Note shall promptly be issued to Investor in the principal amount equal to the payment made by Investor under the terms of this Section 4.1. The Company agrees that the Investor may compel the Company to take the actions set forth in this Section 4.1 so long as the note issued to Brandt on March 30, 2009 is outstanding.

4.2 Future Financings. The Company covenants to allow Investor, at Investor's election, to participate in all future financings of the Company up to an aggregate participation by Investor of \$10,000,000 in addition to the amounts invested by the Investor in the Company after the transactions contemplated by this Agreement are consummated. The Company shall provide adequate notice to the Investor of all such future financings. Notwithstanding the foregoing, Investor is not obligated to participate in any future financings.

4.3 Registration Rights Agreement. Notwithstanding any provision in the Loan Documents, the Company agrees that all securities issued upon conversion or exercise of the Notes and Warrants contemplated by this Agreement or upon conversion of the shares of stock to be issued upon conversion or exercise of such Notes and Warrants will be subject to a Registration Rights Agreement between the Company and Investor. In the event that the terms of such Notes and Warrants do not provide for such a Registration Rights Agreement, the Company agrees to work with Investor in good faith to prepare and execute such a Registration Rights Agreement on terms reasonably satisfactory to Investor at the time such Notes and Warrants are converted or exercised.

4.4 Restrictive Covenants. Without the consent of Investor, the Company shall not:

Section 5 - Miscellaneous

5.1 No Waiver; Cumulative Remedies. No failure or delay on the part of any party to any Loan Document in exercising any right or remedy under, or pursuant to, any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy or power preclude other or further exercise thereof, or the exercise of any other right, remedy or power. The remedies in the Loan Documents are cumulative and are not exclusive of any remedies provided by law.

5.2 Amendments and Waivers. No amendment or waiver of any provisions of this Agreement or the Notes and Warrants that may be issued pursuant to this Agreement shall be effective unless such amendment or waiver is in writing signed by the Company and the Investor. Any such amendment, waiver or modification effected in accordance with this paragraph shall be binding upon both the Company and the Investor.

5 . 9 Survival of Representations, Warranties and Covenants. The representations, warranties and covenants of the parties contained in or made pursuant to this Agreement shall survive the execution and delivery of this Agreement indefinitely, and shall in no way be affected by any investigation of the subject matter thereof made by or on behalf of the other parties.

3. **Prepayment.** This Note may not be prepaid except with the prior written consent of Investor. Notwithstanding any other provision of this Note, if prior to the date on which all of the Outstanding Debt is repaid there is a liquidation, dissolution or winding-up of the Company (a "**Liquidation Event**"), then, unless Investor provides written notice to the Company to the contrary prior to the closing of the Liquidation Event, concurrently with the closing of the Liquidation Event, in full satisfaction of the Outstanding Debt, the Company shall pay Investor an amount equal to the product of (x) 250% multiplied by (y) the Outstanding Debt. All equipment of every type and description owned by the Company, including (without limitation) all present and future machinery, furniture, fixtures, manufacturing equipment, shop equipment, office and recordkeeping equipment, parts, tools, supplies and other goods (except inventory) used or bought for use by the Company for any business or enterprise and including all goods that are or may be attached or affixed to or otherwise become fixtures upon any real property.

(ii) Accounts Receivable and Other Intangibles. All of the Company's accounts, chattel paper, contract rights, commissions, warehouse receipts, bills of lading, delivery orders, drafts, acceptances, notes, securities and other instruments; documents; general intangibles, patents and trademarks, applications for patents and trademarks including, but not limited to, the patent application entitled "Method for Classifying and Treating Physiologic Brain Imbalances Using Quantitative EEG," know-how, proprietary information, all software source and object code whether created or licensed by the Company, all copyrights, any other intellectual property, all data that comprises the QEEG patient database, all forms of receivables, and all guaranties and securities therefore; all right, title and interest in and to the TRD study and its contents, results and documentation; all right, title and interest in and to any and all past, present and future studies and their contents, results and documentations.

(iii) Inventory and Other Tangible Personal Property. All of the Company's inventory, including all goods, merchandise, materials, raw materials, work in progress, finished goods, now owned or hereinafter acquired and held for sale or lease or furnished or to be furnished under contracts or service agreements or to be used or consumed in the Company's business and all other tangible personal property of the Company.

(iv) After-Acquired Property. All property of the types described in Sections 6(b)(i)-(iii), or similar thereto, that at any time hereafter may be acquired by Company including, but not limited to, all accessions, parts, additions and replacements.

(v) Products and Proceeds. All products and proceeds of the Collateral from the sale or other disposition of any of the Collateral described or referred to in 6(b)(i)-(iv), including (without limitation) all accounts, instruments, chattel paper or other rights to payment, money, insurance proceeds and all refunds of insurance premiums due or to become due under all insurance policies covering the forgoing property.

(c) Removal of Collateral Prohibited. The Company shall not permanently remove the Collateral from its premises without the written consent of Investor, except that the Company may dispose of Collateral in the ordinary course of business.

(d) Protection of Security Interest. If an Event of Default has occurred and is continuing, or if any action or proceeding is commenced which materially adversely affects the Collateral or title hereto or the senior right of payment or other interest of Investor, then Investor may make such appearance, disburse such sums and take such action as they deem necessary to protect their interest, including but not limited to: (a) disbursement of reasonable attorney's fees; (b) entry upon the Company's property to make repairs to the Collateral; and (c) procurement of satisfactory insurance that is reasonable under the circumstances; provided, however, Investor may undertake the foregoing only if it has first provided written notice of the Event of Default to the Company, and the Company has failed to cure such Event of Default within ten (10) days of receipt of such notice. Any amounts disbursed by Investor pursuant to this Section 6(d), with interest thereon, shall become additional indebtedness of the Company secured by this Section 6. Unless the Company and Investor agree to other terms of payment, such amounts shall be immediately due and payable, and if Investor notifies the Company within five (5) days of such disbursement, all such amounts shall bear interest from the date which is ten (10) days following the date of disbursement at the rate stated in the Note.

(e) Forbearance by Investor Not a Waiver. Any forbearance by Investor in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not by a waiver of or preclude the exercise of, any right or remedy. The acceptance by Investor of payment of any sum secured by this Note after the due date of such payment shall not be a waiver of the right of either Investor to either require prompt payment when due of all other sums so secured or to declare a default for failure to make prompt payment. No action taken by Investor shall waive the right of either Investor to accelerate the indebtedness secured by this Section 6 and seek such other remedies as are provided by the Note and/or applicable law.

(f) Uniform Commercial Code Security Agreement. This Section 6 is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the items specified above as part of the Collateral which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code of Delaware, California or any applicable jurisdiction where the Collateral may be located (the "UCC"), and the Company hereby grants Investor a security interest in said items. The Company agrees that Investor may file any appropriate document in the appropriate jurisdiction as a financing statement for any of the Collateral. In addition, the Company agrees to execute and deliver to Investor, upon its request, any financing statements, as well as extensions, renewals and amendments thereof, and reproductions of this Note in such form as Investor may require to perfect a security interest with respect to the Collateral. The Company shall pay all costs of filing such financing statements and any extensions, renewal, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements Investor may reasonably require. Upon the occurrence and during the continuance of an Event of Default, Investor shall have the remedies of a secured party under the UCC and may exercise all rights and remedies available under the UCC and this Note.

(g) *Rights of Investor.*

(i) Upon the occurrence of an Event of Default, Investor may require the Company to assemble the Collateral and make it available to Investor at the place to be designated by Investor which is reasonable convenient to both parties. Investor may sell all or any part of the Collateral as a whole or in parcels either by public auction, private sale, or other method of disposition pursuant to UCC. Investor may bid at any public sale on all or any portion of the public sale or of the Collateral. Investor shall give the Company reasonable notice of the time and place of any public sale or of the time after which any private sale or other disposition of the Collateral is to be made, and notice given at least ten (10) days before the time of the sale or other disposition shall be conclusively presumed to be reasonable.

(ii) Notwithstanding any provision of this Note, Investor shall be under no obligation to offer to sell the Collateral. In the event Investor offers to sell the Collateral, Investor will be under no obligation to consummate a sale of the Collateral if, in their reasonable business judgment, none of the offers received by him reasonably approximates the fair value of the Collateral.

(iii) In the event Investor elects not to sell the Collateral, Investor may elect to follow the procedures set forth in the UCC for retaining the Collateral in satisfaction of the Company's obligation, subject to the Company's rights under such procedures. To the extent allowable by the UCC, the Company agrees to allow Investor to take possession and ownership of all right, title and interest in and to the TRD study and its contents, results and documentation without judicial process upon the occurrence of an Event of Default. The Company further acknowledges and agrees, after consultation with its advisors, that in the event the Company becomes a debtor in any bankruptcy or other insolvency proceeding, whether voluntarily or involuntarily, in consideration of the significant value and benefits being conferred on the Company pursuant to the terms of this Note, any automatic stay that may otherwise apply to Investor in the context of such proceeding is hereby voluntarily waived as to Investor to the extent necessary to allow Investor to exercise its rights to foreclose or otherwise take possession and ownership of all right, title and interest in and to the TRD study and its contents, results and documentation.

(h) *Remedies Cumulative.* Each remedy provided in this Note is distinct and cumulative to all other rights or remedies under this Note or afforded by law or equity, and may be exercised concurrently, independently, or successively, in any order whatsoever.

7. *Conversion.*

(a) *Automatic Conversion.* In the event that the Company consummates, while the Outstanding Debt is outstanding, an equity financing of not less than \$1,500,000, excluding any and all notes and other liabilities or indebtedness which are converted, and with the principal purpose of raising capital (a "**Qualified Equity Financing**"), then the Outstanding Debt shall automatically convert into the number of securities issued as part of the Qualified Equity Financing equal to the quotient of (x) the Outstanding Debt divided by (y) the Equity Financing Conversion Price. The securities shall otherwise be issued on the same terms as such shares are issued to the lead investor that purchases the securities in the Qualified Equity Financing. Upon such conversion, Investor hereby agrees to execute and deliver to the Company all transaction documents related to the Qualified Equity Financing, including a purchase agreement and other ancillary agreements having substantially the same terms (other than price) as those agreements entered into by the other purchasers of the securities, subject to Investor's reasonable review and approval. Investor also agrees to deliver the original of this Note (or a notice to the effect that the original Note has been lost, stolen or destroyed along with an indemnity with respect thereto in a form satisfactory to the Company) at the closing of the Qualified Equity Financing for cancellation; *provided, however,* that upon satisfaction of the conditions set forth in this Section 7(a), the Outstanding Debt shall be deemed converted and the Company shall have no other obligation to repay the Outstanding Debt, whether or not this Note is delivered for cancellation as set forth in this sentence.

(b) *Optional Conversion.* In the event that the Company issues preferred stock that is not part of a Qualified Equity Financing, Investor may, at its sole option, convert the Outstanding Debt into the number of shares of such preferred stock equal to the quotient of (x) the Outstanding Debt divided by (y) 85% of the lowest per share price for which such preferred stock was issued (the “**Optional Conversion Price**”). Investor may exercise this optional conversion right by sending notice to the Company any time after the issuance of the preferred stock for so long as the Outstanding Debt is outstanding. The preferred stock shall otherwise be issued on the same terms as such shares are issued to the largest purchaser of such shares. Upon such conversion, Investor hereby agrees to execute and deliver to the Company all transaction documents related to the purchase of the preferred stock, including a purchase agreement and other ancillary agreements, if applicable, having substantially the same terms (other than price) as those agreements entered into by the other purchasers of the preferred stock, subject to Investor’s reasonable review and approval. Investor also agrees to deliver the original of this Note (or a notice to the effect that the original Note has been lost, stolen or destroyed along with an indemnity with respect thereto in a form satisfactory to the Company) at the closing of the for cancellation; *provided, however*, that upon satisfaction of the conditions set forth in this Section 7(b), the Outstanding Debt shall be deemed converted and the Company shall have no other obligation to repay the Outstanding Debt, whether or not this Note is delivered for cancellation as set forth in this sentence.

(c) *Fractional Shares; Interest; Effect of Conversion.* No fractional shares shall be issued upon conversion of the Outstanding Debt. In lieu of the Company issuing any fractional shares to Investor upon the conversion of the Outstanding Debt, the Company shall pay to Investor an amount equal to the product obtained by multiplying the Equity Financing Conversion Price or Optional Conversion Price, as applicable, by the fraction of a share not issued pursuant to the previous sentence.

8. *Successors and Assigns.* Subject to the restrictions on transfer described in Sections 10 and 12 below, the rights and obligations of the Company and Investor shall be binding upon and benefit the successors, assigns, heirs, administrators and transferees of the parties.

9. *Waiver and Amendment.* Any provision of this Note may be amended, waived or modified upon the written consent of the Company and Investor. Any such amendment, waiver or modification effected in accordance with this paragraph shall be binding upon the Company and Investor.

10. *Transfer of this Note or Securities Issuable on Conversion Hereof.* With respect to any offer, sale or other disposition of this Note or securities into which such Note may be converted, Investor will give written notice to the Company prior thereto, describing briefly the manner thereof, together with a written opinion of Investor’s counsel, or other evidence if reasonably satisfactory to the Company, to the effect that such offer, sale or other distribution may be effected without registration or qualification (under any federal or state law then in effect, as applicable). Upon receiving such written notice and reasonably satisfactory opinion, if so requested, or other evidence, the Company, as promptly as practicable, shall notify Investor that Investor may sell or otherwise dispose of this Note or such securities, all in accordance with the terms of the notice delivered to the Company. Each Note thus transferred and each certificate representing the securities thus transferred shall bear a legend as to the applicable restrictions on transferability in order to ensure compliance with the Act, unless in the opinion of counsel for the Company such legend is not required in order to ensure compliance with the Securities Act. The Company may issue stop transfer instructions to its transfer agent in connection with such restrictions. Subject to the foregoing transfers of this Note shall be registered upon registration books maintained for such purpose by or on behalf of the Company. Prior to presentation of this Note for registration of transfer, the Company shall treat the registered holder hereof as the owner and holder of this Note for the purpose of receiving all payments of principal and interest hereon and for all other purposes whatsoever, whether or not this Note shall be overdue and the Company shall not be affected by notice to the contrary. Notwithstanding the foregoing, Investor may assign this Note or securities into which such Note may be converted to an affiliated entity without the prior written consent of the Company so long as such assignment complies with applicable law.

11. **Representations and Warranties.**

(a) Investor represents and warrants to the Company that the representations and warranties made by the Investor in Section 3 of the Agreement are true, correct and complete as of the date hereof.

(b) The Company represents and warrants to Investor that the representations and warranties made by the Company in Section 2 of the Agreement are true, correct and complete as of the date hereof.

12. **Assignment by the Company.** Neither this Note nor any of the rights, interests or obligations hereunder may be assigned, in whole or in part (other than by operation of law) by the Company without the prior written consent of Investor.

13. **Notices.** All notices, requests, demands, consents, instructions or other communications required or permitted hereunder shall be in writing and faxed, mailed or delivered to each party at the respective addresses of the parties as set forth on the signature page to the Agreement, or at such other address or facsimile number as a party shall have furnished to the other party in writing. All such notices and communications will be deemed effectively given the earlier of (i) when received, (ii) when delivered personally, (iii) one business day after being delivered by facsimile (with receipt of appropriate confirmation), (iv) one business day after being deposited with an overnight courier service of recognized standing or (v) four days after being deposited in the U.S. mail, first class with postage prepaid.

14. **Employees and Agents.** Investor may take any action hereunder by or through agents or employees so long as such agents or employees are duly authorized to so act on behalf of Investor.

15. **Payment.** Payment shall be made in lawful tender of the United States.

16. **Expenses; Waivers.** If this Note is not paid when due and Investor takes any action to enforce Investor's rights hereunder, the Company shall promptly pay upon demand by Investor all such reasonable costs of collection, including reasonable attorneys' fees, whether or not litigation is commenced. The Company hereby waives notice of default, presentment or demand for payment, protest or notice of nonpayment or dishonor and all other notices or demands relative to this instrument. The Company also shall pay for all attorney's fees incurred by Investor related to the drafting and preparation of this Note.

17. **Governing Law.** This Note and all actions arising out of or in connection with this Note shall be governed by and construed in accordance with the laws of the State of California, without regard to the conflicts of law provisions of the State of California or of any other state; provided, however, that the perfection of the security interests in the Collateral shall be governed and controlled by the laws of the relevant jurisdiction or jurisdictions under the UCC.

WARRANT TO PURCHASE SHARES

This Warrant is issued to SAIL Venture Partners, LP (“**Investor**”) by CNS Response, Inc., a Delaware corporation (the “**Company**”), pursuant to the terms of that certain Bridge Note and Warrant Purchase Agreement (the “**Agreement**”), dated May 14, 2009. All capitalized terms not defined in this Warrant shall have the meaning ascribed to them in the Agreement.

1. Purchase of Shares. Subject to the terms and conditions hereinafter set forth and set forth in the Agreement, the holder of this Warrant is entitled, upon surrender of this Warrant at the principal office of the Company (or at such other place as the Company shall notify the holder hereof in writing), to purchase from the Company up to 100,000 fully paid and nonassessable Shares (as defined below) at the Exercise Price (as defined below).

2. Definitions.

(a) Exercise Price. The exercise price for the Shares initially shall be \$0.25 per share (such price, as adjusted from time to time, is herein referred to as the “**Exercise Price**”).

(b) Exercise Period. This Warrant shall be exercisable, in whole or in part, during the term commencing on the date hereof and ending on the expiration of this Warrant pursuant to Section 14 hereof.

(c) The Shares. The term “**Shares**” shall mean shares of the Company’s common stock, par value \$0.001 per share.

(d) Change of Control. The term “**Change of Control**” shall mean (i) any consolidation or merger involving the Company pursuant to which the Company's stockholders own less than fifty percent (50%) of the voting securities of the surviving entity or (ii) the sale of all or substantially all of the assets of the Company.

3. Method of Exercise. While this Warrant remains outstanding and exercisable in accordance with Section 2 above, the holder may exercise, in whole or in part, the purchase rights evidenced hereby. Such exercise shall be effected by:

- (i) the surrender of the Warrant, together with a notice of exercise to the Secretary of the Company at its principal offices; and
- (ii) the payment to the Company of an amount equal to the aggregate Exercise Price for the number of Shares being purchased.

4. Net Exercise. In lieu of cash exercising this Warrant, the holder of this Warrant may elect to receive shares equal to the value of this Warrant (or the portion thereof being canceled) by surrender of this Warrant at the principal office of the Company together with notice of such election, in which event the Company shall issue to the holder hereof a number of Shares computed using the following formula:

$$X = \frac{Y(A - B)}{A}$$

Where

- X -- The number of Shares to be issued to the holder of this Warrant.
- Y -- The number of Shares purchasable under this Warrant.
- A -- The fair market value of one Share.
- B -- The Exercise Price (as adjusted to the date of such calculations).

For purposes of this Section 4, the fair market value of a Share shall mean the average of the closing bid and asked prices of Shares quoted in the over-the-counter market in which the Shares are traded or the closing price quoted on any exchange on which the Shares are listed, whichever is applicable, as published in the Western Edition of The Wall Street Journal for the ten (10) trading days prior to the date of determination of fair market value (or such shorter period of time during which such stock was traded over-the-counter or on such exchange). If the Shares are not traded on the over-the-counter market or on an exchange, the fair market value shall be the price per Share that the Company could obtain from a willing buyer for Shares sold by the Company from authorized but unissued Shares, as such prices shall be determined in good faith by the Company's Board of Directors.

5. Certificates for Shares. Upon the exercise of the purchase rights evidenced by this Warrant, one or more certificates for the number of Shares so purchased shall be issued as soon as practicable thereafter, and in any event within thirty (30) days of the delivery of the subscription notice.

6. Issuance of Shares. The Company covenants that the Shares, when issued pursuant to the exercise of this Warrant, will be duly and validly issued, fully paid and nonassessable and free from all taxes, liens, and charges with respect to the issuance thereof.

7. Adjustment of Exercise Price and Number of Shares. The number of and kind of securities purchasable upon exercise of this Warrant and the Exercise Price shall be subject to adjustment from time to time as follows:

(a) Subdivisions, Combinations and Other Issuances. If the Company shall at any time prior to the expiration of this Warrant subdivide the Shares, by split-up or otherwise, or combine its Shares, or issue additional shares of its Shares as a dividend, the number of Shares issuable on the exercise of this Warrant shall forthwith be proportionately increased in the case of a subdivision or stock dividend, or proportionately decreased in the case of a combination. Appropriate adjustments shall also be made to the purchase price payable per share, but the aggregate purchase price payable for the total number of Shares purchasable under this Warrant (as adjusted) shall remain the same. Any adjustment under this Section 7(a) shall become effective at the close of business on the date the subdivision or combination becomes effective, or as of the record date of such dividend, or in the event that no record date is fixed, upon the making of such dividend.

(b) Reclassification, Reorganization and Consolidation. In case of any reclassification, capital reorganization, or change in the capital stock of the Company (other than as a result of a subdivision, combination, or stock dividend provided for in Section 7(a) above), then the Company shall make appropriate provision so that the holder of this Warrant shall have the right at any time prior to the expiration of this Warrant to purchase, at a total price equal to that payable upon the exercise of this Warrant, the kind and amount of shares of stock and other securities and property receivable in connection with such reclassification, reorganization, or change by a holder of the same number of Shares as were purchasable by the holder of this Warrant immediately prior to such reclassification, reorganization, or change. In any such case appropriate provisions shall be made with respect to the rights and interest of the holder of this Warrant so that the provisions hereof, including Sections 7(a), shall thereafter be applicable with respect to any shares of stock or other securities and property deliverable upon exercise hereof, and appropriate adjustments shall be made to the purchase price per share payable hereunder, provided the aggregate purchase price shall remain the same.

(c) Notice of Adjustment. When any adjustment is required to be made in the number or kind of shares purchasable upon exercise of the Warrant, or in the Exercise Price, the Company shall promptly notify the holder of such event and of the number of Shares or other securities or property thereafter purchasable upon exercise of this Warrant.

8. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant, but in lieu of such fractional shares the Company shall make a cash payment therefor on the basis of the Exercise Price then in effect.

9. Representations of the Company. The Company represents and warrants to Holder that the representations and warranties made by the Company in Section 2 of the Agreement are true, correct and complete as of the date hereof. In addition, the Company represents that the Shares necessary for a cash exercise of this Warrant are duly reserved.

10. Representations and Warranties by the Holder. The Holder represents and warrants to the Company that the representations and warranties made by the Holder in Section 3 of the Agreement are true, correct and complete as of the date hereof.

11. Restrictive Legend.

The Shares (unless registered under the Securities Act of 1933, as amended (the "Act")) shall be stamped or imprinted with a legend in substantially the following form:

THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE OR DISTRIBUTION THEREOF, AND HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED. SUCH SHARES MAY NOT BE SOLD OR TRANSFERRED IN THE ABSENCE OF SUCH REGISTRATION OR AN EXEMPTION THEREFROM UNDER THE ACT AND ANY APPLICABLE STATE SECURITIES LAWS. COPIES OF THE AGREEMENT COVERING THE PURCHASE OF THESE SHARES AND RESTRICTING THEIR TRANSFER MAY BE OBTAINED AT NO COST BY WRITTEN REQUEST MADE BY THE HOLDER OF RECORD OF THIS CERTIFICATE TO THE SECRETARY OF THE COMPANY AT THE PRINCIPAL EXECUTIVE OFFICES OF THE COMPANY.

THE SALE OF SECURITIES WHICH ARE THE SUBJECT OF THIS AGREEMENT HAS NOT BEEN QUALIFIED WITH THE COMMISSIONER OF CORPORATIONS OF THE STATE OF CALIFORNIA AND THE ISSUANCE OF THE SECURITIES OR THE PAYMENT OR RECEIPT OF ANY PART OF THE CONSIDERATION THEREFOR PRIOR TO THE QUALIFICATION IS UNLAWFUL, UNLESS THE SALE OF SECURITIES IS EXEMPT FROM THE QUALIFICATION BY SECTION 25100, 25102 OR 25105 OF THE CALIFORNIA CORPORATIONS CODE. THE RIGHTS OF ALL PARTIES TO THIS AGREEMENT ARE EXPRESSLY CONDITIONED UPON THE QUALIFICATION BEING OBTAINED UNLESS THE SALE IS SO EXEMPT.

12. Warrants Transferable. Subject to compliance with the terms and conditions of this Section 12, this Warrant and all rights hereunder are transferable, in whole or in part, without charge to the holder hereof (except for transfer taxes), upon surrender of this Warrant properly endorsed or accompanied by written instructions of transfer. With respect to any offer, sale or other disposition of this Warrant or any Shares acquired pursuant to the exercise of this Warrant prior to registration of such Warrant or Shares, the holder hereof agrees to give written notice to the Company prior thereto, describing briefly the manner thereof, together with a written opinion of such holder's counsel, or other evidence, if requested by the Company, to the effect that such offer, sale or other disposition may be effected without registration or qualification (under the Act as then in effect or any federal or state securities law then in effect) of this Warrant or the Shares and indicating whether or not under the Act certificates for this Warrant or the Shares to be sold or otherwise disposed of require any restrictive legend as to applicable restrictions on transferability in order to ensure compliance with such law. Upon receiving such written notice and reasonably satisfactory opinion or other evidence, if so requested, the Company, as promptly as practicable, shall notify such holder that such holder may sell or otherwise dispose of this Warrant or such Shares, all in accordance with the terms of the notice delivered to the Company. If a determination has been made pursuant to this Section 12 that the opinion of counsel for the holder or other evidence is not reasonably satisfactory to the Company, the Company shall so notify the holder promptly with details thereof after such determination has been made. Each certificate representing this Warrant or the Shares transferred in accordance with this Section 12 shall bear a legend as to the applicable restrictions on transferability in order to ensure compliance with such laws, unless in the aforesaid opinion of counsel for the holder, such legend is not required in order to ensure compliance with such laws. The Company may issue stop transfer instructions to its transfer agent in connection with such restrictions. Notwithstanding the foregoing, Holder may assign this Warrant or the Shares into which such Warrant may be converted to an affiliated entity without the prior written consent of the Company so long as such assignment complies with applicable law.

13. Rights of Stockholders. No holder of this Warrant shall be entitled, as a Warrant holder, to vote or receive dividends or be deemed the holder of the Shares or any other securities of the Company which may at any time be issuable on the exercise hereof for any purpose, nor shall anything contained herein be construed to confer upon the holder of this Warrant, as such, any of the rights of a stockholder of the Company or any right to vote for the election of directors or upon any matter submitted to stockholders at any meeting thereof, or to give or withhold consent to any corporate action (whether upon any recapitalization, issuance of stock, reclassification of stock, change of par value, consolidation, merger, conveyance, or otherwise) or to receive notice of meetings, or to receive dividends or subscription rights or otherwise until the Warrant shall have been exercised and the Shares purchasable upon the exercise hereof shall have become deliverable, as provided herein.

14. Expiration of Warrant; Notice of Certain Events Terminating This Warrant

(a) This Warrant shall expire and shall no longer be exercisable upon the earlier to occur of:

(i) 5:00 p.m., California local time, on May 31, 2016; or

(ii) The consummation of any Change of Control if the notice set forth in Section 14(b) is sent.

(b) The Company shall provide at least ten (10) days prior written notice of the event set forth in Section 14(a)(ii), which shall indicate that this Warrant shall expire upon the consummation of such event.

15. Notices. All notices and other communications given or made hereunder shall be in writing and shall be deemed effectively given: (a) upon personal delivery to the party to be notified, (b) when sent by confirmed electronic mail or facsimile if sent during normal business hours of the recipient, and if not so confirmed, then on the next business day, with a copy to be sent by United States first class mail, postage prepaid, (c) five (5) days after being sent by registered or certified mail, return receipt required, postage prepaid, or (d) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All communications shall be sent to the respective parties at their address or fax number as set forth on the signature page to the Agreement or to such electronic mail address, facsimile number or address as subsequently modified by written notice given in accordance with this Section 15.

16. Governing Law. This Warrant and all actions arising out of or in connection with this Agreement shall be governed by and construed in accordance with the laws of the State of California, without regard to the conflicts of law provisions of the State of California or of any other state.

17. Rights and Obligations Survive Exercise of Warrant. Unless otherwise provided herein, the rights and obligations of the Company, of the holder of this Warrant and of the holder of the Shares issued upon exercise of this Warrant, shall survive the exercise of this Warrant.
