Dear Stockholder:

You are cordially invited to attend the annual meeting of stockholders of CNS Response, Inc. to be held on Tuesday, September 29, 2009 at 10:00 a.m., local time, at the Island Hotel in Newport Beach, California. This meeting is very important. At this meeting, CNS stockholders will vote to elect six directors to serve until the next annual meeting of stockholders or until their successors are elected and qualified. We have proposed a slate of director nominees consisting of six of our current directors, including Tommy Thompson and John Pappajohn, who just recently joined our board following the initial closing of our \$2 million private placement. We are very excited to have added Messrs. Thompson and Pappajohn as directors at this critical time in CNS's development.

I hope you will be able to attend the annual meeting in person. We consider the votes of all of our stockholders to be important, whether you own a few shares or many. Whether or not you plan to attend, please vote your shares as soon as possible, following the instructions on the enclosed **WHITE** proxy card. This will ensure that your shares are represented at the meeting whether or not you are able to attend in person. Of course, if you do attend the meeting and wish to vote in person, you may do so.

As you may know, CNS's former CEO, Leonard J. Brandt, has been waging a campaign to try to remove our current directors and elect himself and his own nominees either at a stockholder meeting or through an action by written consent without a meeting. He is not one of our nominees for election at the annual meeting. We expect that he will continue his efforts to solicit proxies and consents, either in connection with our annual meeting or meetings he purports to call, or both. We expect that his solicitations will either oppose our slate of directors, support the election of himself and his nominees, or both. Our board of directors believes that it is in the best interests of CNS and its stockholders to elect our nominees and reject Mr. Brandt's attempts to seize control. If you wish to elect our nominees, you should only vote using the **WHITE** proxy card that we are sending you – you should not return any proxy card or any written consent form to Mr. Brandt (even if your intent is to vote against his nominees or proposals). These matters are more fully described in the accompanying proxy statement.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "**FOR**" THE ELECTION OF OUR DIRECTOR NOMINEES.

Your vote is extremely important. You may vote by proxy by mail, fax or email by completing, signing, dating and returning the **WHITE** proxy card in the postage-paid envelope provided or by scanning or faxing the proxy card to CNS at the email address and fax numbers indicated in the proxy statement. You may revoke your proxy at any time before it is exercised at our annual meeting.

Very truly yours,

/s/ George Carpenter

NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

NOTICE IS HEREBY GIVEN that the Annual Meeting of Stockholders of CNS Response, Inc. ("CNS") will be held at the Island Hotel in Newport Beach, California on Tuesday, September 29, 2009 at 10:00 a.m., local time for the purpose of considering and acting on the following matters:

1. To elect six directors to serve until the next annual meeting of stockholders or until their respective successors are elected and qualified.
2. To transact such other business as may properly come before the meeting or any adjournment thereof.

These items are more fully described in the proxy statement accompanying this Notice.

The board of directors has fixed the close of business on Thursday, August 27, 2009 as the record date for determining CNS stockholders entitled to notice of and to vote at the annual meeting and any adjournment or postponement thereof.

Your vote is extremely important. All CNS stockholders are cordially invited to attend the annual meeting in person. Whether or not you plan to attend in person, you are urged to mark, date, sign and return the enclosed **WHITE** proxy card as promptly as possible in the postage-prepaid envelope provided, or scan or fax your completed proxy card to the email address and fax numbers indicated in the proxy statement – this will ensure that your CNS shares are represented and that a quorum is present at the annual meeting. If you submit your proxy and then decide to attend the annual meeting and wish to vote your shares in person, you may still do so. Your proxy is revocable in accordance with the procedures identified in the accompanying proxy statement. Only CNS stockholders of record at the close of business on Thursday, August 27, 2009 are entitled to notice of, to attend and to vote at, the annual meeting.

As you may know, CNS's former CEO, Leonard J. Brandt, has been soliciting proxies and written consents in an attempt to remove our current directors and elect himself and his own nominees either at a stockholder meeting or through an action by written consent without a meeting. In some cases, Securities and Exchange Commission rules require CNS to mail certain materials to CNS stockholders for Mr. Brandt. Any communications you may receive from Mr. Brandt – whether delivered by him or by us – are not communications made, authorized or endorsed by CNS. Although Mr. Brandt is currently a CNS director, he is not being nominated by CNS to be elected as a director at the annual meeting and his communications are made solely in his capacity as a CNS stockholder. You should not consider any communication from him or any statement made by him as being a statement by or on behalf of CNS or our board of directors. You should assume that any contact he makes with you is in his capacity as a stockholder, not as a director or representative of CNS. **THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF THE BOARD'S NOMINEES IDENTIFIED ON THE ENCLOSED WHITE PROXY CARD. WE URGE YOU NOT TO SIGN OR RETURN ANY PROXY CARD OR WRITTEN CONSENT TO MR. BRANDT.**

Even if you have provided a proxy to Mr. Brandt, you have the right to revoke that proxy and change your vote by using the enclosed **WHITE** proxy card to vote by mail, telephone or the Internet. Only the latest-dated proxy card you submit will be counted. If you have provided a written consent to Mr. Brandt, you also have the right to revoke that written consent, but in order to do so you must provide a written notice of revocation directly to Mr. Brandt or to CNS – providing a new proxy or revoking a prior proxy may not be sufficient to revoke a written consent. Instructions for how to make such a revocation are described in the accompanying proxy statement.

Important Notice Regarding Internet Availability Of Proxy Materials For The Annual Meeting Of Stockholders This proxy statement, the accompanying form of proxy card and CNS's Annual Report to Stockholders (the "Annual Report") are available at www.cnsresponse.com. Pursuant to Securities and Exchange Commission rules, we are providing you access to our proxy materials both by sending you this full set of proxy materials and by notifying you of the availability of our proxy materials on the Internet.

IMPORTANT: Whether or not you expect to attend the annual meeting in person, we urge you to submit a completed WHITE proxy card to vote your shares. This will help ensure the presence of a quorum at the annual meeting. Promptly voting your shares will help to save CNS the expense of additional solicitations. As described in the accompanying proxy statement, submitting your WHITE proxy card now will not prevent you from voting your shares at the annual meeting if you desire to do so.

 PROXY STATEMENT

 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD SEPTEMBER 29, 2009

ABOUT THE MEETING

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors of CNS Response, Inc. (“CNS,” the “Company,” “we,” “our,” or “us”) for use in connection with CNS’s annual meeting of stockholders (the “annual meeting” or the “meeting”), to be held on Tuesday, September 29, 2009 at 10:00 a.m., local time, at the Island Hotel in Newport Beach, California, and any adjournment or postponement thereof. This proxy statement, the enclosed **WHITE** proxy card and the Company’s 2008 Annual Report to Stockholders are being sent to stockholders entitled to vote at the annual meeting.

At the annual meeting, stockholders of record as of August 27, 2009 will be entitled to vote in the election of directors. Our nominees for director are:

- | | |
|---|---|
| <input type="checkbox"/> George Carpenter | <input type="checkbox"/> John Pappajohn |
| <input type="checkbox"/> Henry Harbin, M.D. | <input type="checkbox"/> Tommy Thompson |
| <input type="checkbox"/> David B. Jones | <input type="checkbox"/> Jerome Vaccaro, M.D. |

All of our nominees are currently serving as CNS directors, and Messrs. Pappajohn and Thompson just recently joined the board. Mr. Pappajohn has recently made significant investments in CNS and has more than 40 years’ experience as an investor in life sciences and health care related companies and serves as a member of the board of directors of a number of growing healthcare-related companies. Mr. Thompson is the former Secretary of the U.S. Department of Health and Human Services, a four-term governor of Wisconsin, and is one of the nation’s leading advocates for the health and welfare of all Americans. Their biographies, along with the biographies of our other nominees, are included later in this proxy statement.

We have determined not to nominate Leonard J. Brandt for election as a director. As you know, Mr. Brandt, who currently serves as a CNS director, was removed by the board as the Company’s Chief Executive Officer in April 2009. Since that time he has been waging a campaign to unseat our other directors and replace them with himself and his own nominees. He has already attempted to call purported special meetings seven times since June and has solicited proxies and written consents in connection with those purported meetings. We expect that he will continue those efforts in connection with our annual meeting or attempt to call additional special meetings. Additional details concerning Mr. Brandt’s activities are discussed elsewhere in this proxy statement.

Our board of directors believes that it is in the best interest of CNS and its stockholders to elect the nominees identified above. We oppose the election of Mr. Brandt and any of his director nominees and any attempt by him to cause the removal of our current directors. **THEREFORE, OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE ELECTION OF OUR DIRECTOR NOMINEES AND URGES YOU TO RETURN THE WHITE PROXY CARD AS SOON AS POSSIBLE.**

BACKGROUND OF OUR SOLICITATION

We have called our annual meeting and proposed the election of six nominees for director. We believe these nominees will provide the type of leadership that will help CNS move forward as we enter a critical phase in CNS's growth and development.

As you know, CNS made an important change in April 2009 when the board of directors dismissed Leonard J. Brandt as our CEO and replaced him with George Carpenter, who had been serving as our President. The board decided to make this change for a number of reasons, but the primary reason was a fundamental disagreement between the other directors and Mr. Brandt regarding the Company's strategy. Mr. Brandt, after 12 months of being unsuccessful in his efforts to secure acceptable financing for CNS, recommended that we reduce staff, discontinue payroll, notify our clinical trial sites that further payments would be delayed or suspended, and use bridge loans to "drip feed" CNS on a month-to-month basis. Our other directors disagreed with this recommendation, and determined that Mr. Carpenter was better qualified to lead our efforts to secure additional financing to complete the clinical trial, continue to lay the groundwork for commercialization and place CNS on a sound financial footing that we expect will allow us to implement our business plan.

We believe that Mr. Carpenter has made great progress over the last four months, as evidenced by a variety of positive developments, including our successful capital raising efforts that to date have resulted in over \$2 million in additional cash investment and the elimination of \$1.7 million in indebtedness through the automatic conversion of outstanding notes upon the completion of the financing. He also has been instrumental in our efforts in getting Messrs. Thompson and Pappajohn to join our board of directors. The addition of Messrs. Thompson and Pappajohn, and their many years of relevant experience in business, finance and government, strengthens our board's ability to face the challenges we anticipate as CNS continues its growth.

Unfortunately, Mr. Brandt has spent the last four months reacting to his removal and engaging in a number of activities that we believe had the goals of preventing our financing initiatives and restoring himself to power. So far, those efforts have not benefited CNS or our stockholders – they have just caused us to incur significant legal and related expenses and have caused our management and directors to spend valuable time contending with Mr. Brandt. As you may know, to date Mr. Brandt has attempted to call, hold, adjourn and/or reconvene purported special meetings on seven occasions since June and has made a number of SEC filings which we believe have contained falsehoods and misleading statements and we have been vigorously contesting these actions in both state and federal court.

As part of his campaign, Mr. Brandt has made a number of statements suggesting that his purpose in calling his many meetings has been to allow CNS stockholders to exercise their right to elect directors. In that vein, he has criticized CNS for not holding a stockholder meeting to allow stockholders to elect directors – implying that CNS itself and other CNS directors have been standing in the way of an annual meeting. He chooses not to highlight some relevant facts, however, when he makes these statements – like the fact that he was CNS's Chairman for more than three years and, as Chairman, could have called a meeting at any time during his tenure, a procedure that does not require the approval of any of the other directors; or, during his entire tenure as a director, he has never made a motion at any meeting of directors to call an annual meeting. We believe that his purpose in purporting to call a meeting in his capacity as a stockholder was to try to catch the Company by surprise, act quickly to change the board and then tell the rest of the stockholders what he had done. It was only after seven failed attempts to get a quorum for those purported meetings that he finally delivered a proxy statement to CNS stockholders and invited everyone to participate in the meeting – not just those of you who were inclined to travel to Dover, Delaware on a holiday, a Sunday or any of the other five occasions Mr. Brandt's designee stood in the hallway of an office building and claimed he or she was convening a stockholder meeting.

Our goal for the annual meeting is to have CNS stockholders elect directors after considering the information contained in this proxy statement, assessing the qualifications of our nominees, and reviewing the recent steps the board of directors and our senior management have taken to stabilize the Company's finances, implement our business plan and set the stage for CNS's future. We believe that is the best way for you to be able to judge our performance and plans for CNS and exercise your right to vote.

QUESTIONS AND ANSWERS REGARDING THE MEETING

Why am I receiving these materials?

We are sending you this proxy statement because the board of directors is soliciting your proxy to vote at our annual meeting. This proxy statement provides information regarding the matters that we will act on at the annual meeting and summarizes the information you need in order to vote at the annual meeting. You do not need to attend the annual meeting to vote your CNS shares. Please read this proxy statement, as it contains important information you need to know to vote at the annual meeting.

When and where will the annual meeting take place?

The annual meeting will be held on Tuesday, September 29, 2009 at 10:00 a.m., local time, at the Island Hotel in Newport Beach, California.

Who is soliciting my vote?

This proxy statement and the **WHITE** proxy card are provided in connection with the solicitation of proxies by our board of directors for the annual meeting. Proxy materials, including this proxy statement and the **WHITE** proxy card, were filed by us with the Securities and Exchange Commission on September 2, 2009, and we expect to first make this proxy statement available to stockholders on or around September 12, 2009.

What am I being asked to vote on?

- To elect six directors to serve until the next annual meeting of stockholders or until their respective successors are elected and qualified.
- To transact such other business as may properly come before the meeting or any adjournment thereof.

With respect to the election of directors, the board of directors has fixed the number of directors at seven, and has acted to re-set the number of authorized directors to six in connection with the election of directors at the annual meeting. The board has nominated one individual for each position on the board to be filled at the annual meeting. Those nominees are:

- George Carpenter
- Henry Harbin, M.D.
- David B. Jones
- John Pappajohn
- Tommy Thompson
- Jerome Vaccaro, M.D.

How does the board of directors recommend that I vote?

Our board of directors recommends that you vote **"FOR"** the election of each of our director nominees.

Unless you give other instructions on your **WHITE** proxy card, the persons named as proxy holders on the **WHITE** proxy card will vote in accordance with the recommendations of our board of directors. This means that if you return an executed **WHITE** proxy card to us without checking any of the voting boxes, the proxy will be voted **"FOR"** the election of each of our director nominees.

Who may vote at the annual meeting?

Our common stock is the only class of voting shares. Holders of record of our common stock at the close of business on August 27, 2009, the record date for the annual meeting, are entitled to vote on each matter properly brought before the annual meeting and at any adjournment or postponement of the meeting.

How many votes do I have?

CNS stockholders have one vote for each share of common stock owned on the record date on each matter properly brought before the annual meeting and at any adjournment or postponement of the meeting.

How many votes may be cast by all stockholders?

As of the close of business on August 27, 2009, 41,781,129 shares of our common stock were outstanding and each share is entitled to one vote on each matter properly brought before the annual meeting and at any adjournment or postponement of the meeting.

How do I vote?

You may vote by attending the annual meeting and voting in person or by submitting a proxy. The method of voting by proxy will be different depending on whether your shares are held by you directly as the record holder or if your shares are held in "street name" by a broker, bank or nominee on your behalf.

Record holders. If you hold your CNS shares as a record holder, you may vote your shares by completing, dating and signing the **WHITE** proxy card that is included with this proxy statement and promptly returning it in the pre-addressed, postage paid envelope we are providing to you. You also have the option of submitting your proxy electronically via email or by fax by following the instructions on the **WHITE** proxy card. You also have the right to vote in person at the meeting, and if you choose to do so, you can bring the enclosed **WHITE** proxy card or vote using the ballot provided at the annual meeting.

If you vote by proxy, your shares will be voted at the annual meeting in the manner specified by you. If you sign, date and return your **WHITE** proxy card, but do not specify how you want your shares voted, they will be voted by the proxy holder as recommended by the board.

"Street name" holders. If you hold your CNS shares in street name, you are what is commonly known as a "beneficial owner," and you should receive a notice from your broker, bank or other nominee that includes instructions on how to vote your CNS shares. Your broker, bank or nominee may allow you to deliver your voting instructions over the Internet and may also permit you to vote by telephone. You also may request paper copies of the proxy statement and **WHITE** proxy card from your broker. Because a beneficial holder is not the stockholder of record, you may not vote these shares in person at the annual meeting unless you obtain a "legal proxy" from the broker, bank or other nominee that holds your shares, giving you the right to vote the shares at the meeting.

If you hold your shares in street name and do not provide your broker with specific voting instructions regarding the election of directors, the broker will not be able to vote your shares on your behalf because the broker does not have discretionary authority to vote on certain non-routine items, such as contested director elections – the broker must receive voting instructions from you as the beneficial owner of the shares.

Even if you plan to attend the annual meeting, we ask that you vote your shares in advance using the WHITE proxy card so that your vote will be counted if you later decide not to attend the annual meeting.

To vote for our nominees – George Carpenter, Henry Harbin, M.D., David B. Jones, John Pappajohn, Tommy Thompson and Jerome Vaccaro, M.D. – you must follow the instructions on the WHITE proxy card or attend the annual meeting in person and vote by ballot for our nominees. Please also be aware that you cannot vote for our nominees on any proxy card or consent form provided by Leonard J. Brandt.

If you have any questions about how to ensure that your shares are voted at the annual meeting in accordance with your wishes, please contact:

George Carpenter CEO
CNS Response, Inc.
gcarpenter@cnsresponse.com

How many votes must be present to hold the annual meeting?

A quorum must be present, in person or by proxy, for business to be transacted at the annual meeting. The presence in person or by proxy of the holders of a majority of the outstanding shares of our common stock entitled to vote at the annual meeting will constitute a quorum for the transaction of business at the annual meeting. Based on shares of our common stock outstanding on the record date, 20,890,565 shares of our common stock must be present either in person or by proxy for a quorum.

Abstentions and broker “non-votes” are counted as present and entitled to vote for purposes of determining the presence or absence of a quorum. A broker “non-vote” occurs when a broker or nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. In order for us to determine that enough votes will be present to hold the annual meeting and transact business, we urge you to vote as soon as possible by submitting the **WHITE** proxy card.

What vote is required to elect the directors?

A plurality of the voting power of the shares present in person or represented by proxy at the annual meeting and entitled to vote on the election of directors is required for the election of directors. This means that the six nominees receiving the highest number of affirmative votes will be elected to the Board of directors. There is no cumulative voting in the election of directors.

How will votes be counted?

With respect to the election of directors, you may vote “FOR” or “WITHHOLD” on each of the six nominees. “Withhold” votes and broker non-votes will not affect the outcome of the election.

May I revoke my vote?

You may revoke your vote at any time before your proxy is voted at the annual meeting. The action you must take to revoke your vote will be different depending on whether your shares are held by you directly as the record holder or if your shares are held in “street name” by a broker, bank or nominee on your behalf.

- **Record holders.** If you hold your CNS shares as a record holder, you may revoke your proxy at any time before your proxy is voted at the annual meeting by (i) delivering to CNS a signed written notice of revocation, bearing a date later than the date of the proxy, stating that the proxy is revoked, (ii) signing and delivering a new paper proxy, relating to the same shares and bearing a later date than the original proxy, (iii) submitting another proxy by email or fax, or (iv) attending the annual meeting and voting in person, although attendance at the annual meeting will not, by itself, revoke a proxy.
- **“Street name” holders.** If you hold your CNS shares in street name, you may change your vote by submitting new voting instructions to your broker, bank or other nominee. You must contact your broker, bank or other nominee to find out how to do so.

What should I do if I receive a proxy card or form of consent from Leonard J. Brandt?

As you may know, CNS’s former CEO, Leonard J. Brandt, has been soliciting proxies and written consents in an attempt to remove our current directors and elect himself and his own nominees either at a stockholder meeting or through an action by written consent without a meeting. As a result, you may receive or may have already received proxy materials and a proxy card and/or consent solicitation materials and a form of written consent from Mr. Brandt. (And in some cases, those materials may even have been mailed by us pursuant to Securities and Exchange Commission rules requiring us to do so). Mr. Brandt and his nominees have NOT been endorsed by our Board, our Board does not recommend their election, and we are not responsible for the accuracy or adequacy of any information provided by or relating to Mr. Brandt or his nominees that is contained in any proxy or consent solicitation materials filed or disseminated by, or on behalf of, Mr. Brandt or his nominees or any other statements that Mr. Brandt or his nominees may otherwise make.

WE URGE YOU NOT TO SIGN OR RETURN ANY PROXY CARD OR WRITTEN CONSENT TO MR. BRANDT. If you wish to elect our nominees, you should return only the **WHITE** proxy card. Returning a proxy card or written consent to Mr. Brandt indicating a vote against his nominees and proposals does NOT have the same effect as voting in favor of our nominees for director.

Can I revoke a proxy or written consent that I have already given to Leonard J. Brandt?

You may revoke a proxy you have already given to Mr. Brandt at any time before your proxy is voted at the annual meeting. You also may revoke any written consent that you have already given to Mr. Brandt at any time before he delivers written consents representing a majority of our outstanding common stock to us.

IF YOU HAVE GIVEN HIM BOTH A PROXY AND A WRITTEN CONSENT, YOU MUST REVOKE BOTH THE PROXY AND THE WRITTEN CONSENT IF YOUR INTENT IS TO VOTE IN FAVOR OF OUR DIRECTOR NOMINEES.

- **Revoking a proxy given to Mr. Brandt.** If you hold your CNS shares as a record holder, you may revoke a proxy you provided to Mr. Brandt at any time before your proxy is voted at the annual meeting by:
 - o delivering to Mr. Brandt a signed written notice of revocation, bearing a date later than the date of the proxy, stating that the proxy is revoked;
 - o delivering to CNS a signed written notice of revocation, bearing a date later than the date of the proxy, stating that the proxy is revoked;
 - o signing and delivering to CNS a **WHITE** proxy card, relating to the same shares and bearing a later date than the proxy delivered to Mr. Brandt; or
 - o attending the annual meeting and voting in person, although attendance at the annual meeting will not, by itself, revoke a proxy.

If you hold your CNS shares in street name, you may change your vote by submitting new voting instructions to your broker, bank or other nominee. You must contact your broker, bank or other nominee to find out how to do so.

- **Revoking a written consent given to Mr. Brandt.** If you hold your CNS shares as a record holder, you may revoke a written consent you provided to Mr. Brandt at any time before your consent is delivered by him to the Company in connection with an action by written consent by:
 - o delivering to Mr. Brandt a signed written notice of revocation, bearing a date later than the date of the consent, stating that the consent is revoked; or
 - o delivering to CNS a signed written notice of revocation, bearing a date later than the date of the consent, stating that the consent is revoked.

Will any other business be conducted at the annual meeting?

It is not currently expected that any matter other than those identified above will be voted upon at the annual meeting (other than procedural matters with respect to the conduct of the meeting that may properly arise). With respect to any other matter that properly comes before the meeting, the proxy holders will vote as may be recommended by our Board or, if no recommendation is given, in their own discretion.

May I vote in person?

Yes. If you plan to attend the annual meeting and wish to vote in person, you will be given a ballot at the annual meeting. Please note, however, that if your shares are held in street name, you must bring to the annual meeting a "legal proxy" from the record holder of the shares, which is the broker, bank or other nominee, authorizing you to vote at the annual meeting.

What do I need for admission to the annual meeting?

You are entitled to attend the annual meeting in person only if you are a stockholder of record or a beneficial owner of our stock as of the close of business on August 27, 2009, or if you hold a valid proxy for the annual meeting. To attend the meeting, you must bring with you

- photo identification; and
- if you hold in "street name," you should provide proof of beneficial ownership on the record date, a copy of the **WHITE** voting-instruction card provided by your broker, bank, or other nominee, or other similar evidence of ownership as of the record date, as well as your photo identification.

If you are the stockholder of record, your name will be verified against the list of stockholders of record prior to your admittance to the annual meeting.

The use of cameras, recording devices and other electronic devices at the annual meeting is prohibited, and such devices will not be allowed in the meeting or any other related areas, except by credentialed media. We realize that many cellular phones personal digital assistants have built-in digital cameras, and while you may bring these into the meeting venue, you may not use the camera function at any time.

What happens if the annual meeting is postponed or adjourned?

Your proxy will remain valid and may be voted when the postponed or adjourned meeting is held. You may change or revoke your proxy until it is voted.

Who pays for the solicitation of proxies?

We will pay the cost of preparing this proxy statement and the related **WHITE** proxy card and notice of meeting, as well as any other materials that may be distributed on behalf of our Board, and any cost of soliciting your vote on behalf of the board. We also pay all annual meeting expenses.

We may use the services of our directors, officers, employees and others to solicit proxies, personally or by mail, telephone, or facsimile. Appendix I to this proxy statement sets forth information about the directors and other individuals who, under rules promulgated by the Securities and Exchange Commission, are "participants" in our solicitation of proxies in connection with the annual meeting. We may reimburse such individuals or firms for reasonable out-of-pocket expenses incurred by them in soliciting proxies, but we will not pay any compensation for their services. We estimate that our total expenditures related to the solicitation of proxies for the annual meeting will be approximately \$ 75,000. May I access the proxy materials for the annual meeting on the Internet?

Note Regarding Householding of Annual Meeting Materials

To reduce the expenses of delivering duplicate proxy materials to our stockholders, we are relying upon Securities and Exchange Commission rules that permit us to deliver only one proxy statement and annual report to multiple beneficial owners who share an address unless we received contrary instructions from any beneficial owner at that address. If you hold your shares in "street name" (i.e., in the name of a bank, broker or other nominee), share an address with another beneficial owner, and have received only one proxy statement and annual report, you may contact the bank, broker or other nominee to request a separate copy of these materials or to discontinue householding. You may also request separate copies of our proxy statement and annual report by contacting us at:

MATTERS REQUIRING STOCKHOLDER ACTION

PROPOSAL NO. 1 – ELECTION OF DIRECTORS

Proposal 1 is for the election of six directors to hold office until our next annual meeting of stockholders or until their respective successors have been duly elected and qualified. Our certificate of incorporation, as amended, provides that the number of directors of the Company shall be fixed from time to time by our board of directors. The board of directors has fixed the number of directors at seven, and has acted to re-set the number of authorized directors to six in connection with the election of directors at the annual meeting.

Unless otherwise instructed, the proxy holders will vote the proxies received by them “FOR” all of the nominees named below. If any nominee is unable or unwilling to serve as a director at the time of the annual meeting, the proxies will be voted for such other nominee(s) as shall be designated by the board of directors to fill any vacancy, or, alternatively, the board may determine to reduce the number of directors. We have no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

Proxies may not be voted for more than six directors. The six nominees receiving the highest number of affirmative votes of the shares entitled to vote at the meeting will be elected. Stockholders may not cumulate votes in the election of directors.

The board of directors has nominated and proposes the election of the following nominees as directors:

BOARD COMPOSITION AND COMMITTEES AND DIRECTOR INDEPENDENCE

Our board of directors currently consists of seven members: George Carpenter, Henry Harbin, David Jones, John Pappajohn, Tommy Thompson, Jerome Vaccaro and Leonard Brandt. Messrs. Pappajohn and Thompson just recently joined our board of directors on August 26, 2009; they were not members of the board during our last fiscal year, which ended on September 30, 2008.

Currently, we do not have any committees, including an audit committee, compensation committee, or nominating and corporate governance committee and the functions customarily delegated to these committees are performed by our full board of directors. In addition, we do not have any charters that relate to the functions traditionally performed by these committees. We are not a "listed company" under SEC rules and are therefore not required to have separate committees comprised of independent directors. We have, however, determined that David Jones, Jerome Vaccaro, Henry Harbin, John Pappajohn and Tommy Thompson are "independent" as that term is defined in Section 5600 of the Nasdaq Listing Rules as required by the NASDAQ Stock Market. In addition, although our full board of directors functions as our audit committee, we have determined that Jerome Vaccaro, David Jones, John Pappajohn and Tommy Thompson are "independent" for purposes of Rule 5605-4 of the Nasdaq Listing Rules as required by the NASDAQ Stock Market.

We have also determined that David Jones qualifies as an "audit committee financial expert" within the meaning of the rules and regulations of the SEC and that each of our other board members are able to read and understand fundamental financial statements and have substantial business experience that results in that member's financial sophistication. Accordingly, our board of directors believes that each of its members has sufficient knowledge and experience necessary to fulfill the duties and obligations that an audit committee would have.

FURTHER INFORMATION CONCERNING THE BOARD OF DIRECTORS

Meetings and Committees. The Board of directors held six meetings during its fiscal year ended September 30, 2008. All directors then serving, with the exception of Mr. Vaccaro, attended 75% or more of all of the meetings of the Board of directors during such fiscal year. The Company has not established a specific policy with respect to members of the board of directors attending annual stockholder meetings.

With respect to our 2009 Annual Meeting of Stockholders, the board of directors appointed a committee consisting of George Carpenter, Henry Harbin and David Jones to review the director nominees and make recommendations to the full board of directors regarding those candidates who will be the nominees for election or re-election to our board of directors. This committee determined to recommend George Carpenter, Henry Harbin, David Jones, John Pappajohn, Tommy Thompson and Jerome Vaccaro as the nominees. The committee determined not to recommend Leonard Brandt. The nominees were subsequently approved by the board of directors. The methods used by the committee and the board of directors for identifying candidates for election as directors (other than those proposed by our stockholders, as discussed below) include the solicitation of ideas for possible candidates from a number of sources—members of the board of directors; our senior management; individuals personally known to the members of the board of directors; and other research. We may also from time to time retain one or more third-party search firms to identify suitable candidates. The board also considers outside candidates for possible nomination for election.

A CNS stockholder may nominate one or more persons for election as a director at an annual meeting of stockholders if the stockholder complies with the requisite provisions contained in our Bylaws. In addition, the notice must be made in writing and set forth as to each proposed nominee who is not an incumbent Director (i) their name, age, business address and, if known, residence address, (ii) their principal occupation or employment, (iii) the number of shares of stock of the Company beneficially owned and (iv) any other information concerning the nominee that must be disclosed respecting nominees in proxy solicitations pursuant to Rule 14(a) of the Exchange Act of 1934. The recommendation should be addressed to our Secretary.

Among other matters, our full board of directors which serves as the nominating and governance committee:

- Reviews the desired experience, mix of skills and other qualities to assure appropriate Board composition, taking into account the current Board members and the specific needs of CNS Response and the Board;
- Conducts candidate searches, interviews prospective candidates and conducts programs to introduce candidates to our management and operations, and confirms the appropriate level of interest of such candidates;
- Recommends qualified candidates who bring the background, knowledge, experience, independence, skill sets and expertise that would strengthen and increase the diversity of the Board; and
- Conducts appropriate inquiries into the background and qualifications of potential nominees.

Compensation of Directors and Officers. Our full board of directors determines the compensation to be paid to our officers and directors, with recommendations from management as to the amount and/or form of such compensation. While our board may in the future utilize the services of consultants in determining or recommending the amount or form of executive and director compensation, we do not at this time employ consultants for this purpose.

Stockholder Communications. Stockholder may send communications to the board of directors via email to board@ensresponse.com or by telephoning the Secretary at the Company's principal executive offices, who will then relay the communications to the board of directors.

Code of Ethics. Our board of directors has adopted a Code of Ethical Conduct (the "Code of Conduct") which constitutes a "code of ethics" as defined by applicable SEC rules and a "code of conduct" as defined by applicable NASDAQ rules. We require all employees, directors and officers, including our principal executive officer, principal financial officer and principal accounting officer to adhere to the Code of Conduct in addressing legal and ethical issues encountered in conducting their work. The Code of Conduct requires that these individuals avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner and otherwise act with integrity and in our best interest. The Code of Conduct contains additional provisions that apply specifically to our principal financial officer and other financial officers with respect to full and accurate reporting. The Code of Conduct is available on our website at www.ensresponse.com and is also filed as an exhibit to our Annual Report on Form 10-K/A.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

As we do not have a designated compensation committee, our full board of directors oversees matters regarding executive compensation. The Board is responsible for, among other functions: (1) reviewing and approving corporate goals and objectives relevant to the compensation of our executive officers and evaluating the performance of such executive officers in light of these corporate goals and objectives; (2) administering our 2006 Stock Incentive Plan and other equity incentive plans that we may adopt from time to time; and (3) negotiating, reviewing and setting the annual salary, bonus, stock options and other benefits, direct and indirect, of the Chief Executive Officer, and other current and former executive officers. The Board also has the authority to select and/or retain outside counsel, compensation and benefits consultants, or any other consultants to provide independent advice and assistance in connection with the execution of its responsibilities. Our "named executive officers" for our fiscal year ending September 30, 2008 were as follows:

- George Carpenter, President;
- Horace Hertz, Chief Financial Officer (resigned as of August 31, 2008);
- Brad Luce, Principal Financial Officer (resigned as of December 19, 2008);
- Daniel Hoffman, Chief Medical Officer; and
- Leonard Brandt, Chief Executive Officer

Compensation Philosophy

Because we are a small company with a total of 15 full-time and 4 part-time employees, we do not have a formal comprehensive executive compensation policy. As we expand our operations, we intend to establish such policies to further our corporate objectives. Generally, we compensate our executive officers with a compensation package that is designed to drive company performance to maximize shareholder value while meeting our needs and the needs of our executives. The following are objectives we consider:

- Alignment - to align the interests of executives and shareholders through equity-based compensation awards;
- Retention - to attract, retain and motivate highly qualified, high performing executives to lead our growth and success; and
- Performance - to provide, when appropriate, compensation that is dependent upon the executive's achievements and the company's performance.

In order to achieve the above objectives, our executive compensation philosophy is guided by the following principles:

- Rewards under incentive plans are based upon our short-term and longer-term financial results and increasing shareholder value;
- Executive pay is set at sufficiently competitive levels to attract, retain and motivate highly talented individuals who are necessary for us to strive to achieve our goals, objectives and overall financial success;
- Compensation of an executive is based on such individual's role, responsibilities, performance and experience, taking into account the desired pay relationships within the executive team; and
- Annual performance of our company and the executive are taken into account in determining annual bonuses with the goal of fostering a pay-for-performance culture.

Compensation Elements

We compensate our executives through a variety of components, which may include a base salary, annual performance based incentive bonuses, equity incentives, and benefits and perquisites, in order to provide our executives with a competitive overall compensation package. The mix and value of these components are impacted by a variety of factors, such as responsibility level, individual negotiations and performance and market practice. The purpose and key characteristics for each component are described below.

Base Salary

Base salary provides executives with a steady income stream and is based upon the executive's level of responsibility, experience, individual performance and contributions to our overall success, as well as negotiations between the company and such executive officer. Competitive base salaries, in conjunction with other pay components, enable us to attract and retain talented executives. The Board typically sets base salaries for our executives at levels that it deems to be competitive, with input from our Chief Executive Officer.

Annual Incentive Bonuses

Annual incentive bonuses are a variable performance-based component of compensation. The primary objective of an annual incentive bonus is to reward executives for achieving corporate and individual goals and to align a portion of total pay opportunities for executives to the attainment of our company's performance goals. Annual incentive awards, when provided, act as a means to recognize the contribution of our executive officers to our overall financial, operational and strategic success.

Equity Incentives

Equity incentives are intended to align executive and shareholder interests by linking a portion of executive pay to long-term shareholder value creation and financial success over a multi-year period. Equity incentives may also be provided to our executives to attract and enhance the retention of executives and to facilitate stock ownership by our executives. The Board considers individual and company performance when determining long-term incentive opportunities.

Health & Welfare Benefits

The executive officers participate in health and welfare, and paid time-off benefits which we believe are competitive in the marketplace. Health and welfare and paid time-off benefits help ensure that we have a productive and focused workforce.

Severance and Change of Control Arrangements

We do not have a formal plan for severance or separation pay for our employees, but we typically include a severance provision in the employment agreements of our executive officers that have written employment agreements with us. Generally, such provisions are triggered in the event of involuntary termination of the executive without cause or in the event of a change in control. Please see the description of our employment agreements with each of George Carpenter and Daniel Hoffman below for further information.

Other Benefits

In order to attract and retain highly qualified executives, we may provide our executive officers with automobile allowances, consistent with current market practices.

Accounting and Tax Considerations

We consider the accounting implications of all aspects of our executive compensation strategy and, so long as doing so does not conflict with our general performance objectives described above, we strive to achieve the most favorable accounting (and tax) treatment possible to the company and our executive officers.

Process for Setting Executive Compensation; Factors Considered

When making pay determinations for named executive officers, the Board considers a variety of factors including, among others: (1) actual company performance as compared to pre-established goals, (2) individual executive performance and expected contribution to our future success, (3) changes in economic conditions and the external marketplace, (4) prior year's bonuses and long-term incentive awards, and (5) in the case of executive officers, other than Chief Executive Officer, the recommendation of our Chief Executive Officer. No specific weighing is assigned to these factors nor are particular targets set for any particular factor. Ultimately, the Board uses its judgment and discretion when determining how much to pay our executive officers and sets the pay for such executives by element (including cash versus non-cash compensation) and in the aggregate, at levels that it believes are competitive and necessary to attract and retain talented executives capable of achieving the Company's long-term objectives.

Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table

As we desired to retain our cash to fund our growth, we did not pay any bonuses to our executive officers during our fiscal years ended September 30, 2008 and 2007. The bonuses paid to our executive officers in fiscal year ended 2006 were determined by our board of directors, and were based on the performance of the executive officer and the company. As discussed, we do not have a formal plan for determining the compensation of our executive officers. Instead, each named executive officer negotiates the terms of their employment with us, taking into account our compensation philosophy outlined above. The following is a summary of each employment agreement that we have entered into with respect to our named executive officers, which summary includes, where applicable, a description of all payments the company is required to make to such named executive officers at, following or in connection with the resignation, retirement or other termination of such named executive officers, or a change in control of our company or a change in the responsibilities of such named executive officers following a change in control.

Employment Agreements

George Carpenter

On October 1, 2007, after our 2007 fiscal year end, we entered into an Employment Agreement (the "Employment Agreement") with George Carpenter pursuant to which Mr. Carpenter serves as our President. During the period of his employment, Mr. Carpenter will receive a base salary of no less than \$180,000 per annum, which is subject to upward adjustment at the discretion of our board of directors. In addition, pursuant to the terms of the Employment Agreement, on October 1, 2007, Mr. Carpenter was granted an option to purchase 968,875 shares of our common stock at an exercise price of \$0.89 per share pursuant to our 2006 Stock Incentive Plan, which vests pursuant to the terms earlier described. In the event of a change of control transaction, a portion of Mr. Carpenter's unvested options equal to the number of unvested options at the date of the corporate transaction times the ratio of the time elapsed between October 1, 2008 and the date of the corporate transaction over the vesting period (48 months) will automatically accelerate, and become fully vested. Mr. Carpenter will be entitled to four weeks vacation per annum, health and dental insurance coverage for himself and his dependents, and other fringe benefits that we may offer our employees from time to time.

Mr. Carpenter's employment is on an "at-will" basis, and Mr. Carpenter may terminate his employment with us for any reason or for no reason. Similarly, we may terminate Mr. Carpenter's employment with or without cause. If we terminate Mr. Carpenter's employment without cause or Mr. Carpenter involuntarily terminates his employment with us (an involuntary termination includes changes, without Mr. Carpenter's consent or pursuant to a corporate transaction, in Mr. Carpenter's title or responsibilities so that he is no longer serving in his current position), Mr. Carpenter shall be eligible to receive as severance his salary and benefits for a period equal to six months payable in one lump sum of \$98,100 upon termination. If Mr. Carpenter is terminated by us for cause, or if Mr. Carpenter voluntarily terminates his employment, he will not be entitled to any severance.

Daniel Hoffman

On January 11, 2008, we entered into an Employment Agreement with Daniel Hoffman pursuant to which Dr. Hoffman began serving as our Chief Medical Officer effective January 15, 2008. During the period of his employment, Dr. Hoffman will receive a base salary of \$150,000 per annum, which is subject to upward adjustment. Dr. Hoffman will also have the opportunity to receive bonus compensation, if and when approved by our board of directors. Dr. Hoffman's employment is on an "at-will" basis, and Dr. Hoffman may terminate his employment with us for any reason or for no reason. Similarly, we may terminate Dr. Hoffman's employment with or without cause. If we terminate Dr. Hoffman's employment without cause or Dr. Hoffman involuntarily terminates his employment with us (an involuntary termination includes changes, without Dr. Hoffman's consent or pursuant to a corporate transaction, in Dr. Hoffman's title or responsibilities so that he is no longer the Chief Medical Officer of the company), Dr. Hoffman will be eligible to receive as severance his salary and benefits for a period equal to six months payable in one lump sum of \$92,000 upon termination. If Dr. Hoffman is terminated by us for cause, or if Dr. Hoffman voluntarily terminates his employment, he will not be entitled to any severance. Dr. Hoffman will be entitled to four weeks vacation per annum, health and dental insurance coverage for himself and his dependents, and other fringe benefits that we may offer our employees from time to time.

2006 Stock Incentive Plan

On August 3, 2006, CNS California adopted the CNS California 2006 Stock Incentive Plan (the "2006 Plan"). On March 7, 2007, in connection with the closing of the merger transaction with CNS California, we assumed the CNS California stock option plan and all of the options granted under the plan at the same price and terms. The following is a summary of the 2006 Plan, which we use to provide equity compensation to employees, directors and consultants to the company.

The 2006 Plan provides for the issuance of awards in the form of restricted shares, stock options (which may constitute incentive stock options (ISO) or nonstatutory stock options (NSO)), stock appreciation rights and stock unit grants to eligible employees, directors and consultants and is administered by the board of directors. A total of 10 million shares of stock are reserved for issuance under the 2006 Plan. As of September 30, 2008, there were 8,964,567 options and 183,937 restricted shares outstanding under the 2006 Plan and 851,496 shares available for issuance of awards. The 2006 Plan provides that in any calendar year, no eligible employee or director shall be granted an award to purchase more than 3 million shares of stock. The option price for each share of stock subject to an option shall be (i) no less than the fair market value of a share of stock on the date the option is granted, if the option is an ISO, or (ii) no less than 85% of the fair market value of the stock on the date the option is granted, if the option is a NSO; provided, however, if the option is an ISO granted to an eligible employee who is a 10% shareholder, the option price for each share of stock subject to such ISO shall be no less than 110% of the fair market value of a share of stock on the date such ISO is granted. Stock options have a maximum term of ten years from the date of grant, except for ISOs granted to an eligible employee who is a 10% shareholder, in which case the maximum term is five years from the date of grant. ISOs may be granted only to eligible employees.

In addition, please see the discussion below under the heading "*Transaction with Sail Venture Partners LP (formerly known as Odyssey Venture Partner II, L.P.)*" for a summary of a bridge financing transaction which closed on March 30, 2009, in which Mr. Brandt participated.

Transaction with Sail Venture Partners LP (formerly known as Odyssey Venture Partner II, L.P.)

In May 2005, April 2006 and July 2006, Odyssey Venture Partners II, L.P. of which David Jones is an affiliate, loaned CNS California an aggregate of approximately \$999,400 and purchased warrants to purchase approximately 523,305 shares of CNS California common stock, pursuant to the terms of certain Note and Warrant Purchase Agreements. In October 2006 Odyssey Venture Partners II, L.P. agreed to cancel the promissory notes and convert the loans, including all outstanding principal and accrued interest thereon, into 1,693,899 shares of CNS California's Series A-1 Preferred Stock and 52,907 shares of CNS California's Series A-2 Preferred Stock. At the closing of the merger transaction on March 7, 2007 pursuant to which CNS California became a wholly owned subsidiary of ours, the 1,693,899 shares of CNS California's Series A-1 Preferred Stock and 255,306 shares of CNS California's Series A-2 Preferred Stock converted into an aggregate of 1,949,205 shares of our common stock.

In October 2006, Odyssey Venture Partner II, L.P. invested \$800,000 in CNS California's mezzanine financing and received 792,080 shares of CNS California's Series B Preferred Stock and warrants to purchase 475,248 shares of CNS California's common stock. David Jones is one of the two board members that were designated by the holders of CNS California's Series B Preferred Stock pursuant to a Voting Agreement entered into in connection with the mezzanine financing and note conversion transaction. At the closing of the merger transaction on March 7, 2007 pursuant to which CNS California became a wholly owned subsidiary of ours, David Jones was appointed as a director of the company.

On March 7, 2007, Odyssey Venture Partners II, L.P. invested an aggregate of \$447,000 in the first closing of our private placement transaction in which we sold 5,840,374 "Investment Units" at \$1.20 per Investment Unit to institutional investors and other high net worth individuals, and received gross proceeds of approximately \$7.0 million. Each Investment Unit consists of one share of our common stock, and a five year non-callable warrant to purchase three-tenths of one share of our common stock, at an exercise price of \$1.80 per share. In exchange for its investment, Odyssey Venture Partners II, L.P. was issued 372,500 shares of our common stock and a warrant to purchase 111,750 shares of our common stock at an exercise price of \$1.80 per share.

On March 30, 2009, we executed two senior secured convertible promissory notes each in the principal amount of \$250,000 with SAIL Venture Partners, LP ("SAIL") and Brandt Ventures, GP ("Brandt"). David Jones, a member of our board of directors, is one of four managing members of Sail Venture Partners, LLC, which is the general partner of SAIL. Leonard Brandt, also a member of our board of directors and our former Chief Executive Officer, is the general partner of Brandt.

These notes accrue interest at the rate of 8% per annum and are due and payable upon a declaration by the note holder(s) requesting repayment, unless sooner converted into shares of our common stock (as described below), upon the earlier to occur of: (i) June 30, 2009 or (ii) an Event of Default (as defined in the notes), which includes the default that occurred as a result of Mr. Brandt no longer serving as our Chief Executive Officer effective as of April 10, 2009. The notes are secured by a lien on substantially all of our assets (including all intellectual property). In the event of a liquidation, dissolution or winding up of the company, unless Brandt and/or Sail informs us otherwise, we shall pay such investor an amount equal to the product of 250% multiplied by the principal and all accrued but unpaid interest outstanding on the note.

In concert with an equity financing transaction of at least \$1,500,000 (excluding any and all other debt that is converted), the principal and all accrued, but unpaid interest outstanding under the notes shall be automatically converted into the securities issued in the equity financing by dividing such amount by 90% of the per share price paid by the investors in such financing.

On May 14, 2009, we entered into a Bridge Note and Warrant Purchase Agreement with SAIL.

Pursuant to the Purchase Agreement, on May 14, 2009, SAIL purchased a Secured Promissory Note in the principal amount of \$200,000 from us. In order to induce SAIL to purchase the note, we issued to SAIL a warrant to purchase up to 100,000 shares of our common stock at a purchase price equal to \$0.25 per share. The warrant expires on the earlier to occur of May 31, 2016 or a change of control of the company.

The Purchase Agreement also provides that, at any time on or after June 30, 2009, and provided that certain conditions are satisfied by us, SAIL will purchase from us a second Secured Convertible Promissory Note in the principal sum of \$200,000 and will be issued a second warrant identical in terms to the warrant described above. The aforementioned conditions include our entry into a term sheet in which investors commit to participate in an equity financing by us of not less than \$2,000,000 (excluding any and all other debt that are to be converted).

The notes issued or issuable pursuant to the Purchase Agreement accrue interest at the rate of 8% per annum and are due and payable, unless sooner converted into shares of our common stock (as described below), upon the earlier to occur of: (i) a declaration by SAIL on or after June 30, 2009 or (ii) an Event of Default as defined in the notes. The note(s) are secured by a lien on substantially all of our assets (including all intellectual property). In the event of a liquidation, dissolution or winding up of the company, unless SAIL informs us otherwise, we shall pay SAIL an amount equal to the product of 250% multiplied by the principal and all accrued but unpaid interest outstanding on the note(s).

In the event we consummate an equity financing transaction of at least \$1,500,000 (excluding any and all other debt that is converted), then the principal and all accrued, but unpaid interest outstanding under the note(s) shall be automatically converted into the securities issued in the equity financing by dividing such amount by 85% of the per share price paid by the investors in such financing.

In addition, in the event we issue preferred stock that is not part of an equity financing described above, SAIL may, at its option, convert the principal and all accrued, but unpaid interest outstanding under the note(s) into preferred stock by dividing such amount by 85% of the per share price paid by the purchasers' of our preferred stock.

On August 26, 2009, the Company completed an equity financing transaction of approximately \$2 million. As a result of the financing, each of the notes described above that were held by SAIL and Brandt automatically converted into common stock, with SAIL receiving 1,758,356 shares and Brandt receiving 956,164 shares. In addition, pursuant to the terms of the notes, SAIL was issued a non-callable five year warrant to purchase 879,178 shares of common stock at an exercise price of \$0.30 per share and Brandt was issued a non-callable five year warrant to purchase 478,082 shares of common stock at an exercise price of \$0.30 per share.

In connection with the equity financing referred to above, on August 26, 2009, SAIL purchased 6 Units for \$324,000. Each Unit consists of 180,000 shares of common stock and a five year non-callable warrant to purchase an additional 90,000 shares of common stock at an exercise price of \$0.30 per share. The shares of common stock and warrants comprising the Units are immediately separable and were issued separately.

Subsequent to August of 2006, Dr. Hoffman has received cash payments of \$63,750 in consideration for his services to us, as well as an option to purchase 814,062 shares of our common stock at an exercise price of \$1.09 per share.

Transactions with John Pappajohn

On June 12, 2009, we entered into a Bridge Note and Warrant Purchase Agreement with Mr. John Pappajohn ("Pappajohn").

Pursuant to the Purchase Agreement, on June 12, 2009, Pappajohn purchased a Secured Convertible Promissory Note in the principal amount of \$1,000,000 from us. In order to induce Pappajohn to purchase the note, we issued to Pappajohn a warrant to purchase up to 3,333,333 shares of our common stock at a purchase price equal to \$0.30 per share. The warrant expires on June 30, 2016.

The note issued pursuant to the Purchase Agreement provides that the principal amount of \$1,000,000 together with a single Premium Payment of \$90,000 which is due and payable, unless sooner converted into shares of our common stock (as described below), upon the earlier to occur of: (i) a declaration by Pappajohn on or after June 30, 2010 or (ii) an Event of Default as defined in the note. The note is secured by a lien on substantially all of our assets (including all intellectual property). In the event of a liquidation, dissolution or winding up of the company, unless Pappajohn informs us otherwise, we shall pay Pappajohn an amount equal to the product of 250% multiplied by the then outstanding principal amount of the note and the Premium Payment.

In the event we consummate an equity financing transaction of at least \$1,500,000 (excluding any and all other debt that is converted), the then outstanding principal amount of the note (but excluding the Premium Payment, which will be repaid in cash at the time of such equity financing) shall be automatically converted into the securities issued in the equity financing by dividing such amount by the per share price paid by the investors in such financing.

On August 26, 2009, the Company completed an equity financing transaction of approximately \$2 million. As a result of the financing, the note described above held by Mr. Pappajohn automatically converted into common stock, with Mr. Pappajohn receiving 3,333,334 shares. In addition, pursuant to the terms of the note, Mr. Pappajohn received a five year non-callable warrant to purchase 1,666,667 shares of common stock at an exercise price of \$0.30 per share.

In connection with the equity financing referred to above, on August 26, 2009, Mr. Pappajohn invested an additional \$1,000,000 in the Company. In exchange for his investment, the Company issued an additional 3,333,334 shares of common stock to Mr. Pappajohn and a five year non-callable warrant to purchase 1,666,667 shares of common stock at an exercise price of \$0.30 per share.

Transactions With Promoters And Control Persons

Prior to our merger with CNS California, which closed on March 7, 2007, Strativation, Inc. (now called CNS Response, Inc.) existed as a "shell company" with nominal assets whose sole business was to identify, evaluate and investigate various companies to acquire or with which to merge.

Shares for Debt Agreement

Prior to our merger with CNS California, on January 11, 2007, we entered into a Shares For Debt Agreement with Richardson & Patel LLP ("R&P"), our former legal counsel, pursuant to which we agreed to issue and R&P agreed to accept 645,846 restricted shares of our common stock (the "Shares") as full and complete settlement of a portion of the total outstanding debt in the amount of \$261,202 that we owed to R&P for legal services (the "Partial Debt"). On January 15, 2007, the company and R&P agreed to amend and restate the Shares for Debt Agreement to increase the number of Shares to be issued in settlement of such Partial Debt to 656,103 restricted shares of our common stock, which then represented 75.5% of our issued and outstanding common stock.

Registration Rights Agreement

On January 11, 2007, we entered into a Registration Rights Agreement in connection with the above referenced Shares For Debt Agreement with R&P and various other stockholders of the Corporation signatory thereto ("Majority Stockholders") in connection with the shares of the company acquired pursuant to the Shares For Debt Agreement and certain other transactions that took place on or around July 18, 2006. On January 15, 2007, the company and the Majority Stockholders agreed to amend and restate the Registration Rights Agreement to provide registration rights to the Majority Stockholders for up to 767,101 shares of our common stock held or to be acquired by them.

Merger Agreement

On January 16, 2007, we entered into an Agreement and Plan of Merger with CNS Response, Inc., a California corporation (or CNS California), and CNS Merger Corporation, a California corporation and our wholly-owned subsidiary that was formed to facilitate the acquisition of CNS California. On March 7, 2007, the merger with CNS California closed, CNS California became our wholly-owned subsidiary, and we changed our name from Strativation, Inc. to CNS Response, Inc.. At the Effective Time of the Merger (as defined in the Merger Agreement, as amended on February 23, 2007), MergerCo was merged with and into CNS California, the separate existence of MergerCo ceased, and CNS California continued as the surviving corporation at the subsidiary level. We issued an aggregate of 17,744,625 shares of our common stock to the stockholders of CNS California in exchange for 100% ownership of CNS California. Additionally, we assumed an aggregate of 8,407,517 options to purchase shares of common stock and warrants to purchase shares of common stock on the same terms and conditions as previously issued by CNS California. Pursuant to the Merger Agreement, our former sole director and executive officer, Silas Phillips, resigned as a director and executive officer of our company effective as of the closing of the merger, and the directors and officers of CNS California were appointed to serve as directors and officer of our company. Except for the Merger Agreement, as amended, and the transactions contemplated by that agreement, neither CNS California, nor the directors and officers of CNS California serving prior to the consummation of the Merger, nor any of their associates, had any material relationship with us, or any of our directors and officers, or any of our associates prior to the merger. Following the merger, the business conducted by the company is the business conducted by CNS California.

Pursuant to the terms of the Merger Agreement, we paid an advisory fee of \$475,000 to Richardson & Patel, LLP, our former legal counsel and a principal shareholder, immediately upon the closing of the merger.
