On June 3, 2010, CNS Response Inc. (the "Company") entered into a Bridge Note and Warrant Purchase Agreement (the "Purchase Agreement") with John Pappajohn ("Investor"), pursuant to which, on June 3, 2010, Mr. Pappajohn loaned the Company \$250,000. The note relating to the loan matures on December 2, 2010.

The Purchase Agreement provides for the Investor to purchase two secured promissory notes (each, a "Note") in the aggregate principal amount of \$500,000, with each Note in the principal amount of \$250,000. The Company has agreed to issue to the Investor a warrant to purchase up to 250,000 shares of common stock (the "Warrant") only upon the issuance of the second Note, at an exercise price (subject to customary anti-dilution adjustments) equal to the fair market value per share at the time of issuance of the Warrant. Issuance of the Warrant to the Investor is subject to and conditioned upon the purchase by the Investor of the second Note. The Company and the Investor will execute a registration rights agreement covering the securities issuable upon exercise of the Warrant.

Each Note accrues interest at a rate of 9% per annum which will be paid together with the repayment of the principal amount at the earliest of (i) the maturity date; (ii) prepayment of the Note at the option of the Company (iii) closing of a financing in which the aggregate proceeds to the Company are not less than \$3,000,000 or (iv) the occurrence of an Event of Default (as defined in the Note). The Purchase Agreement and each Note grants the Investor a senior security interest in and to all of the Company's existing and future right, title and interest in its tangible and intangible property. Each Note includes provisions intended to protect the right of the holder of the Note.

The Purchase Agreement, form of Note, and form of Warrant are attached as Exhibits 10.1, 10.2 and 10.3 hereto and are incorporated by reference herein. The foregoing description of the Purchase Agreement and the Notes and Warrant issuable pursuant thereto does not purport to be complete and is qualified in its entirety by reference to the full text of the aforementioned exhibits.

BRIDGE NOTE AND WARRANT PURCHASE AGREEMENT

THIS BRIDGE NOTE AND WARRANT PURCHASE AGREEMENT (this "Agreement") is made as of June 3, 2010 by and between CNS Response, Inc., a Delaware corporation (the "Company"), and Mr. John Pappajohn (the "Investor").

Agreement

In consideration for the mutual promises and covenants herein, the parties agree as follows:

Section 1 – Purchase and Sale of Notes and Warrant

1.1 Agreement to Purchase and Sell Notes and Warrant

a) Purchase and Sale. Subject to the terms and conditions of this Agreement, the Investor agrees to purchase, and the Company agrees to sell and issue to the Investor, two Secured Promissory Notes in the aggregate principal amount of \$500,000, with each in the individual principal amount of \$250,000, each substantially in the form attached hereto as Exhibit A (the "Note(s)"), at the closing and second closing (the "Closing" and the "Second Closing", respectively). In addition, in order to induce the Investor to purchase the Notes, the Company shall issue to the Investor at the Second Closing a warrant in the form attached hereto as Exhibit B (the "Warrant") that will permit the Investor to purchase up to 250,000 shares of common stock of the Company ("Common Stock") at a purchase price equal to the fair market value per share at the time of the issuance of such Warrant, it being understood and agreed by the parties that the Company's obligation to issue the Warrant is subject to and conditioned upon the occurrence of the Second Closing.

b) Repayment of Notes. All unpaid principal, together with the accrued interest and other amounts payable under the Notes purchased and sold under this Agreement shall be due and payable, on the earliest of (i) the maturity date of December 2, 2010, (ii) upon prepayment of the Notes in accordance with the terms of the Notes, (iii) the closing of a financing in which the aggregate proceeds to the Company are not less than \$3,000,000 (which, for the purposes of clarity, shall include a financing transaction that involves multiple closings), or (iv) when, upon or after the occurrence of an Event of Default (as defined in the Notes).

c) Securities. The Notes and Warrant issued pursuant to this Agreement, and any securities issuable upon exercise of such Warrant, are referred to herein as the "Securities."

1.2 Closing

a) The Closing shall take place at the offices of the Company at 10:00 a.m., California time, on the date hereof, or at such other location, date and time as may be agreed upon by the Investor and the Company (the "Closing Date"). At the Closing, the Company shall issue and deliver to the Investor the Note, in the principal amount of \$250,000, which shall be acknowledged and agreed to by the Investor. As payment in full for such Note, the Investor shall deliver to the Company a check payable to the order of the Company in the amount of \$250,000, or transfer such sum to the account of the Company by wire transfer. The obligation of the Investor to purchase and pay for the Note at the Closing is, unless waived by the Investor, subject to the condition that the Company's representations and warranties contained in Section 2 are true, complete and correct on and as of the Closing Date. The obligation of the Company to sell and issue the Note at the Closing is, unless waived by the Company, subject to the condition that the Investor's representations and warranties contained in Section 3 are true, complete and correct on and as of the Closing Date.

1.3 Second Closing.

b) The Second Closing shall take place at the offices of the Company at 10:00 a.m., California time, on the date mutually agreed to by the Investor and Company, or at such other location, date and time as may be agreed upon by the Investor and the Company (the "**Second Closing Date**"). At the Second Closing, the Company shall issue and deliver to the Investor the Note, in the principal amount of \$250,000, and Warrant described in Section 1.1(a), both of which shall be acknowledged and agreed to by the Investor. As payment in full for such Note, the Investor shall deliver to the Company a check payable to the order of the Company in the amount of \$250,000, or transfer such sum to the account of the Company by wire transfer. As payment in full for such Warrant, the Investor shall deliver to the Company a check payable to the order of the Company in the amount of \$20, or transfer such sum to the account of the Company by wire transfer, which the parties agree is the fair market value of the Warrant being so issued. The obligation of the Investor to purchase and pay for the Note and Warrant at the Second Closing is, unless waived by the Investor, subject to the condition that the Company's representations and warranties contained in Section 2 are true, complete and correct on and as of the Second Closing Date. The obligation of the Company to sell and issue the Note and Warrant at the Second Closing is, unless waived by the Company, subject to the condition that the Investor's representations and warranties contained in Section 3 are true, complete and correct on and as of the Second Closing Date.

**Section 2 - Representations and Warranties
of the Company**

The Company represents and warrants to the Investor as follows:

2.1 Existence of Company. The Company is a duly organized Delaware corporation. The Company is validly existing in all jurisdictions where it conducts its business.

2.2 Authority to Execute. The execution, delivery and performance by the Company of (i) this Agreement, (ii) the Notes and the Warrant to be issued pursuant to the terms of this Agreement, and (iii) any financing statements thereunder (collectively, the "**Loan Documents**") are within the Company's corporate powers, have been duly authorized by all necessary corporate action, do not and will not conflict with any provision of law or organizational document of the Company (including its Certificate of Incorporation or Bylaws) or of any agreement or contractual restrictions binding upon or affecting the Company or any of its property and need no further stockholder or creditor consent.

2.3 No Stockholder Approval Required. No approval of the Company's stockholders is required for (i) the entry by the Company into this Agreement, (ii) the issuance of the Notes and Warrant contemplated by this Agreement, (iii) the granting of the security interest under the terms of such Note or (iv) the issuance of any shares of stock upon exercise of such Warrant.

2.4 Valid Issuance. The shares of stock to be issued upon exercise of the Warrant contemplated by this Agreement will be, upon payment of the exercise price therefor in accordance with the terms of such Warrant, validly issued, fully paid and nonassessable and free of restrictions on transfer other than restrictions on transfer under the Loan Documents, the documents entered into by the investors and other parties in the financing giving rise to repayment of the Notes, applicable state and federal securities laws and liens or encumbrances created by or imposed by the Investor. Assuming the accuracy of the representations of the Investor in Section 3 of this Agreement, such Notes and Warrant and the shares of stock to be issued upon exercise of such Warrant will be issued in compliance with all applicable federal and state securities laws. The issuance of such Notes, Warrant and shares will not trigger any anti-dilution protections.

2 . 5 Binding Obligation. This Agreement is, and the other Loan Documents when delivered hereunder will be, legal, valid and binding obligations of the Company enforceable against the Company in accordance with their respective terms, subject, as to enforcement of remedies, to applicable bankruptcy, insolvency, moratorium, reorganization and similar laws affecting creditors' rights generally and to general equitable principles.

2 . 6 Litigation. Other than the litigation disclosed in the Company's most recent SEC Reports, no litigation or governmental proceeding is pending or threatened against the Company which may have a materially adverse effect on the financial condition, operations or prospects of the Company, and to the knowledge of the Company, no basis therefore exists.

2 . 7 Intellectual Property. To the best of the Company's knowledge, the Company owns or possesses sufficient legal rights to all patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses, information and other proprietary rights and processes necessary for its business as now conducted and as presently proposed to be conducted, without any known infringement of the rights of others. There are no outstanding options, licenses or agreements of any kind relating to the foregoing proprietary rights, nor is the Company bound by or a party to any options, licenses or agreements of any kind with respect to the patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses, information and other proprietary rights and processes of any other person or entity other than such licenses or agreements arising from the purchase of "off the shelf" or standard products.

2 . 8 SEC Reports. The Company has timely filed all forms, reports, schedules, proxy statements, registration statements and other documents (including all exhibits thereto) required to be filed by it with the Securities and Exchange Commission (the "SEC") pursuant to the federal securities laws and the SEC rules and regulations thereunder, together with all certifications required pursuant to the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act") (as they have been amended since the time of their filing, including all exhibits thereto, the "SEC Reports"). Each of the SEC Reports complied in all material respects with the applicable requirements of the Securities Act of 1933, as amended (the "Securities Act") and the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Sarbanes-Oxley Act and the rules and regulations of the SEC under all of the foregoing. None of the SEC Reports contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

Section 3 - Representations and Warranties of the Investor

The Investor represents and warrants to the Company as follows:

3.1 Authorization; Binding Obligations. The Investor has full power and authority to enter into this Agreement and each of the other Loan Documents to which he is a party, and this Agreement and each other Loan Document constitutes a valid and legally binding obligation of the Investor, enforceable against the Investor in accordance with its terms, subject, as to enforcement of remedies, to applicable bankruptcy, insolvency, moratorium, reorganization and similar laws affecting creditors' rights generally and to general equitable principles.

3.2 Accredited Investor. The Investor is an “accredited investor” within the meaning of SEC Rule 501 of Regulation D promulgated under the Securities Act.

3.3 Investment for Own Account. The Notes and Warrant issued pursuant to this Agreement and the shares of stock to be issued upon exercise of such Warrant are being acquired for his own account, for investment and not with a view to, or for resale in connection with, any distribution or public offering thereof within the meaning of the Securities Act.

Section 4 - Covenants of the Company

4.1 Registration Rights Agreement. Notwithstanding any provision in the Loan Documents to the contrary, the Company agrees that all securities issued upon exercise of the Warrant contemplated by this Agreement will be subject to a Registration Rights Agreement between the Company and Investor. In the event that the terms of such Notes and Warrant do not provide for such a Registration Rights Agreement, the Company agrees to work with Investor in good faith to prepare and execute such a Registration Rights Agreement on terms reasonably satisfactory to Investor at the time such Warrant is exercised.

4.2 Restrictive Covenants. Without the consent of Investor, the Company shall not:

- a) effect a merger, reorganization, or sell, exclusively license or lease, or otherwise dispose of any assets of the Company with a value in excess of \$20,000, other than in the ordinary course of business;
- b) borrow, guaranty or otherwise incur indebtedness in excess of \$100,000;
- c) acquire all or substantially all of the properties, assets or stock of any other corporation or entity or assets with a value greater than \$50,000; or
- d) form, contribute capital or assets to, or make a loan or advance in excess of \$50,000 to (i) any partially-owned or wholly-owned subsidiary formed or acquired after the date of this Agreement, (ii) a joint venture or (iii) a similar business entity;

provided, however, that the rights of the Investor under this Section 4.2 shall not apply (1) after the repayment in full of the Notes or (2) in connection with a transaction that provides for the repayment in full of the Notes upon the closing of such transaction.

Section 5 - Security Agreement

5.1 Grant of Security Interest.

a) The Company, in consideration of the indebtedness evidenced by the Notes, hereby grants and conveys to the Investor a security interest in and to all of the Company’s existing and future right, title and interest in, to and under the Collateral as defined in Section 5.2 below.

b) The Investor and Company agree that the indebtedness evidenced by the Notes is and shall be senior in right of payment to all presently existing and hereafter arising indebtedness for borrowed money of the Company, and any other indebtedness of the Company. The Investor and Company further agree that all liens and security interests at any time granted by the Company to secure the Notes, including the Collateral, are and shall be senior to all other, including hereafter arising, liens and security interests in the assets of the Collateral which secure any and all other indebtedness. The Company has taken, and will take, all actions necessary to make the statements in this Section 5.1(b) true.

5.2 Property. The property subject to the security interest (the “*Collateral*”) is as follows:

a) *Equipment and Fixtures*. All equipment of every type and description owned by the Company, including (without limitation) all present and future machinery, furniture, fixtures, manufacturing equipment, shop equipment, office and recordkeeping equipment, parts, tools, supplies and other goods (except inventory) used or bought for use by the Company for any business or enterprise and including all goods that are or may be attached or affixed to or otherwise become fixtures upon any real property.

b) *Accounts Receivable and Other Intangibles*. All of the Company’s accounts, chattel paper, contract rights, commissions, warehouse receipts, bills of lading, delivery orders, drafts, acceptances, notes, securities and other instruments; documents; general intangibles, patents and trademarks, applications for patents and trademarks including, but not limited to, the patent application entitled “Method for Classifying and Treating Physiologic Brain Imbalances Using Quantitative EEG,” know-how, proprietary information, all software source and object code whether created or licensed by the Company, all data that comprises the QEEG patient database, all forms of receivables, and all guaranties and securities therefore.

c) *Inventory and Other Tangible Personal Property*. All of the Company’s inventory, including all goods, merchandise, materials, raw materials, work in progress, finished goods, now owned or hereinafter acquired and held for sale or lease or furnished or to be furnished under contracts or service agreements or to be used or consumed in the Company’s business and all other tangible personal property of the Company.

d) *After-Acquired Property*. All property of the types described in Sections 5.2(a)-(c), or similar thereto, that at any time hereafter may be acquired by Company including, but not limited to, all accessions, parts, additions and replacements.

e) *Products and Proceeds*. All products and proceeds of the Collateral from the sale or other disposition of any of the Collateral described or referred to in Sections 5.2(a)-(d), including (without limitation) all accounts, instruments, chattel paper or other rights to payment, money, insurance proceeds and all refunds of insurance premiums due or to become due under all insurance policies covering the forgoing property.

Notwithstanding the foregoing, the security interest granted herein shall not extend to and the term “Collateral” shall not include any contract right or licenses to the extent that any such contract or license prohibits the granting of a security interest therein, and the granting of a security interest in such contract or license would cause the Company to be in breach thereof or otherwise lose its rights thereunder.

5 . 3 Removal of Collateral Prohibited. The Company shall not permanently remove the Collateral from its premises without the written consent of the Investor, except that the Company may dispose of Collateral in the ordinary course of business.

5.4 Protection of Security Interest. If an Event of Default has occurred under the Notes and is continuing, or if any action or proceeding is commenced which materially adversely affects the Collateral or title under the Notes or the senior right of payment or other interest of the Investor, then the Investor may make such appearance, disburse such sums and take such action as he deems necessary to protect his interest, including but not limited to: (a) disbursement of reasonable attorney's fees; (b) entry upon the Company's property to make repairs to the Collateral; and (c) procurement of satisfactory insurance that is reasonable under the circumstances; provided, however, the Investor may undertake the foregoing only if he has first provided written notice of the Event of Default to the Company, and the Company has failed to cure such Event of Default within ten (10) days of receipt of such notice. Any amounts disbursed by the Investor pursuant to this Section 5.4, with interest thereon, shall become additional indebtedness of the Company secured by this Section 5. Unless the Company and the Investor agree to other terms of payment, such amounts shall be immediately due and payable, and if the Investor notifies the Company within five (5) days of such disbursement, all such amounts shall bear interest from the date which is ten (10) days following the date of disbursement at the rate stated in the Notes.

5.5 Forbearance by Investor Not a Waiver. Any forbearance by the Investor in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of, any right or remedy. The acceptance by the Investor of payment of any sum secured by the Notes after the due date of such payment shall not be a waiver of the right of the Investor to either require prompt payment when due of all other sums so secured or to declare a default for failure to make prompt payment. No action taken by the Investor shall waive the right of the Investor to accelerate the indebtedness secured by this Section 5 and seek such other remedies as are provided by the Notes and/or applicable law.

5.6 Uniform Commercial Code Security Agreement. This Section 5 is intended to be a security agreement pursuant to the Uniform Commercial Code (the "UCC") for any of the items specified in the Notes as part of the Collateral which, under applicable law, may be subject to a security interest pursuant to the UCC, and the Company hereby grants the Investor a security interest in said items. The Company agrees that any previously filed document in any jurisdiction intended to perfect a previously granted security interest, also perfects the security interest granted herein, and that the Investor may file any appropriate document in the appropriate jurisdiction as a financing statement for any of the Collateral, if deemed necessary by Investor. In addition, the Company agrees to execute and deliver to the Investor, upon his request, any financing statements, as well as extensions, renewals and amendments thereof, and reproductions of the Notes in such form as the Investor may require to perfect a security interest with respect to the Collateral. The Company shall pay all costs of filing such financing statements and any extensions, renewal, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements the Investor may reasonably require. Upon the occurrence and during the continuance of an Event of Default under the Notes, the Investor shall have the remedies of a secured party under the UCC and may exercise all rights and remedies available under the UCC and the Notes.

5.7 Rights of Investor.

a) Upon the occurrence of an Event of Default under the Notes, the Investor may require the Company to assemble the Collateral and make it available to the Investor at the place to be designated by the Investor which is reasonable convenient to both parties. The Investor may sell all or any part of the Collateral as a whole or in parcels either by public auction, private sale, or other method of disposition pursuant to UCC. The Investor may bid at any public sale on all or any portion of the public sale or of the Collateral. The Investor shall give the Company reasonable notice of the time and place of any public sale or of the time after which any private sale or other disposition of the Collateral is to be made, and notice given at least ten (10) days before the time of the sale or other disposition shall be conclusively presumed to be reasonable.

b) Notwithstanding any provision of the Notes, the Investor shall be under no obligation to offer to sell the Collateral. In the event the Investor offers to sell the Collateral, the Investor will be under no obligation to consummate a sale of the Collateral if, in his reasonable business judgment, none of the offers received by him reasonably approximates the fair value of the Collateral.

c) In the event the Investor elects not to sell the Collateral, the Investor may elect to follow the procedures set forth in the UCC for retaining the Collateral in satisfaction of the Company's obligation, subject to the Company's rights under such procedures.

5.8 Remedies Cumulative. Each remedy provided herein or in the Notes is distinct and cumulative to all other rights or remedies provided herein or in the Notes or afforded by law or equity, and may be exercised concurrently, independently, or successively, in any order whatsoever.

Section 6 - Miscellaneous

6.1 No Waiver; Cumulative Remedies. No failure or delay on the part of any party to any Loan Document in exercising any right or remedy under, or pursuant to, any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy or power preclude other or further exercise thereof, or the exercise of any other right, remedy or power. The remedies in the Loan Documents are cumulative and are not exclusive of any remedies provided by law.

6.2 Amendments and Waivers. No amendment or waiver of any provisions of this Agreement or the Notes and Warrant that may be issued pursuant to this Agreement shall be effective unless such amendment or waiver is in writing signed by the Company and the Investor. Any such amendment, waiver or modification effected in accordance with this paragraph shall be binding upon both the Company and the Investor.

6.3 Notices, Etc. All notices, requests, consents and other communications hereunder to any party shall be deemed to be sufficient if contained in a written instrument delivered in person, sent by facsimile transmission to the number set forth on the signature page hereof only if a hard copy is sent by U.S. mail to the recipient within 24 hours of facsimile transmission, or such other number as may hereinafter be designated in writing by the recipient to the sender, or duly sent by first class registered or certified mail, return receipt requested, postage prepaid, or overnight delivery service (*e.g.*, Federal Express) addressed to such party at the address set forth on the signature page hereof or such other address as may hereafter be designated in writing by the addressee to the sender. All such notices, advises and communications shall be deemed to have been received: (a) in the case of personal delivery, on the date of such delivery; (b) in the case of facsimile transmission, on the date of transmission; and (c) in the case of mailing or delivery by service, on the date of delivery as shown on the return receipt or delivery service statement.

6.4 Costs and Expenses. The Company agrees to be responsible for its costs and expenses incurred in connection with the preparation of the Loan Documents and to reimburse Investor for all of its costs and expenses incurred in connection with the preparation of the Loan Documents, including legal fees of the Investor's outside counsel. If any litigation, contest, dispute, suit, proceeding or action is instituted between or among any of the parties hereto regarding the enforcement or interpretation of this Agreement or any of the Exhibits hereto, the prevailing party shall be entitled to reimbursement from the other party or parties for all reasonable expenses, costs, charges and other fees (including legal fees) incurred in connection with or related to such dispute.

6.5 Governing Law. The Loan Documents shall be governed by and construed in accordance with the laws of the State of California, without regard to the conflicts of law provisions of the State of California or of any other state; provided, however, that the perfection of the security interests in the Collateral shall be governed and controlled by the laws of the relevant jurisdiction or jurisdictions under the UCC. The Company and Investor consent to personal jurisdiction in Orange County, California.

6.6 Severability. If any term in this Agreement is held to be illegal or unenforceable, the remaining portions of this Agreement shall not be affected, and this Agreement shall be construed and enforced as if this Agreement did not contain the term held to be illegal or unenforceable.

6.7 Binding Effect; Assignment. The Loan Documents shall be binding upon and inure to the benefit of the Company and the Investor and their respective successors and assigns. The Company may not assign its rights or interest under the Loan Documents without the prior written consent of Investor.

6.8 Transfer of Securities. Notwithstanding the legend required to be placed on the Securities by applicable law, no registration statement or opinion of counsel shall be necessary: (a) for a transfer of Securities to the estate of the Investor or for a transfer of Securities by gift, will or intestate succession of the Investor to his spouse or to the siblings, lineal descendants or ancestors of Investor or his spouse, if the transferee agrees in writing to be subject to the terms hereof to the same extent as if he or she were the original Investor hereunder; or (b) for a transfer of Securities pursuant to SEC Rule 144 or any successor rule, or for a transfer of Securities pursuant to a registration statement declared effective by the SEC under the Securities Act relating to the Securities.

6.9 Survival of Representations, Warranties and Covenants. The representations and warranties of the parties contained in or made pursuant to this Agreement shall survive the execution and delivery of this Agreement indefinitely, and shall in no way be affected by any investigation of the subject matter thereof made by or on behalf of the other parties. The covenants of the parties contained in or made pursuant to this Agreement shall survive the execution and delivery of this Agreement until such time as the Notes have been paid in full.

6.10 California Commissioner of Corporations. THE SALE OF THE SECURITIES WHICH ARE THE SUBJECT OF THIS AGREEMENT HAS NOT BEEN QUALIFIED WITH THE COMMISSIONER OF CORPORATIONS OF THE STATE OF CALIFORNIA AND THE ISSUANCE OF THE SECURITIES OR PAYMENT OR RECEIPT OF ANY PART OF THE CONSIDERATION FOR SUCH SECURITIES PRIOR TO THE QUALIFICATION IS UNLAWFUL, UNLESS THE SALE OF SECURITIES IS EXEMPT FROM QUALIFICATIONS BY SECTION 25100, 25102 OR 25105 OF THE CALIFORNIA CORPORATIONS CODE. THE RIGHTS OF ALL PARTIES TO THIS AGREEMENT ARE EXPRESSLY CONDITIONED UPON SUCH QUALIFICATION BEING OBTAINED, UNLESS THE SALE IS SO EXEMPT.

2. **Interest Payment.** Subject to Section 3, the Interest Payment shall be payable at the same time the principal amount of the Note is repaid as described in the first paragraph hereof.

3. **Prepayment.** This Note may be prepaid, in whole or part, at any time by the Company. All prepayment amounts shall first be applied to any accrued interest with the remainder applied towards the outstanding principal (“**Full Prepayment**” or “**Partial Prepayment**”). Investor agrees to deliver the original of this Note (or a notice to the effect that the original Note has been lost, stolen or destroyed along with an indemnity with respect thereto in a form satisfactory to the Company) at the closing of the Full Prepayment for cancellation or Partial Prepayment for the appropriate principal adjustment; *provided, however*, that upon Full Prepayment of the amounts set forth above with respect to the Outstanding Debt, the Outstanding Debt shall be deemed satisfied and paid in full and the Company shall have no other obligation with respect to the Outstanding Debt, whether or not this Note is delivered for cancellation as set forth in the preceding sentence.

4. **Notice of Defaults.** The Company shall furnish to Investor written notice of the occurrence of any Event of Default hereunder promptly following the occurrence thereof.

5. **Events of Default.**

(a) The occurrence of any of the following shall constitute an “**Event of Default**”:

(i) Failure of the Company to pay the principal or the Interest Payment on this Note when due.

(ii) Failure of the Company to perform or observe any covenant or agreement as required by this Note and continuation of such failure for a period of ten (10) days following written notice from Investor.

(iii) The Company makes a general assignment for the benefit of creditors.

(iv) Any proceeding is instituted by or against the Company seeking to adjudicate it bankrupt or insolvent, and such proceeding is not dismissed within sixty (60) days.

(v) The entry against the Company of a final judgment, decree or order for the payment of money in the excess of \$25,000 and the continuance of such judgment, decree or order unsatisfied for a period of thirty (30) days without a stay of execution.

(vi) Any representation or warranty of the Company made in this Note is proven not to have been true and correct in any material respect as of the date of this Note.

(b) If an Event of Default occurs and is continuing, Investor may exercise any or all of the following rights and remedies:

(i) Declare the Note and the Interest Payment be immediately due and payable, and upon such declaration, the Note and the Interest Payment shall immediately be due and payable, without presentment, demand, protest or any notice of any kind, all of which are expressly waived.

(ii) Exercise any and all other rights and remedies available to Investor under Section 5 of the Purchase Agreement and otherwise available to creditors at law and in equity.

6. **Successors and Assigns.** Subject to the restrictions on transfer described in Sections 8 and 10 below, the rights and obligations of the Company and Investor shall be binding upon and benefit the successors, assigns, heirs, administrators and transferees of the parties.

7. **Waiver and Amendment.** Any provision of this Note may be amended, waived or modified upon the written consent of the Company and Investor. Any such amendment, waiver or modification effected in accordance with this paragraph shall be binding upon the Company and Investor.

8. **Transfer of this Note.** With respect to any offer, sale or other disposition of this Note, Investor will give written notice to the Company prior thereto, describing briefly the manner thereof, together with a written opinion of Investor's counsel, or other evidence if reasonably satisfactory to the Company, to the effect that such offer, sale or other distribution may be effected without registration or qualification (under any federal or state law then in effect, as applicable). Upon receiving such written notice and reasonably satisfactory opinion, if so requested, or other evidence, the Company, as promptly as practicable, shall notify Investor that Investor may sell or otherwise dispose of this Note, all in accordance with the terms of the notice delivered to the Company. This Note thus transferred shall bear a legend as to the applicable restrictions on transferability in order to ensure compliance with the Act, unless in the opinion of counsel for the Company such legend is not required in order to ensure compliance with the Securities Act. The Company may issue stop transfer instructions to its transfer agent in connection with such restrictions. Subject to the foregoing, transfers of this Note shall be registered upon registration books maintained for such purpose by or on behalf of the Company. Prior to presentation of this Note for registration of transfer, the Company shall treat the registered holder hereof as the owner and holder of this Note for the purpose of receiving all payments of principal and the Premium Payment and for all other purposes whatsoever, whether or not this Note shall be overdue and the Company shall not be affected by notice to the contrary. Notwithstanding the foregoing, Investor may assign this Note to an affiliated entity without the prior written consent of the Company so long as such assignment complies with applicable law.

9. **Representations and Warranties.**

(a) Investor represents and warrants to the Company that:

(i) *Authorization.* Investor has full power and authority to enter into this Note. This Note constitutes a valid and legally binding obligation of Investor, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity.

13. *Payment.* Payment shall be made in lawful tender of the United States.

14. *Expenses; Waivers.* If this Note is not paid when due and Investor takes any action to enforce Investor's rights hereunder, the Company shall promptly pay upon demand by Investor all such reasonable costs of collection, including reasonable attorneys' fees, whether or not litigation is commenced. The Company hereby waives notice of default, presentment or demand for payment, protest or notice of nonpayment or dishonor and all other notices or demands relative to this instrument. The Company also shall pay for all attorney's fees incurred by Investor related to the drafting and preparation of this Note.

JOHN PAPPAJOHN

WARRANT TO PURCHASE SHARES

This Warrant is issued to Mr. John Pappajohn (“**Investor**”) by CNS Response, Inc., a Delaware corporation (the “**Company**”), pursuant to the terms of that certain Bridge Note and Warrant Purchase Agreement (the “**Agreement**”), dated June 3, 2010. All capitalized terms not defined in this Warrant shall have the meaning ascribed to them in the Agreement.

1. Purchase of Shares. Subject to the terms and conditions hereinafter set forth and set forth in the Agreement, the holder of this Warrant is entitled, upon surrender of this Warrant at the principal office of the Company (or at such other place as the Company shall notify the holder hereof in writing), to purchase from the Company up to 250,000 fully paid and nonassessable Shares (as defined below) at the Exercise Price (as defined below).

2. Definitions.

(a) Exercise Price. The exercise price for the Shares initially shall be \$FMV per share (such price, as adjusted from time to time, is herein referred to as the “**Exercise Price**”).

(b) Exercise Period. This Warrant shall be exercisable, in whole or in part, during the term commencing on the date hereof and ending on the expiration of this Warrant pursuant to Section 14 hereof.

(c) The Shares. The term “**Shares**” shall mean shares of the Company’s common stock, par value \$0.001 per share.

3. Method of Exercise. While this Warrant remains outstanding and exercisable in accordance with the terms hereof, the holder may exercise, in whole or in part, the purchase rights evidenced hereby. Such exercise shall be effected by:

(i) the surrender of the Warrant, together with a notice of exercise in substantially the form attached hereto as Exhibit A to the Secretary of the Company at its principal offices; and

(ii) the payment to the Company of an amount equal to the aggregate Exercise Price for the number of Shares being purchased, either in cash (through a check payable to the Company or by wire transfer to an account designated by the Company) or as provided in Section 4 below.

4 . Net Exercise. In lieu of making a cash payment upon the exercise of this Warrant, the holder of this Warrant may, at such holder's option, elect to receive shares equal to the value of this Warrant (or the portion thereof being exercised) by surrender of this Warrant at the principal office of the Company together with notice of such election, in which event the Company shall issue to the holder hereof a number of Shares computed using the following formula:

$$X = \frac{Y (A - B)}{A}$$

Where

X — The number of Shares to be issued to the holder of this Warrant.

Y — The number of Shares purchasable under this Warrant.

A — The fair market value of one Share.

B — The Exercise Price (as adjusted to the date of such calculations).

For purposes of this Section 4, the fair market value of a Share shall mean the closing price of the Shares quoted in the over-the-counter market or any exchange on which the Shares are listed, whichever is applicable, as published in The Wall Street Journal on the date of determination of fair market value. If the Shares are not traded on the over-the-counter market or on an exchange, the fair market value shall be the price per Share that the Company could obtain from a willing buyer for Shares sold by the Company from authorized but unissued Shares, as such prices shall be determined in good faith by the Company's Board of Directors.

5. Certificates for Shares. Upon the exercise of the purchase rights evidenced by this Warrant, one or more certificates for the number of Shares so purchased shall be issued as soon as practicable thereafter, and in any event within thirty (30) days of the delivery of the subscription notice.

6. Issuance of Shares. The Company covenants that the Shares, when issued pursuant to the exercise of this Warrant, will be duly and validly issued, fully paid and nonassessable and free from all taxes, liens, and charges with respect to the issuance thereof.

7 . Adjustment of Exercise Price and Number of Shares. The number of and kind of securities purchasable upon exercise of this Warrant and the Exercise Price shall be subject to adjustment from time to time as follows:

(a) Subdivisions, Combinations and Other Issuances. If the Company shall at any time prior to the expiration of this Warrant subdivide the Shares, by split-up or otherwise, or combine its Shares, or issue additional shares of its Shares as a dividend, the number of Shares issuable on the exercise of this Warrant shall forthwith be proportionately increased in the case of a subdivision or stock dividend, or proportionately decreased in the case of a combination. Appropriate adjustments shall also be made to the purchase price payable per share, but the aggregate purchase price payable for the total number of Shares purchasable under this Warrant (as adjusted) shall remain the same. Any adjustment under this Section 7(a) shall become effective at the close of business on the date the subdivision or combination becomes effective, or as of the record date of such dividend, or in the event that no record date is fixed, upon the making of such dividend.

(b) Reclassification, Reorganization and Consolidation. In case of any reclassification, capital reorganization, or change in the capital stock of the Company (other than as a result of a subdivision, combination, or stock dividend provided for in Section 7(a) above), then the Company shall make appropriate provision so that the holder of this Warrant shall have the right at any time prior to the expiration of this Warrant to purchase, at a total price equal to that payable upon the exercise of this Warrant, the kind and amount of shares of stock and other securities and property receivable in connection with such reclassification, reorganization, or change by a holder of the same number of Shares as were purchasable by the holder of this Warrant immediately prior to such reclassification, reorganization, or change. In any such case appropriate provisions shall be made with respect to the rights and interest of the holder of this Warrant so that the provisions hereof, including Sections 7(a), shall thereafter be applicable with respect to any shares of stock or other securities and property deliverable upon exercise hereof, and appropriate adjustments shall be made to the purchase price per share payable hereunder, provided the aggregate purchase price shall remain the same.

(c) Ratchet. In the event the Company shall issue Shares, or securities convertible, exchangeable or exercisable into Shares (excluding in each case shares issued (i) in any of the transactions described in Subsections (a) and (b) above, (ii) upon exercise of options granted to the Company's employees, directors, consultants or officers under a plan or plans or individual compensation arrangements adopted by the Company's Board of Directors, if such shares would otherwise be included in this Subsection (c), (iii) upon conversion of shares or exercise of options and warrants outstanding as of the date hereof, or (iv) to shareholders of any Company which merges into the Company in proportion to their stock holdings of such Company immediately prior to such merger, upon such merger), for consideration per share, exercise price per share, conversion price per share or exchange price per share (as the case may be)("Offering Price") less than the then applicable Exercise Price, the Exercise Price shall be adjusted immediately thereafter so that it shall equal such Offering Price. Such adjustment shall be made successively whenever any such issuance is made.

(d) Notice of Adjustment. When any adjustment is required to be made in the number or kind of shares purchasable upon exercise of the Warrant, or in the Exercise Price, the Company shall promptly notify the holder of such event and of the number of Shares or other securities or property thereafter purchasable upon exercise of this Warrant.

8 . No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant, but in lieu of such fractional shares the Company shall make a cash payment therefor on the basis of the Exercise Price then in effect.

9. Representations of the Company. The Company represents and warrants to Holder that the representations and warranties made by the Company in Section 2 of the Agreement are true, correct and complete as of the date hereof. In addition, the Company represents that the Shares necessary for a cash exercise of this Warrant are duly reserved.

10. Representations and Warranties by the Holder. The Holder represents and warrants to the Company that the representations and warranties made by the Holder in Section 3 of the Agreement are true, correct and complete as of the date hereof.

11. Restrictive Legend.

The Shares (unless registered under the Securities Act of 1933, as amended (the "Act")) shall be stamped or imprinted with a legend in substantially the following form:

THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE OR DISTRIBUTION THEREOF, AND HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED. SUCH SHARES MAY NOT BE SOLD OR TRANSFERRED IN THE ABSENCE OF SUCH REGISTRATION OR AN EXEMPTION THEREFROM UNDER THE ACT AND ANY APPLICABLE STATE SECURITIES LAWS. COPIES OF THE AGREEMENT COVERING THE PURCHASE OF THESE SHARES AND RESTRICTING THEIR TRANSFER MAY BE OBTAINED AT NO COST BY WRITTEN REQUEST MADE BY THE HOLDER OF RECORD OF THIS CERTIFICATE TO THE SECRETARY OF THE COMPANY AT THE PRINCIPAL EXECUTIVE OFFICES OF THE COMPANY.

THE SALE OF SECURITIES WHICH ARE THE SUBJECT OF THIS AGREEMENT HAS NOT BEEN QUALIFIED WITH THE COMMISSIONER OF CORPORATIONS OF THE STATE OF CALIFORNIA AND THE ISSUANCE OF THE SECURITIES OR THE PAYMENT OR RECEIPT OF ANY PART OF THE CONSIDERATION THEREFOR PRIOR TO THE QUALIFICATION IS UNLAWFUL, UNLESS THE SALE OF SECURITIES IS EXEMPT FROM THE QUALIFICATION BY SECTION 25100, 25102 OR 25105 OF THE CALIFORNIA CORPORATIONS CODE. THE RIGHTS OF ALL PARTIES TO THIS AGREEMENT ARE EXPRESSLY CONDITIONED UPON THE QUALIFICATION BEING OBTAINED UNLESS THE SALE IS SO EXEMPT.

12. Warrants Transferable. Subject to compliance with the terms and conditions of this Section 12, this Warrant and all rights hereunder are transferable, in whole or in part, without charge to the holder hereof (except for transfer taxes), upon surrender of this Warrant properly endorsed or accompanied by written instructions of transfer. With respect to any offer, sale or other disposition of this Warrant or any Shares acquired pursuant to the exercise of this Warrant prior to registration of such Warrant or Shares, the holder hereof agrees to give written notice to the Company prior thereto, describing briefly the manner thereof, together with a written opinion of such holder's counsel, or other evidence, if requested by the Company, to the effect that such offer, sale or other disposition may be effected without registration or qualification (under the Act as then in effect or any federal or state securities law then in effect) of this Warrant or the Shares and indicating whether or not under the Act certificates for this Warrant or the Shares to be sold or otherwise disposed of require any restrictive legend as to applicable restrictions on transferability in order to ensure compliance with such law. Upon receiving such written notice and reasonably satisfactory opinion or other evidence, if so requested, the Company, as promptly as practicable, shall notify such holder that such holder may sell or otherwise dispose of this Warrant or such Shares, all in accordance with the terms of the notice delivered to the Company. If a determination has been made pursuant to this Section 12 that the opinion of counsel for the holder or other evidence is not reasonably satisfactory to the Company, the Company shall so notify the holder promptly with details thereof after such determination has been made. Each certificate representing this Warrant or the Shares transferred in accordance with this Section 12 shall bear a legend as to the applicable restrictions on transferability in order to ensure compliance with such laws, unless in the aforesaid opinion of counsel for the holder, such legend is not required in order to ensure compliance with such laws. The Company may issue stop transfer instructions to its transfer agent in connection with such restrictions. Notwithstanding the foregoing, Holder may assign this Warrant or the Shares into which such Warrant may be converted to an affiliated entity without the prior written consent of the Company so long as such assignment complies with applicable law.

13. Rights of Stockholders. No holder of this Warrant shall be entitled, as a Warrant holder, to vote or receive dividends or be deemed the holder of the Shares or any other securities of the Company which may at any time be issuable on the exercise hereof for any purpose, nor shall anything contained herein be construed to confer upon the holder of this Warrant, as such, any of the rights of a stockholder of the Company or any right to vote for the election of directors or upon any matter submitted to stockholders at any meeting thereof, or to give or withhold consent to any corporate action (whether upon any recapitalization, issuance of stock, reclassification of stock, change of par value, consolidation, merger, conveyance, or otherwise) or to receive notice of meetings, or to receive dividends or subscription rights or otherwise until the Warrant shall have been exercised and the Shares purchasable upon the exercise hereof shall have become deliverable, as provided herein.

14. Notices. All notices and other communications given or made hereunder shall be in writing and shall be deemed effectively given: (a) upon personal delivery to the party to be notified, (b) when sent by confirmed electronic mail or facsimile if sent during normal business hours of the recipient, and if not so confirmed, then on the next business day, with a copy to be sent by United States first class mail, postage prepaid, (c) five (5) days after being sent by registered or certified mail, return receipt required, postage prepaid, or (d) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All communications shall be sent to the respective parties at their address or fax number as set forth on the signature page to the Agreement or to such electronic mail address, facsimile number or address as subsequently modified by written notice given in accordance with this Section 14.

15. Governing Law. This Warrant and all actions arising out of or in connection with this Agreement shall be governed by and construed in accordance with the laws of the State of California, without regard to the conflicts of law provisions of the State of California or of any other state.

16. Rights and Obligations Survive Exercise of Warrant. Unless otherwise provided herein, the rights and obligations of the Company, of the holder of this Warrant and of the holder of the Shares issued upon exercise of this Warrant, shall survive the exercise of this Warrant.
