Item 1.01 Entry into a Material Definitive Agreement.

The description of the August 2012 Bridge Financing Purchase Agreement (as defined below) is incorporated by reference to Item 2.03 hereof.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On August 17, 2012, CNS Response, Inc. (the “Company”) entered into a new Note Purchase Agreement (the “Bridge Financing Purchase Agreement”) in connection with a bridge financing (the “Bridge Financing”), with SAIL Holdings LLC. Pursuant to the agreement, the Company issued senior secured convertible promissory notes (the “August 2012 Bridge Notes”) in the aggregate principal amount of \$100,000 to SAIL Holdings LLC for gross proceeds to the Company of \$100,000. SAIL Holdings LLC is an affiliate of SAIL Venture Partners LP, of which our director David Jones is a limited partner and former managing partner. On August 21 and 22, 2012, the Company issued, pursuant to the Bridge Financing Purchase Agreement, three additional August 2012 Bridge Notes in the aggregate principal amount of \$200,000 for gross proceeds to the Company of \$200,000 to three accredited investors.

The Bridge Financing Purchase Agreement provides for the issuance and sale of August 2012 Bridge Notes in the aggregate principal amount of up to \$2,000,000, in one or multiple closings to occur no later than October 15, 2012. The Bridge Financing Purchase Agreement also provides that the Company and the holders of the August 2012 Bridge Notes will enter into a registration rights agreement covering the registration of the resale of the shares underlying the August 2012 Bridge Notes.

The consummation of the Bridge Financing and issuance of the August 2012 Bridge Notes, and corresponding security interest, must be approved by the holders of a majority in aggregate principal amount outstanding (“Majority Holders”) of each tranche of our secured convertible promissory notes issued in October and November 2010 (the “October 2010 Notes”), secured convertible promissory notes issued between January and April 2011 (the “January 2011 Notes”), secured convertible promissory notes issued in October and November 2011 (the “October 2011 Notes”) and unsecured convertible promissory notes issued in February 2012 (the “February 2012 Notes”). If the Company does not obtain such consent, the holders could declare a default under such notes and seek all remedies available under such notes. So far, the Company has received indications from the Majority Holders of each of the tranches of notes that they would approve the Bridge Financing, issuance of the August 2012 Bridge Notes, and corresponding security interest; however, it is still negotiating the precise terms of the related approval and there can be no assurances that the Company will obtain such approval. The October 2010 Notes and January 2011 Notes are repayable on October 1, 2012, the October 2011 Notes are repayable beginning October 18, 2012, and the February 2012 Notes are repayable on February 28, 2013. The Company currently does not have sufficient funds to repay these tranches of notes.

The August 2012 Bridge Notes mature on the later of October 1, 2013 or one year from the date of issuance (subject to earlier conversion or prepayment), earn interest at a rate of 9% per year with interest payable at maturity, are convertible into shares of common stock of the Company at a conversion price of \$0.04718 and are secured by a first position security interest in the Company’s assets, with the security interest of all previously outstanding convertible promissory notes subordinated. Holders of the October 2010 Notes would hold a second position security interest and holders of the January 2011 and October 2011 Notes would hold a third position security interest, in the assets of the Company. The security interests relating to all such notes will be governed by the second amended and restated security agreement, dated as of August 16, 2012, between the Company and David Jones, as administrative agent for the secured parties (the “Second Amended and Restated Security Agreement”), which replaces the security agreement entered into in September 2011. David Jones is the Chairman of our Board of Directors and a limited partner and former managing partner of SAIL Venture Partners LP.

The conversion price is subject to adjustment upon (1) the subdivision or combination of, or stock dividends paid on, the common stock; (2) the issuance of cash dividends and distributions on the common stock; and (3) the distribution of other capital stock, indebtedness or other non-cash assets. At the completion of an offering by the Company of shares of common stock or shares of preferred stock in a financing transaction that is consummated after the final closing with respect to August 2012 Bridge Notes, such notes will be automatically converted into shares of common stock at the conversion price then in effect. In addition, the August 2012 Bridge Notes are convertible at any time at the option of their holders. The August 2012 Bridge Notes can be declared due and payable upon an event of default, defined in the August 2012 Bridge Notes to occur, among other things, if the Company fails to pay principal and interest when due, in the case of voluntary or involuntary bankruptcy or if the Company fails to perform any covenant or agreement as required by the August 2012 Bridge Notes or materially breaches any representation or warranty in the August 2012 Bridge Notes or the Bridge Financing Purchase Agreement. Among the restrictive covenants imposed on the Company pursuant to the Bridge Financing Purchase Agreement is a covenant not to borrow, guaranty or otherwise incur indebtedness that is senior or *pari passu* with the August 2012 Bridge Notes in excess of \$250,000, and a covenant not to effect a merger, reorganization, or sell, exclusively license or lease, or otherwise dispose of any assets of the Company with a value in excess of \$20,000, other than in the ordinary course of business.

The Second Amended and Restated Security Agreement and the corresponding security interest terminate upon the earlier of (a) repayment of the notes and (b)(1) with respect to the August 2012 Bridge Notes, if and when the Majority Holders of August 2012 Bridge Notes have converted their notes into shares of common stock, (2) with respect to the October 2010 Notes, if and when the Majority Holders of October 2010 Notes have converted their notes into shares of common stock and (3) with respect to the January 2011 and October 2011 Notes, if and when holders the Majority Holders of January 2011 and October 2011 Notes (on a combined basis) have converted their notes.

The form of August 2012 Bridge Note, Bridge Financing Purchase Agreement, and Second Amended and Restated Security Agreement are attached as Exhibits 4.1, 10.1 and 10.2 hereto and are incorporated by reference herein. The foregoing description of the August 2012 Bridge Notes, the Bridge Financing Purchase Agreement and the Second Amended and Restated Security Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of these exhibits.

Item 3.02 Unregistered Sales of Equity Securities.

The description of the August 2012 Bridge Notes is incorporated herein by reference to Item 2.03 hereof and the full text of the form of August 2012 Bridge Note is attached hereto as Exhibits 4.1.

The August 2012 Bridge Notes were issued by the Company under the exemption from registration afforded by Section 4(2) of the Securities Act of 1933, as amended, and Regulation D promulgated thereunder, as they were issued to accredited investors, without a view to distribution, and were not issued through any general solicitation or advertisement.

The Company shall pay any and all stock transfer, stamp, documentary and similar taxes (excluding any taxes on the income or gain of the Holder) that may be payable with respect to the issuance and delivery of shares of Common Stock to the Holder upon conversion of any Conversion Amount.

(ii) At the time specified in Section 6(c)(iii) hereof, the outstanding and unpaid Conversion Amount (as defined below) shall be automatically converted into fully paid and nonassessable shares of Common Stock in accordance with Section 6(c)(iii), at the Conversion Rate (as defined below). The Company shall not issue any fraction of a share of Common Stock upon any conversion. If the issuance would result in the issuance of a fraction of a share of Common Stock equal to or in excess of one half of one share, the Company shall round such fraction of a share of Common Stock up to the nearest whole share. The Company shall pay any and all stock transfer, stamp, documentary and similar taxes (excluding any taxes on the income or gain of the Holder) that may be payable with respect to the issuance and delivery of shares of Common Stock to the Holder upon conversion of any Conversion Amount.

(b) Conversion Rate. The number of shares of Common Stock issuable upon conversion of any Conversion Amount pursuant to Section 6(a) (the “**Conversion Rate**”) shall be determined by dividing (x) the Conversion Amount by (y) the Conversion Price.

“**Conversion Price**” means, as of any Conversion Date (as defined below) or other date of determination, **\$0.04718**, subject to adjustment as provided herein.

(c) Mechanics of Conversion.

(i) *Optional Conversion.* To convert any Conversion Amount into shares of Common Stock on any date (a “**Conversion Date**”), the Holder shall (A) transmit by facsimile (or otherwise deliver), for receipt on or prior to 4:00 p.m., New York Time, on such date, a copy of an executed notice of conversion in the form attached hereto as Exhibit I (the “**Conversion Notice**”) to the Company and (B) if required by Section 6(c)(ii), cause the Note to be delivered to the Company as soon as practicable on or following such date. On or before 4:00 p.m., New York Time, on the first (1st) Business Day following the date of receipt of a Conversion Notice, the Company shall transmit by facsimile a confirmation of receipt of such Conversion Notice to the Holder (at the facsimile number provided in the Conversion Notice) and the Company’s transfer agent, if any (the “**Transfer Agent**”). On or before 4:00 p.m., New York Time, on the third (3rd) Business Day following the date of receipt of a Conversion Notice (the “**Share Delivery Date**”), the Company shall issue and deliver to the address as specified in the Conversion Notice, a certificate, registered in the name of the Holder or its designee, for the number of shares of Common Stock to which the Holder shall be entitled. If the Note is physically surrendered for conversion as required by Section 6(c)(ii) and the outstanding principal of the Note is greater than the principal portion of the Conversion Amount being converted, then the Company shall as soon as practicable and in no event later than three (3) Business Days after receipt of the Note and at its own expense, issue and deliver to the Holder a new Note representing the outstanding principal not converted. The person or persons entitled to receive the shares of Common Stock issuable upon a conversion of the Note shall be treated for all purposes as the record holder or holders of such shares of Common Stock on the Conversion Date.

(ii) *Book-Entry.* Notwithstanding anything to the contrary set forth herein, upon conversion of any portion of the Note in accordance with the terms hereof, the Holder shall not be required to physically surrender the Note to the Company unless (A) the full Conversion Amount represented by the Note is being converted or (B) the Holder has provided the Company with prior written notice (which notice may be included in a Conversion Notice) requesting physical surrender and reissue of the Note. The Holder and the Company shall maintain records showing the principal and interest converted and the dates of such conversions or shall use such other method, reasonably satisfactory to the Holder and the Company, so as not to require physical surrender of the Note upon conversion.

(iii) *Mandatory Conversion.* Notwithstanding Sections 6(c)(i) and 6(c)(ii) hereof, the Conversion Amount shall be automatically converted into shares of Common Stock concurrently with the consummation of the Subsequent Financing (the date on which such conversion occurs, the '**Conversion Date**'). On or before 4:00 p.m., New York Time, on the tenth (10th) Business Day following such Conversion Date (the '**Share Delivery Date**'), the Company shall issue and deliver to the address specified in Schedule A hereto, a certificate, registered in the name of the Holder or its designee, for the number of shares of Common Stock to which the Holder shall be entitled. If the Company complies with the terms of this Section 6(c)(iii), then, on the date on which it so complies, the Outstanding Debt shall be deemed satisfied and paid in full and the Company shall have no other obligation with respect to the Outstanding Debt, whether or not this Note is delivered for cancellation. The person or persons entitled to receive the shares of Common Stock issuable upon a conversion of this Note shall be treated for all purposes as the record holder or holders of such shares of Common Stock on the Conversion Date.

7. ***Rights upon Issuance of Other Securities***

(a) Record Date. If the Company takes a record of the holders of Common Stock for the purpose of entitling them (A) to receive a dividend or other distribution payable in Common Stock, Options or in Convertible Securities or (B) to subscribe for or purchase Common Stock, Options or Convertible Securities, then such record date will be deemed to be the date of the issue or sale of the Common Stock deemed to have been issued or sold upon the declaration of such dividend or the making of such other distribution or the date of the granting of such right of subscription or purchase, as the case may be.

(b) Adjustment of Conversion Price upon Subdivision or Combination of Common Stock; Stock Dividends If the Company at any time, or from time to time, subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the Conversion Price in effect immediately prior to such subdivision will be proportionately reduced. If the Company at any time, or from time to time, combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the Conversion Price in effect immediately prior to such combination will be proportionately increased. Any adjustment under this Section 7(b) shall become effective at the close of business on the date the subdivision or combination becomes effective or, in the case of a stock dividend or distribution, the date of such event.

(c) (i) *Adjustment of Conversion Price upon Cash Dividends and Distributions.* If the Company at any time, or from time to time, pays a dividend or makes a distribution in cash to the record holders of any class of Common Stock, then immediately after the close of business on the day that the Common Stock trades ex-distribution, the Conversion Price then in effect shall be reduced to an amount equal to the product of (i) the Conversion Price in effect immediately prior to such dividend or distribution and (ii) the quotient determined by dividing (A) the Closing Sale Price of the Common Stock on the day that the Common Stock trades ex-distribution by (B) the sum of (1) the Closing Sale Price of the Common Stock on the day that the Common Stock trades ex-distribution plus (2) the amount per share of such dividend or distribution. The Company shall not be required to give effect to any adjustment in the Conversion Price pursuant to this Section 7(c) unless and until the net effect of one or more adjustments (each of which shall be carried forward until counted toward an adjustment), determined in accordance with this Section 7(c), shall have resulted in a change of the Conversion Price by at least 1%, and when the cumulative net effect of more than one adjustment so determined shall be to change the Conversion Price by at least 1%, such change in the Conversion Price shall thereon be given effect.

(ii) *Adjustment of Conversion Price upon Distributions of Capital Stock, Indebtedness or Other Non-Cash Assets* If the Company at any time, or from time to time, distributes any shares of capital stock of the Company (other than Common Stock), evidences of indebtedness or other non-cash assets (including securities of any person other than the Company but excluding (1) dividends or distributions paid exclusively in cash or (2) dividends or distributions referred to in Section 7(b)) to the record holders of any class of Common Stock, then the Conversion Price then in effect shall be reduced to an amount equal to the product of (A) the Conversion Price then in effect and (B) a fraction of which the numerator shall be the Closing Sale Price share of the Common Stock on the record date fixed for determination of stockholders entitled to receive such distribution less the fair market value on such record date (as determined by the Company's board of directors) of the portion of the capital stock, evidences of indebtedness or other non-cash assets so distributed applicable to one share of Common Stock (determined on the basis of the number of shares of Common Stock outstanding on the record date) and of which the denominator shall be the Closing Sale Price per share of the Common Stock on such record date. Notwithstanding the foregoing, if the securities distributed by the Company to the record holders of any class of Common Stock consist of capital stock of, or similar equity interests in, a Subsidiary or other business unit, the Conversion Price shall be decreased so that the same shall be equal to the rate determined by multiplying the Conversion Price in effect on the record date with respect to such distribution by a fraction the numerator of which shall be the average Closing Sale Price of one share of Common Stock over the Spinoff Valuation Period (as defined below) and of which the denominator shall be the sum of (x) the average Closing Sale Price of one share of Common Stock over the ten consecutive Trading Day period (the "**Spinoff Valuation Period**") commencing on and including the fifth Trading Day after the date on which "ex-dividend trading" commences on the Common Stock on the Principal Market or any national or regional exchange or market on which the Common Stock is then listed or quoted and (y) the average Closing Sale Price over the Spinoff Valuation Period of the portion of the securities so distributed applicable to one share of Common Stock, such adjustment to become effective immediately prior to the opening of business on the fifteenth Trading Day after the date on which "ex-dividend trading" commences.

(d) Other Events: Other Dividends and Distributions. If any event occurs of the type contemplated by the provisions of this Section 7 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features), then the Company's board of directors shall make in good faith an adjustment in the Conversion Price so as to protect the rights of the Holder under the Note; provided that no such adjustment will increase the Conversion Price as otherwise determined pursuant to this Section 7.

(e) **Notice of Adjustment.** Whenever the Conversion Price is adjusted pursuant to this Section 7, the Company shall promptly notify each Holder of such adjustment, which notice shall set forth the Conversion Price after adjustment, the date on which such adjustment became effective and a brief statement of the facts resulting in such adjustment.

8. **Successors and Assigns.** Subject to the restrictions on transfer described in Sections 10 and 12 below, the rights and obligations of the Company and Holder shall be binding upon and benefit the successors, assigns, heirs, administrators and transferees of the parties.

9. **Waiver and Amendment.** Any provision of this Note may be amended, waived or modified upon the written consent of the Company and the Majority Holders. Any such amendment, waiver or modification effected in accordance with this paragraph shall be binding upon the Company and each Holder, it being understood and agreed that such written consent will affect all Notes and be binding on all holders thereof regardless of whether any particular holder executed such consent.

10. **Transfer of this Note.** With respect to any offer, sale or other disposition of this Note, Holder will give written notice to the Company prior thereto, describing briefly the manner thereof, together with a written opinion of Holder's counsel, or other evidence if reasonably satisfactory to the Company, to the effect that such offer, sale or other distribution may be effected without registration or qualification (under any federal or state law then in effect, as applicable). Upon receiving such written notice and reasonably satisfactory opinion, if so requested, or other evidence, the Company, as promptly as practicable, shall notify Holder that Holder may sell or otherwise dispose of this Note, all in accordance with the terms of the notice delivered to the Company. This Note thus transferred shall bear a legend as to the applicable restrictions on transferability in order to ensure compliance with the Act, unless in the opinion of counsel for the Company such legend is not required in order to ensure compliance with the Securities Act. The Company may issue stop transfer instructions to its transfer agent in connection with such restrictions. Subject to the foregoing, transfers of this Note shall be registered upon registration books maintained for such purpose by or on behalf of the Company. Prior to presentation of this Note for registration of transfer, the Company shall treat the registered holder hereof as the owner and holder of this Note for the purpose of receiving all payments of principal and the Premium Payment and for all other purposes whatsoever, whether or not this Note shall be overdue and the Company shall not be affected by notice to the contrary. Notwithstanding the foregoing, Holder may assign this Note to an affiliated entity without the prior written consent of the Company so long as such assignment complies with applicable law.

11. **Assignment by the Company.** Neither this Note nor any of the rights, interests or obligations hereunder may be assigned, in whole or in part (other than by operation of law) by the Company without the prior written consent of the Majority Holders.

12. **Notices.** All notices, requests, demands, consents, instructions or other communications required or permitted hereunder shall be in writing and faxed, mailed or delivered to each party at the respective addresses of the parties as set forth on the signature page hereto, or at such other address or facsimile number as a party shall have furnished to the other party in writing. All such notices and communications will be deemed effectively given the earlier of (i) when received, (ii) when delivered personally, (iii) one business day after being delivered by facsimile (with receipt of appropriate confirmation), (iv) one business day after being deposited with an overnight courier service of recognized standing or (v) four days after being deposited in the U.S. mail, first class with postage prepaid.

13. **Employees and Agents.** Holder may take any action hereunder by or through agents or employees so long as such agents or employees are duly authorized to so act on behalf of the Holder.

14. **Payment.** Payment shall be made in lawful tender of the United States.

15. **Expenses; Waivers.** If this Note is not paid when due and Holder takes any action to enforce Holder's rights hereunder, the Company shall promptly pay upon demand by Holder all such reasonable costs of collection, including reasonable attorneys' fees, whether or not litigation is commenced. FORM OF NOTE PURCHASE AGREEMENT

THIS NOTE PURCHASE AGREEMENT (this "**Agreement**") is made as of August __, 2012 by and between CNS Response, Inc., a Delaware corporation (the "**Company**"), and the investors listed on Schedule A hereto (each, an "**Investor**" and together, the "**Investors**").

AGREEMENT

In consideration for the mutual promises and covenants herein, the parties agree as follows:

SECTION 1 – PURCHASE AND SALE OF NOTES

1.1 Purchase and Sale of Notes. The Company has authorized the issuance and sale, in accordance with the terms hereof, of Secured Convertible Promissory Notes substantially in the form attached as Exhibit A hereto (individually, a "**Note**" and, collectively, the "**Notes**"), in the original aggregate principal amount of up to \$2,000,000 (the "**Note Cap Amount**"), including an amount corresponding to the \$200,000 principal amount outstanding under two demand notes issued by the Company to John Pappajohn on April 26, 2012 and May 25, 2012, which are being exchanged in this financing (such notes, the "**Demand Notes**"). On the terms and subject to the conditions set forth in this Agreement, at the Closings (as defined below) the Company agrees to issue to each Investor, and each Investor agrees to purchase from the Company, or exchange pursuant to Section 4.3 hereof ("**Exchange**"), Notes in the principal amounts set forth on Schedule A hereto. The Notes to be purchased are sometimes referred to herein, collectively, as the "**Securities**". The financing pursuant to which the Company is issuing the Securities is hereinafter referred to as the "**Financing**".

1.2 Closings.

(a) Initial Closing. The initial purchase and sale of the Securities shall take place at a closing (the "**Initial Closing**") which shall take place remotely via exchange of documents and signatures at 10:00 a.m. Eastern Time on the day immediately following execution and delivery of this Agreement, or at such other place and time as may be agreed to among the Company and the Investors. At the Initial Closing, the Company shall deliver to each of the Investors purchasing Securities for cash at such closing a Note in the face amount set forth opposite such Investor's name on Schedule A under the column entitled "Purchase Price (Initial Closing)" against receipt of a check subject to collection or a wire transfer in immediately available funds of the purchase price, to an account designated by the Company.

(b) Additional Closings. The Company shall have the right, on one or more occasions, to hold additional closings (each, an "**Additional Closing**", and collectively with the Initial Closing, the "**Closings**", and individually, a "**Closing**"), pursuant to which it shall have the right to issue and sell additional Notes to additional Investors or existing Investors (provided that no Additional Closings shall take place later than October 15, 2012). At each Additional Closing, the Company shall deliver to each Investor purchasing Notes for cash at such closing a Note in the face amount of the purchase price paid by such Investor for such Note against receipt of a check subject to collection or a wire transfer in immediately available funds of the purchase price, to an account designated by the Company. By receiving Securities at an Additional Closing, each Investor so receiving Securities thereby represents that its representations and warranties contained in Section 3 are true and correct as of the date of such Additional Closing. The aggregate amount of Notes that may be issued at Closings hereunder shall in no event exceed the Note Cap Amount. The Company shall have the right to update Schedule A in order to add information regarding Additional Closings, which shall not be deemed to be an amendment to this Agreement.

The obligation of each Investor to purchase and pay for the Notes to be delivered at a Closing is, unless waived by such Investor, subject to the condition that the Company's representations and warranties contained in Section 2 are true, complete and correct on and as of such Closing date. The obligation of the Company to sell and issue Notes to be delivered at a Closing is, unless waived by the Company, subject to the condition that the relevant Investor's representations and warranties contained in Section 3 are true, complete and correct on and as of the Closing Date.

SECTION 2 - REPRESENTATIONS AND WARRANTIES OF THE COMPANY

The Company represents and warrants to each Investor as follows:

2.1 Existence of Company. The Company is a duly organized Delaware corporation. The Company is validly existing in all jurisdictions where it conducts its business.

2.2 Authority to Execute. The execution, delivery and performance by the Company of (i) this Agreement, (ii) the Notes to be issued pursuant to the terms of this Agreement, (iii) the Security Agreement, dated as of August __, 2012, by and between the Company and David B. Jones, as administrative agent on behalf of the Secured Parties (as defined therein), substantially in the form attached hereto as Exhibit B (the "**Security Agreement**"), and (iv) any financing statements thereunder (collectively, the "**Loan Documents**") are within the Company's corporate powers, have been duly authorized by all necessary corporate action, do not and will not conflict with any provision of law or organizational document of the Company (including its Certificate of Incorporation or Bylaws) or of any agreement or contractual restrictions binding upon or affecting the Company or any of its property and need no further stockholder or creditor consent.

2.3 No Stockholder Approval Required. No approval of the Company's stockholders is required for (i) the entry by the Company into this Agreement or the Security Agreement, (ii) the issuance of the Notes contemplated by this Agreement, (iii) the granting of the security interest under the terms of the Notes or (iv) the issuance of any shares of stock upon conversion of the Notes.

2.4 Valid Issuance. The shares of stock to be issued upon conversion of the Notes contemplated by this Agreement will be, upon conversion in accordance with the terms of the Notes validly issued, fully paid and nonassessable and free of restrictions on transfer other than restrictions on transfer under the Loan Documents, the documents entered into by the investors and other parties in the financing giving rise to repayment of the Notes, applicable state and federal securities laws and liens or encumbrances created by or imposed by the Investor. Assuming the accuracy of the representations of the Investor in Section 3 of this Agreement, such Notes and the shares of stock to be issued upon conversion of such Notes will be issued in compliance with all applicable federal and state securities laws.

2 . 5 Binding Obligation. This Agreement is, and the other Loan Documents when delivered hereunder will be, legal, valid and binding obligations of the Company enforceable against the Company in accordance with their respective terms, subject, as to enforcement of remedies, to applicable bankruptcy, insolvency, moratorium, reorganization and similar laws affecting creditors' rights generally and to general equitable principles.

2 . 6 Litigation. Other than the litigation disclosed in the Company's most recent SEC Reports (as defined below), no litigation or governmental proceeding is pending or threatened against the Company which may have a materially adverse effect on the financial condition, operations or prospects of the Company, and to the knowledge of the Company, no basis therefore exists.

2 . 7 Intellectual Property. To the best of the Company's knowledge, the Company owns or possesses sufficient legal rights to all patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses, information and other proprietary rights and processes necessary for its business as now conducted and as presently proposed to be conducted, without any known infringement of the rights of others. There are no outstanding options, licenses or agreements of any kind relating to the foregoing proprietary rights, nor is the Company bound by or a party to any options, licenses or agreements of any kind with respect to the patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses, information and other proprietary rights and processes of any other person or entity other than such licenses or agreements arising from the purchase of "off the shelf" or standard products.

2 . 8 SEC Reports. The Company has filed all forms, reports, schedules, proxy statements, registration statements and other documents (including all exhibits thereto) required to be filed by it with the Securities and Exchange Commission (the "**SEC**") pursuant to the federal securities laws and the SEC rules and regulations thereunder, together with all certifications required pursuant to the Sarbanes-Oxley Act of 2002 (the "**Sarbanes-Oxley Act**") (as they have been amended since the time of their filing, including all exhibits thereto, the "**SEC Reports**"). Each of the SEC Reports complied in all material respects with the applicable requirements of the Securities Act of 1933, as amended (the "**Securities Act**") and the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), the Sarbanes-Oxley Act and the rules and regulations of the SEC under all of the foregoing. None of the SEC Reports contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

**SECTION 3 - REPRESENTATIONS AND WARRANTIES
OF THE INVESTORS**

Each Investor represents and warrants to the Company as follows:

3.1 Authorization: Binding Obligations. The Investor has full power and authority to enter into this Agreement and each of the other Loan Documents to which he, she or it is a party, and this Agreement and each other Loan Document constitutes a valid and legally binding obligation of each Investor, enforceable against each Investor in accordance with its terms, subject, as to enforcement of remedies, to applicable bankruptcy, insolvency, moratorium, reorganization and similar laws affecting creditors' rights generally and to general equitable principles.

3.2 Accredited Investor. The Investor is an "accredited investor" within the meaning of SEC Rule 501 of Regulation D promulgated under the Securities Act.

3.3 Investment for Own Account. The Notes issued pursuant to this Agreement and the shares of stock to be issued upon conversion of such Notes are being, and will be, acquired for his, her or its own account, for investment and not with a view to, or for resale in connection with, any distribution or public offering thereof within the meaning of the Securities Act.

3.4 Knowledge and Experience. The Investor has such knowledge and experience in financial and business matters that (s)he is capable of evaluating the merits and risks of an investment in the Securities and of making an informed investment decision with respect thereto, has the ability and capacity to protect his/her interests and can bear the economic risk of the acceptance of the Securities, including a total loss of his/her investment.

3.5 Opportunity to Ask Questions. The Investor has had the opportunity to ask questions and receive answers from the Company or any authorized person acting on its behalf concerning the Company and its business and to obtain any additional information, to the extent possessed by the Company (or to the extent it could have been acquired by the Company without unreasonable effort or expense) necessary to verify the accuracy of the information received by the Investor. In connection therewith, the Investor acknowledges that (s)he has had the opportunity to discuss the Company's business, management and financial affairs with the Company's management or any authorized person acting on its behalf.

3.6 Receipt of Information. The Investor has received and reviewed all the information concerning the Company, the Securities and the shares of common stock underlying such Securities, both written and oral, that the Investor desires. Without limiting the generality of the foregoing, the Investor has been furnished with or has had the opportunity to acquire, and to review: all information, both written and oral, that the Investor desires with respect to the Company's business, management, financial affairs and prospects. In determining whether to make this investment, the Investor has relied solely on his/her own knowledge and understanding of the Company and its business and prospects based upon the Investor's own due diligence investigations and the Company's filings with the SEC.

SECTION 4 - COVENANTS OF THE COMPANY

4.1 Registration Rights Agreement. Notwithstanding any provision in the Loan Documents to the contrary, the Company agrees that all securities issued upon conversion of the Notes contemplated by this Agreement will be subject to a Registration Rights Agreement between the Company and each Investor. In the event that the terms of such Notes do not provide for such a Registration Rights Agreement, the Company agrees to work with each Investor in good faith to prepare and execute such a Registration Rights Agreement on terms reasonably satisfactory to each Investor at or prior to the time of conversion or exercise.

4.2 Restrictive Covenants. Without the consent of the holders of Notes representing at least a majority of the aggregate principal amount outstanding under all of the Notes issued pursuant to this Agreement (the "**Majority Holders**"), the Company shall not:

- (a) effect a merger, reorganization, or sell, exclusively license or lease, or otherwise dispose of any assets of the Company with a value in excess of \$20,000, other than in the ordinary course of business;
- (b) borrow, guaranty or otherwise incur indebtedness that is senior or *pari passu* with the Notes in excess of \$250,000;
- (c) acquire all or substantially all of the properties, assets or stock of any other corporation or entity or assets with a value greater than \$50,000; or
- (d) form, contribute capital or assets to, or make a loan or advance in excess of \$50,000 to (i) any partially-owned or wholly-owned subsidiary formed or acquired after the date of this Agreement, (ii) a joint venture or (iii) a similar business entity;

provided, however, that the rights of the Investor under this Section 4.2 shall not apply (1) after the repayment in full of the Notes or (2) in connection with a transaction that provides for the repayment in full of the Notes upon the closing of such transaction.

4.3 Exchange of Demand Notes. It is agreed and understood that John Pappajohn is exchanging the Demand Notes for Notes issued pursuant to this Agreement. With respect to such Demand Notes, in lieu of delivering to the Company a check subject to collection or a wire transfer in immediately available funds pursuant to Sections 1.2(a) or (b) hereof, Mr. Pappajohn shall deliver to the Company the original certificates representing such Demand Notes. The Company shall replace such Demand Notes with Notes issued pursuant to this Agreement.

SECTION 5 - MISCELLANEOUS

5.1 No Waiver: Cumulative Remedies. No failure or delay on the part of any party to any Loan Document in exercising any right or remedy under, or pursuant to, any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy or power preclude other or further exercise thereof, or the exercise of any other right, remedy or power. The remedies in the Loan Documents are cumulative and are not exclusive of any remedies provided by law.

5.2 Amendments and Waivers. Except as otherwise expressly set forth in this Agreement, any term of this Agreement may be amended (either retroactively or prospectively) with the written consent of the Company and the Majority Holders. Any amendment effected in accordance with this Section 5.2 shall be binding upon each Investor, each future holder of Securities and the Company.

5.4 Costs and Expenses. The Company agrees to be responsible for its costs and expenses incurred in connection with the preparation of the Loan Documents and to reimburse each Investor for all of its costs and expenses incurred in connection with the preparation of the Loan Documents, including legal fees of each Investor's outside counsel. If any litigation, contest, dispute, suit, proceeding or action is instituted between or among any of the parties hereto regarding the enforcement or interpretation of this Agreement or any of the Exhibits hereto, the prevailing party shall be entitled to reimbursement from the other party or parties for all reasonable expenses, costs, charges and other fees (including legal fees) incurred in connection with or related to such dispute.

5.5 Governing Law. The Loan Documents shall be governed by and construed in accordance with the laws of the State of California, without regard to the conflicts of law provisions of the State of California or of any other state; provided, however, that the perfection of the security interests in the Collateral shall be governed and controlled by the laws of the relevant jurisdiction or jurisdictions under the UCC. The Company and each Investor consent to personal jurisdiction in Orange County, California.

5.6 Severability. If any term in this Agreement is held to be illegal or unenforceable, the remaining portions of this Agreement shall not be affected, and this Agreement shall be construed and enforced as if this Agreement did not contain the term held to be illegal or unenforceable.

5.7 Binding Effect: Assignment. The Loan Documents shall be binding upon and inure to the benefit of the Company and each Investor and their respective successors and assigns. The Company may not assign its rights or interest under the Loan Documents without the prior written consent of the Majority Holders.

5.8 Transfer of Securities and Underlying Shares. Notwithstanding the legend required to be placed on the Securities and/or shares underlying such Securities by applicable law, no registration statement or opinion of counsel shall be necessary: (a) for a transfer of Securities or shares underlying such Securities to the respective estate of each Investor or for a transfer of Securities or shares underlying such Securities by gift, will or intestate succession of each Investor to his or her spouse or to the siblings, lineal descendants or ancestors each Investor or his or her spouse, if the transferee agrees in writing to be subject to the terms hereof to the same extent as if he or she were the original Investor hereunder; or (b) for a transfer of Securities or shares underlying such Securities pursuant to SEC Rule 144 or any successor rule, or for a transfer of Securities or shares underlying such Securities pursuant to a registration statement declared effective by the SEC under the Securities Act relating to the Securities.

5.9 Survival of Representations, Warranties and Covenants. The representations and warranties of the parties contained in or made pursuant to this Agreement shall survive the execution and delivery of this Agreement indefinitely, and shall in no way be affected by any investigation of the subject matter thereof made by or on behalf of the other parties. The covenants of the parties contained in or made pursuant to this Agreement shall survive the execution and delivery of this Agreement until such time as the Notes have been paid in full.

5.10 California Commissioner of Corporations. THE SALE OF THE SECURITIES WHICH ARE THE SUBJECT OF THIS AGREEMENT HAS NOT BEEN QUALIFIED WITH THE COMMISSIONER OF CORPORATIONS OF THE STATE OF CALIFORNIA AND THE ISSUANCE OF THE SECURITIES OR PAYMENT OR RECEIPT OF ANY PART OF THE CONSIDERATION FOR SUCH SECURITIES PRIOR TO THE QUALIFICATION IS UNLAWFUL, UNLESS THE SALE OF SECURITIES IS EXEMPT FROM QUALIFICATIONS BY SECTION 25100, 25102 OR 25105 OF THE CALIFORNIA CORPORATIONS CODE. THE RIGHTS OF ALL PARTIES TO THIS AGREEMENT ARE EXPRESSLY CONDITIONED UPON SUCH QUALIFICATION BEING OBTAINED, UNLESS THE SALE IS SO EXEMPT.

Security Interest

SECTION 2.01. Security Interest. As security for the payment and performance in full of the Obligations, the Company hereby grants, mortgages, pledges, hypothecates and transfers to the Administrative Agent, its successors and assigns, for the ratable benefit of the Secured Parties, and hereby grants to the Administrative Agent, its successors and assigns, for the ratable benefit of the Secured Parties, a continuing security interest in all of the Company's right, title and interest now owned or at any time hereafter acquired by the Company or in which the Company now has or any time in the future may acquire any right, title or interest, in, to or under the Collateral (the "**Security Interest**"). The Company hereby irrevocably authorizes the Administrative Agent at any time and from time to time to file in any relevant jurisdiction any initial financing statements (including fixture filings), and amendments thereto that contain the information required by the Uniform Commercial Code of each applicable jurisdiction for the filing of any financing statement or amendment (without the signature of the Company), including (a) whether the Company is an organization, the type of organization and any organizational identification number issued to the Company and (b) in the case of a financing statement filed as a fixture filing or covering Collateral constituting minerals or the like to be extracted or timber to be cut, a sufficient description of the real property to which such Collateral relates. The Company agrees to provide such information to the Administrative Agent promptly upon request. The Company ratifies and authorizes the filing by the Administrative Agent of any financing statement filed prior to the date hereof. Any person (other than the Administrative Agent) at any time and from time to time holding all or any portion of the Collateral shall be deemed to, and shall, hold the Collateral as the agent of, and as pledge holder for, the Administrative Agent. At any time and from time to time, the Administrative Agent may give notice to any such person holding all or any portion of the Collateral that such person is holding the Collateral as the agent and bailee of, and as pledge holder for, the Administrative Agent, and obtain such person's written acknowledgment thereof. Without limiting the generality of the foregoing, the Company will join with the Administrative Agent in notifying any person who has possession of any Collateral of the Administrative Agent's security interest therein and obtaining an acknowledgment from such person that it is holding the Collateral for the benefit of the Administrative Agent.

The Administrative Agent is further authorized to file filings with the United States Patent and Trademark Office or United States Copyright Office (or any successor office or any similar office in any other country) or other documents for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest granted by the Company, without the signature of the Company, and naming the Company as debtor and the Administrative Agent as secured party.

SECTION 2.02. No Assumption of Liability. The Security Interest is granted as security only and shall not subject the Administrative Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of the Company with respect to or arising out of the Collateral. In no event shall the Administrative Agent or any other Secured Party be deemed a trustee or become liable as a trustee as a result of the grant of the Security Interest in any interest in any trust.

ARTICLE III

Representations and Warranties

The Company represents and warrants to the Administrative Agent and the other Secured Parties that:

SECTION 3.01. Title and Authority. The Company has good and valid rights in, and title to, the Collateral with respect to which it has purported to grant a Security Interest hereunder and has full power and authority to grant to the Administrative Agent the Security Interest in such Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other person other than any consent or approval which has been obtained.

SECTION 3.02. Filings. (a) A Perfection Certificate has been duly prepared, completed and executed by the Company and the information set forth therein, including the exact legal name of the Company, is correct and complete. Fully executed Uniform Commercial Code financing statements (including fixture filings, as applicable) or other appropriate filings, recordings or registrations containing a description of the Collateral have been delivered, or will be delivered promptly after execution hereof, to the Administrative Agent for filing in each governmental, municipal or other office specified in the Perfection Certificate, which are all the filings, recordings and registrations that are necessary to publish notice of and protect the validity of and to establish a legal, valid and perfected security interest in favor of the Administrative Agent (for the ratable benefit of the Secured Parties) in respect of all Collateral in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refileing, recording, rerecording, registration or reregistration is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements or amendments.

(b) The Company represents and warrants that fully executed security agreements in the form hereof and containing a description of all Collateral consisting of Intellectual Property with respect to United States Patents and United States registered Trademarks (and Trademarks for which United States registration applications are pending) and United States registered Copyrights have been delivered to the Administrative Agent for recording by the United States Patent and Trademark Office and the United States Copyright Office pursuant to 35 U.S.C. Section 261, 15 U.S.C. Section 1060 or 17 U.S.C. Section 205 and the regulations thereunder, as applicable, and otherwise as may be required pursuant to the laws of any other necessary jurisdiction, to protect the validity of and to establish a legal, valid and perfected security interest in favor of the Administrative Agent (for the benefit of the Secured Parties) in respect of all Collateral consisting of Patents, Trademarks and United States registered Copyrights in which a security interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, or in any other necessary jurisdiction, and no further or subsequent filing, refileing, recording, rerecording, registration or reregistration is necessary (other than the financing statements referred to above in Section 3.02(a) and such actions as are necessary to perfect the Security Interest with respect to any Collateral consisting of Patents, Trademarks and Copyrights (or registration or application for registration thereof) acquired or developed after the date hereof).

SECTION 3.03. Validity of Security Interest. The Security Interest constitutes (a) a legal and valid security interest in all the Collateral securing the payment and performance of the Obligations, (b) a perfected security interest in all Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the Uniform Commercial Code or other applicable law in such jurisdictions and (c) a security interest that shall be perfected in all Collateral in which a security interest may be perfected upon the receipt and recording of this Agreement with the United States Patent and Trademark Office and the United States Copyright Office, as applicable, within the three month period (commencing as of the date hereof) pursuant to 35 U.S.C. Section 261, 15 U.S.C. Section 1060 or 17 U.S.C. Section 205 and otherwise as may be required pursuant to the laws of any other necessary jurisdiction. The Security Interest is and shall be prior to any other Lien on any of the Collateral (now held or hereafter acquired).

SECTION 3.04. Absence of Other Liens. The Collateral is owned by the Company free and clear of any Lien other than those arising under the Existing Note Documents. Other than as contemplated by the Existing Note Documents, the Company has not filed or consented to the filing of (a) any financing statement or analogous document under the Uniform Commercial Code or any other applicable laws covering any Collateral, (b) any assignment in which the Company assigns any Collateral or any security agreement or similar instrument covering any Collateral with the United States Patent and Trademark Office or the United States Copyright Office or (c) any assignment in which the Company assigns any Collateral or any security agreement or similar instrument covering any Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect. The Company does not hold any Commercial Tort Claim or Letter-of-Credit Right. Except with respect to any rights arising under the Existing Note Documents, no person has control (as defined in the UCC) over the Company's Deposit Accounts, Electronic Chattel Paper, Investment Property or Letter-of-Credit Rights.

ARTICLE IV

Covenants

SECTION 4.01. Change of Name; Location of Collateral; Records; Place of Business (a) The Company agrees promptly to notify the Administrative Agent in writing of any change (i) in its corporate name, (ii) in the location of its chief executive office, its principal place of business, any office in which it maintains books or records relating to Collateral owned by it or any office or facility at which Collateral owned by it is located (including the establishment of any such new office or facility) other than with respect to Collateral (A) consisting of goods in transit between facilities, whether in vehicles owned by the Company or on common carriers and (B) located in temporary warehousing which will remain in such warehousing for no longer than one month, (iii) in its identity or type of organization or legal structure, (iv) in its Federal Taxpayer Identification Number or organizational identification number, as applicable or (v) in its jurisdiction of organization. The Company agrees promptly to provide the Administrative Agent with certified organizational documents reflecting any of the changes described in the preceding sentence. The Company agrees not to effect or permit any change referred to in the preceding sentences unless all filings have been made under the Uniform Commercial Code or otherwise that are required in order for the Administrative Agent to continue at all times following such change to have a valid, legal and perfected first priority security interest in all the Collateral. The Company agrees promptly to notify the Administrative Agent if any material portion of the Collateral owned or held by the Company is damaged or destroyed.

(b) The Company agrees to maintain, at its own cost and expense, such complete and accurate records with respect to the Collateral owned by it as is consistent with its current practices and in accordance with such prudent and standard practices used in industries that are the same as or similar to those in which the Company is engaged, but in any event to include complete accounting records indicating all payments and proceeds received with respect to any part of the Collateral, and, at such time or times as the Administrative Agent may reasonably request, promptly to prepare and deliver to the Administrative Agent a duly certified schedule or schedules in form and detail satisfactory to the Administrative Agent showing the identity, amount and location of any and all Collateral.

SECTION 4.02. Changes to Perfection Certificate. The Company shall notify the Administrative Agent promptly after any change to any of the information set forth in the Perfection Certificate.

SECTION 4.03. Protection of Security. The Company shall, at its own cost and expense, take any and all actions necessary to defend title to the Collateral against all persons and to defend the Security Interest of the Administrative Agent in the Collateral and the priority thereof against any Lien.

SECTION 4.04. Further Assurances. The Company agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Administrative Agent may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith. If any amount payable under or in connection with any of the Collateral shall be or become evidenced by any promissory note or other instrument, such note or instrument shall be promptly pledged and delivered to the Administrative Agent, duly endorsed in a manner satisfactory to the Administrative Agent. Without limiting the generality of the foregoing, the Company hereby authorizes the Administrative Agent, with prompt notice thereof to the Company, to supplement this Agreement by adding additional schedules hereto to specifically identify any asset or item that may constitute Copyrights, Patents or Trademarks; provided, however, that the Company shall have the right, exercisable within 10 days after it has been notified by the Administrative Agent of the specific identification of such Collateral, to advise the Administrative Agent in writing of any inaccuracy of the representations and warranties made by the Company hereunder with respect to such Collateral. The Company agrees that it will use its reasonable best efforts to take such action as shall be necessary in order that all representations and warranties hereunder shall be true and correct with respect to such Collateral within 30 days after the date it has been notified by the Administrative Agent of the specific identification of such Collateral. Upon the request of the Administrative Agent, the Company will cooperate with the Administrative Agent in obtaining control (as defined in the UCC) of Collateral consisting of any Deposit Accounts, Electronic Chattel Paper, Investment Property or Letter-of-Credit Rights. Upon the request of the Administrative Agent, the Company will (a) immediately deliver to the Administrative Agent appropriately endorsed or accompanied by appropriate instruments of transfer or assignment, all Instruments, Documents, Chattel Paper and certificated securities with respect to any Investment Property, all letters of credit, and all other Accounts at any time evidenced by promissory notes, trade acceptances or other instruments, (b) cause any securities intermediaries to show on their books that the Administrative Agent is the entitlement holder with respect to any Investment Property, and/or obtain agreements to establish control (as defined in the UCC) in favor of the Administrative Agent from such securities intermediaries, in form and substance satisfactory to the Administrative Agent with respect to any Investment Property, as requested by the Administrative Agent and (c) provide such notice, obtain such acknowledgements and take all such other action, with respect to any Chattel Paper, Documents and Letter-of-Credit Rights, as the Administrative Agent shall reasonably specify.

SECTION 4.05. Inspection and Verification. The Administrative Agent and such persons as the Administrative Agent may reasonably designate shall have the right to inspect the Collateral, all records related thereto (and to make extracts and copies from such records) and the premises upon which any of the Collateral is located, to discuss the Company's affairs with the officers of the Company and their independent accountants and to verify under reasonable procedures the validity, amount, quality, quantity, value, condition and status of, or any other matter relating to, the Collateral, including, in the case of Accounts or Collateral in the possession of any third person, by contacting Account Debtors or the third person possessing such Collateral for the purpose of making such a verification. The Administrative Agent shall have the absolute right to share any information it gains from such inspection or verification with any Secured Party.

SECTION 4.06. Taxes; Encumbrances. At its option and after notice to the Company, the Administrative Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Collateral and may pay for the maintenance and preservation of the Collateral to the extent the Company fails to do so as required by this Agreement, and the Company agrees to reimburse the Administrative Agent on demand for any payment made or any expense incurred by the Administrative Agent pursuant to the foregoing authorization; provided, however, that nothing in this Section 4.06 shall be interpreted as excusing the Company from the performance of, or imposing any obligation on the Administrative Agent or any Secured Party to cure or perform, any covenants or other promises of the Company with respect to taxes, assessments, charges, fees, liens, security interests or other encumbrances and maintenance as set forth herein or in the other Transaction Documents.

SECTION 4.07. Assignment of Security Interest. If at any time the Company shall take a security interest in any property of an Account Debtor or any other person to secure payment and performance of an Account, the Company shall promptly assign such security interest to the Administrative Agent. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other person granting the security interest.

SECTION 4.08. Continuing Obligations of the Company. The Company shall remain liable to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Collateral, all in accordance with the terms and conditions thereof, and the Company agrees to indemnify and hold harmless the Administrative Agent and the Secured Parties from and against any and all liability for such performance.

SECTION 4.09. Use and Disposition of Collateral. The Company shall not make or permit to be made an assignment, pledge or hypothecation of the Collateral or shall grant any other Lien in respect of the Collateral. The Company shall not make or permit to be made any transfer of the Collateral and the Company shall remain at all times in possession of the Collateral owned by it. Without limiting the generality of the foregoing, the Company agrees that it shall not permit any Inventory to be in the possession or control of any warehouseman, bailee, agent or processor at any time unless such warehouseman, bailee, agent or processor shall have been notified of the Security Interest and shall have agreed in writing to hold the Inventory subject to the Security Interest and the instructions of the Administrative Agent and to waive and release any Lien held by it with respect to such Inventory, whether arising by operation of law or otherwise.

SECTION 4.10. Limitation on Modification of Accounts. The Company shall not, without the Administrative Agent's prior written consent, grant any extension of the time of payment of any of the Accounts included in the Collateral, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any person liable for the payment thereof or allow any credit or discount whatsoever thereon, other than extensions, credits, discounts, compromises or settlements granted or made in the ordinary course of business and consistent with its current practices and in accordance with such prudent and standard practices used in industries that are the same as or similar to those in which the Company is engaged.

SECTION 4.11. Insurance. The Company, at its own expense, shall maintain or cause to be maintained insurance covering physical loss or damage to the Collateral. The Company irrevocably makes, constitutes and appoints the Administrative Agent (and all officers, employees or agents designated by the Administrative Agent) as the Company's true and lawful agent (and attorney-in-fact) for the purpose, during the continuance of an Event of Default, of making, settling and adjusting claims in respect of Collateral under policies of insurance, endorsing the name of the Company on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. In the event that the Company at any time or times shall fail to obtain or maintain any of the policies of insurance required hereby or to pay any premium in whole or part relating thereto, the Administrative Agent may, without waiving or releasing any obligation or liability of the Company hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Administrative Agent deems advisable. All sums disbursed by the Administrative Agent in connection with this Section 4.11, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Company to the Administrative Agent and shall be additional Obligations secured hereby.

SECTION 4.12. Legend. The Company shall legend, in form and manner satisfactory to the Administrative Agent, its Chattel Paper and its books, records and documents evidencing or pertaining thereto with an appropriate reference to the fact that such Chattel Paper have been assigned to the Administrative Agent for the benefit of the Secured Parties and that the Administrative Agent has a security interest therein.

SECTION 4.13. Covenants Regarding Patent, Trademark and Copyright Collateral.

(a) The Company agrees that it will not, nor will it permit any of its licensees to, do any act, or omit to do any act, whereby any Patent may become invalidated or dedicated to the public, and agrees that it shall continue to mark any products covered by a Patent with the relevant patent number as necessary and sufficient to establish and preserve its maximum rights under applicable laws.

(b) The Company (either itself or through its licensees or its sublicensees) will, for each Trademark, (i) maintain such Trademark in full force free from any claim of abandonment or invalidity for non-use, (ii) maintain the quality of products and services offered under such Trademark, (iii) display such Trademark with notice of Federal or foreign registration to the extent necessary and sufficient to establish and preserve its maximum rights under applicable law and (iv) not knowingly use, or knowingly permit the use of, such Trademark in violation of any third party rights.

(c) The Company (either itself or through licensees) will, for each work covered by a Copyright, continue to publish, reproduce, display, adopt and distribute the work with appropriate copyright notice as necessary and sufficient to establish and preserve its maximum rights under applicable laws.

(d) The Company shall notify the Administrative Agent immediately if it knows, or has reason to know, that any Patent, Trademark or Copyright may become abandoned, lost or dedicated to the public, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, United States Copyright Office or any court or similar office of any country) regarding the Company's ownership of any Patent, Trademark or Copyright, its right to register the same, or to keep and maintain the same.

(e) In no event shall the Company, either itself or through any agent, employee, licensee or designee, file an application for any Patent, Trademark or Copyright (or for the registration of any Trademark or Copyright) with the United States Patent and Trademark Office, United States Copyright Office or any office or agency in any political subdivision of the United States or in any other country or any political subdivision thereof, unless it promptly informs the Administrative Agent, and, upon request of the Administrative Agent, executes and delivers any and all agreements, instruments, documents and papers as the Administrative Agent may request to evidence the Administrative Agent's security interest in such Patent, Trademark or Copyright, and the Company hereby appoints the Administrative Agent as its attorney-in-fact to execute and file such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; such power, being coupled with an interest, is irrevocable.

(f) The Company will take all necessary steps that are consistent with the practice in any proceeding before the United States Patent and Trademark Office, United States Copyright Office or any office or agency in any political subdivision of the United States or in any other country or any political subdivision thereof, to maintain and pursue each application relating to the Patents, Trademarks and/or Copyrights (and to obtain the relevant grant or registration) and to maintain each issued Patent and each registration of the Trademarks and Copyrights, including timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if consistent with good business judgment, to initiate opposition, interference and cancellation proceedings against third parties.

(g) In the event that the Company has reason to believe that any Collateral consisting of a Patent, Trademark or Copyright has been or is about to be infringed, misappropriated or diluted by a third party, the Company promptly shall notify the Administrative Agent and shall, if consistent with good business judgment, promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, and take such other actions as are appropriate under the circumstances to protect such Collateral.

(h) Upon and during the continuance of an Event of Default, the Company shall use its reasonable best efforts to obtain all requisite consents or approvals by the licensor of each Copyright License, Patent License or Trademark License to effect the assignment of all of the Company's right, title and interest thereunder to the Administrative Agent or its designee.

(i) The Company shall ensure that fully executed security agreements in the form hereof and containing a description of all Collateral consisting of Intellectual Property shall have been received and recorded within three months after the execution of this Agreement with respect to United States Patents, United States registered Trademarks (and Trademarks for which United States registration applications are pending) and United States registered Copyrights have been delivered to the Administrative Agent for recording by the United States Patent and Trademark Office and the United States Copyright Office pursuant to 35 U.S.C. Section 261, 15 U.S.C. Section 1060 or 17 U.S.C. Section 205 and the regulations thereunder, as applicable, and otherwise as may be required pursuant to the laws of any other necessary jurisdiction, to protect the validity of and to establish a legal, valid and perfected security interest in favor of the Administrative Agent (for the ratable benefit of the Secured Parties) in respect of all Collateral consisting of Patents, Trademarks and registered Copyrights in which a security interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, or in any other necessary jurisdiction, and no further or subsequent filing, refile, recording, rerecording, registration or reregistration is necessary (other than such actions as are necessary to perfect the Security Interest with respect to any Collateral consisting of Patents, Trademarks and Copyrights (or registration or application for registration thereof) acquired or developed after the date of this amendment and restatement).

SECTION 4.14. Other Actions. In order to further insure the attachment, perfection and priority of, and the ability of the Administrative Agent to enforce, the Administrative Agent's security interest in the Collateral, the Company agrees, in each case at the Company's own expense, to take the following actions with respect to the following Collateral:

(a) Instruments and Tangible Chattel Paper. If the Company shall at any time hold or acquire any Instruments or Tangible Chattel Paper, the Company shall forthwith endorse, assign and deliver the same to the Administrative Agent, accompanied by such instruments of transfer or assignment duly executed in blank as the Administrative Agent may from time to time specify.

(b) Investment Property. If the Company shall at any time hold or acquire any certificated securities, the Company shall forthwith endorse, assign and deliver the same to the Administrative Agent, accompanied by such instruments of transfer or assignment duly executed in blank as the Administrative Agent may from time to time specify. If any securities now or hereafter acquired by the Company are uncertificated and are issued to the Company or its nominee directly by the issuer thereof, the Company shall promptly notify the Administrative Agent thereof and, at the Administrative Agent's request and option, pursuant to an agreement in form and substance satisfactory to the Administrative Agent, either (i) cause the issuer to agree to comply with instructions from the Administrative Agent as to such securities, without further consent of the Company or such nominee or (ii) arrange for the Administrative Agent to become the registered owner of the securities. If any securities, whether certificated or uncertificated, or other investment property now or hereafter acquired by the Company are held by the Company or its nominee through a securities intermediary or commodity intermediary, the Company shall promptly notify the Administrative Agent thereof and, at the Administrative Agent's request and option, pursuant to an agreement in form and substance reasonably satisfactory to the Administrative Agent, either (A) cause such securities intermediary or commodity intermediary (as the case may be) to agree to comply with entitlement orders or other instructions from the Administrative Agent to such securities intermediary as to such securities or other investment property or to apply any value distributed on account of any commodity contract as directed by the Administrative Agent to such commodity intermediary, in each case without further consent of the Company or such nominee or (B) in the case of Financial Assets or other Investment Property held through a securities intermediary, arrange for the Administrative Agent to become the entitlement holder with respect to such Investment Property, with the Company being permitted, only with the consent of the Administrative Agent, to exercise rights to withdraw or otherwise deal with such Investment Property. The Administrative Agent agrees with the Company that the Administrative Agent shall not give any such entitlement orders or instructions or directions to any such issuer, securities intermediary or commodity intermediary, and shall not withhold its consent to the exercise of any withdrawal or dealing rights by the Company, unless an Event of Default has occurred and is continuing, or, after giving effect to any such investment and withdrawal rights would occur.

(c) Electronic Chattel Paper and Transferable Records. If the Company at any time holds or acquires an interest in any Electronic Chattel Paper or any "transferable record," as that term is defined in Section 201 of the Federal Electronic Signatures in Global and National Commerce Act, or in Section 16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction, the Company shall promptly notify the Administrative Agent thereof and, at the request of the Administrative Agent, shall take such action as the Administrative Agent may reasonably request to vest in the Administrative Agent control under the UCC of such Electronic Chattel Paper or control under Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or, as the case may be, Section 16 of the Uniform Electronic Transactions Act, as so in effect in such jurisdiction, of such transferable record. The Administrative Agent agrees with the Company that the Administrative Agent will arrange, pursuant to procedures satisfactory to the Administrative Agent and so long as such procedures will not result in the Administrative Agent's loss of control, for the Company to make alterations to the electronic chattel paper or transferable record permitted under the UCC or, as the case may be, Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or Section 16 of the Uniform Electronic Transactions Act for a party in control to allow without loss of control, unless an Event of Default has occurred and is continuing or would occur after taking into account any action by the Company with respect to such Electronic Chattel Paper or transferable record.

(d) Letter-of-Credit Rights. If the Company is at any time a beneficiary under a letter of credit now or hereafter issued in favor of the Company, the Company shall promptly notify the Administrative Agent thereof and, at the request and option of the Administrative Agent, the Company shall, pursuant to an agreement in form and substance reasonably satisfactory to the Administrative Agent, either (i) arrange for the issuer and any confirmed of such letter of credit to consent to an assignment to the Administrative Agent of the proceeds of any drawing under the letter of credit or (ii) arrange for the Administrative Agent to become the transferee beneficiary of the letter of credit.

(e) Commercial Tort Claims. If the Company shall at any time hold or acquire a Commercial Tort Claim, the Company shall promptly notify the Administrative Agent in a writing signed by the Company of the brief details thereof and grant to the Administrative Agent in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance satisfactory to the Administrative Agent.

ARTICLE V

Collections

SECTION 5.01. Collections. Upon the occurrence of and during the continuance of an Event of Default, the Administrative Agent shall have the right, at any time and from time to time, (a) to notify the Account Debtors and other third parties holding or otherwise concerned with the Collateral that the Accounts have been assigned to the Administrative Agent and that the Administrative Agent has a security interest therein; (b) to direct all such persons to make payments to the Administrative Agent of all or any part of the sums owing to the Company by such persons; (c) to enforce collection of any of the Accounts by suit or otherwise; (d) to surrender, release or exchange all or any part of such Accounts; or (e) to compromise, settle, extend or renew for any period (whether or not longer than the original period) any indebtedness thereunder or evidenced thereby.

SECTION 5.02. Power of Attorney. The Company irrevocably makes, constitutes and appoints the Administrative Agent (and all officers, employees or agents designated by the Administrative Agent) as the Company's true and lawful agent and attorney-in-fact, and in such capacity the Administrative Agent shall have the right, with full power of substitution for the Company and in the Company's name or otherwise, for the use and benefit of the Administrative Agent and the Secured Parties, upon the occurrence and during the continuance of an Event of Default (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to sign the name of the Company on any invoice or bill of lading relating to any of the Collateral; (d) to send verifications of Accounts included in the Collateral to any Account Debtor; (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (g) to notify, or to require the Company to notify, Account Debtors to make payment directly to the Administrative Agent; and (h) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Administrative Agent were the absolute owner of the Collateral for all purposes; provided, however, that nothing herein contained shall be construed as requiring or obligating the Administrative Agent or any Secured Party to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Administrative Agent or any Secured Party, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby, and no action taken or omitted to be taken by the Administrative Agent or any Secured Party with respect to the Collateral or any part thereof shall give rise to any defense, counterclaim or offset in favor of the Company or to any claim or action against the Administrative Agent or any Secured Party. It is understood and agreed that the appointment of the Administrative Agent as the agent and attorney-in-fact of the Company for the purposes set forth above is coupled with an interest and is irrevocable. The provisions of this Section shall in no event relieve the Company of any of its obligations hereunder or under any other Transaction Document with respect to the Collateral or any part thereof or impose any obligation on the Administrative Agent or any Secured Party to proceed in any particular manner with respect to the Collateral or any part thereof, or in any way limit the exercise by the Administrative Agent or any Secured Party of any other or further right which it may have on the date of this Agreement or hereafter, whether hereunder, under any other Transaction Document, by law or otherwise.

ARTICLE VI

Remedies

SECTION 6.01. Remedies upon Default. Upon the occurrence and during the continuance of an Event of Default, the Company agrees to deliver each item of Collateral to the Administrative Agent on demand, and it is agreed that the Administrative Agent shall have the right to take any of, or all, the following actions at the same or different times: (a) with respect to any Collateral consisting of Intellectual Property, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Collateral by the Company to the Administrative Agent, or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any such Collateral throughout the world on such terms and conditions and in such manner as the Administrative Agent shall determine (other than in violation of any then-existing licensing arrangements to the extent that waivers cannot be obtained) and (b) with or without legal process and with or without prior notice or demand for performance, to take possession of the Collateral and without liability for trespass to enter any premises where the Collateral may be located for the purpose of taking possession of or removing the Collateral and, generally, to exercise any and all rights afforded to a secured party under the UCC or other applicable law. Without limiting the generality of the foregoing, the Company agrees that the Administrative Agent may sell or otherwise dispose of all or any part of the Collateral, at public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Administrative Agent shall deem appropriate. The Administrative Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Administrative Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of the Company, and the Company hereby waives all rights of redemption, stay, valuation and appraisal which the Company now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Administrative Agent shall give the Company 10 days' written notice (which the Company agrees is reasonable notice within the meaning of the UCC or its equivalent in other jurisdictions) of the Administrative Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Administrative Agent may fix and state in the notice of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Administrative Agent may (in its sole and absolute discretion) determine. The Administrative Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Administrative Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Administrative Agent until the sale price is paid by the purchaser or purchasers thereof, but the Administrative Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by law, private) sale made pursuant to this Section, any Secured Party may bid for or purchase, free from any right of redemption, stay, valuation or appraisal on the part of the Company (all said rights being also hereby waived and released), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from the Company as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to the Company therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Administrative Agent shall be free to carry out such sale pursuant to such agreement; and the Company shall not be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Administrative Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Administrative Agent may proceed by a suit or suits at law or in equity to foreclose upon the Collateral and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 6.01 shall be deemed to conform to the commercially reasonable standards as provided in the UCC or its equivalent in other jurisdictions.

SECTION 6.02. Application of Proceeds. The Administrative Agent shall apply the proceeds of any collection or sale of Collateral, as well as any Collateral consisting of cash, as follows:

FIRST, to the payment of all costs and expenses incurred by the Administrative Agent (in its capacity as such hereunder or under any other Transaction Document) in connection with such collection or sale or otherwise in connection with this Agreement, any other Transaction Document or any of the Obligations, including all court costs and the fees and expenses of its agents and legal counsel, the repayment of all advances made by the Administrative Agent hereunder or under any other Transaction Document on behalf of the Company and any other costs or expenses incurred by the Administrative Agent in connection with the exercise of any right or remedy hereunder or under any other Transaction Document;

SECOND, to the payment in full of the Obligations with respect to the Senior Notes (the amounts so applied to be distributed among the Senior Noteholders pro rata in accordance with the amounts of the Obligations owed to them on the date of any such distribution);

THIRD, to the payment in full of the Obligations with respect to the October 2010 Notes (the amounts so applied to be distributed among the October 2010 Noteholders pro rata in accordance with the amounts of the Obligations owed to them on the date of any such distribution);

FOURTH, to the payment in full of the Obligations with respect to the January 2011 Notes and the November 2011 Notes (the amounts so applied to be distributed among the January 2011 Noteholders and the November 2011 Noteholders pro rata in accordance with the amounts of the Obligations owed to them on the date of any such distribution); and

FIFTH, to the Company, its successors or assigns, or as a court of competent jurisdiction may otherwise direct.

The Administrative Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of the Collateral by the Administrative Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the purchase money by the Administrative Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Administrative Agent or such officer or be answerable in any way for the misapplication thereof.

SECTION 6.03. Grant of License to Use Intellectual Property. For the purpose of enabling the Administrative Agent to exercise rights and remedies under this Article at such time as the Administrative Agent shall be lawfully entitled to exercise such rights and remedies, the Company hereby grants to the Administrative Agent an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to the Company) to use, license or sub-license any of the Collateral consisting of Intellectual Property now owned or hereafter acquired by the Company, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The use of such license by the Administrative Agent shall be exercised, at the option of the Administrative Agent, upon the occurrence and during the continuation of an Event of Default; provided that any license, sub-license or other transaction entered into by the Administrative Agent in accordance herewith shall be binding upon the Company notwithstanding any subsequent cure of an Event of Default.

ARTICLE VII

Miscellaneous

SECTION 7.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in the Purchase Agreements.

SECTION 7.02. Security Interest Absolute. All rights of the Administrative Agent hereunder, the Security Interest and all obligations of the Company hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Purchase Agreements, any other Transaction Document, any agreement with respect to any of the Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from the Purchase Agreements, any other Transaction Document or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Company in respect of the Obligations or in respect of this Agreement.

SECTION 7.03. Survival of Agreement. All covenants, agreements, representations and warranties made by the Company herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Transaction Document shall be considered to have been relied upon by the Secured Parties and shall survive the Closing, regardless of any investigation made by the Investors or on their behalf.

SECTION 7.04. Binding Effect: Several Agreement. This Agreement shall become effective as to the Company when a counterpart hereof executed on behalf of the Company shall have been delivered to the Administrative Agent and a counterpart hereof shall have been executed on behalf of the Administrative Agent, and thereafter shall be binding upon the Company and the Administrative Agent and their respective successors and assigns, and shall inure to the benefit of the Company, the Administrative Agent and the other Secured Parties and their respective successors and assigns, except that the Company shall not have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement and the other Transaction Documents.

SECTION 7.05. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and permitted assigns of such party; and all covenants, promises and agreements by or on behalf of the Company that are contained in this Agreement shall bind and inure to the benefit of its successors and permitted assigns.

SECTION 7.06. Administrative Agent's Fees and Expenses: Indemnification. (a) The Company agrees to pay upon demand to the Administrative Agent the amount of any and all reasonable expenses, including the reasonable fees, other charges and disbursements of its counsel and of any experts or agents, which the Administrative Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody or preservation of, or the sale of, collection from, or other realization upon, any of the Collateral, (iii) the exercise, enforcement or protection of any of the rights of the Administrative Agent hereunder or (iv) the failure of the Company to perform or observe any of the provisions hereof.

(b) Without limitation of its indemnification obligations under the other Transaction Documents, the Company agrees to indemnify the Administrative Agent and the other Secured Parties against, and hold each Secured Party harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, other charges and disbursements, incurred by or asserted against any Secured Party arising out of, in any way connected with, or as a result of, the execution, delivery or performance of this Agreement or any other Transaction Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the transactions contemplated hereby and thereby and the other transactions contemplated thereby or any claim, litigation, investigation or proceeding relating to any of the foregoing or to the Collateral, whether or not any Secured Party is a party thereto.

(c) Any amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Transaction Documents. The provisions of this Section 7.06 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Transaction Document, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Transaction Document, or any investigation made by or on behalf of the Administrative Agent or any other Secured Party. All amounts due under this Section 7.06 shall be payable on written demand therefor.

SECTION 7.07. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF CALIFORNIA.

SECTION 7.08. Waivers: Amendment. (a) No failure or delay of the Administrative Agent in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent hereunder and of the other Secured Parties under the other Transaction Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provisions of this Agreement or any other Transaction Document or consent to any departure by the Company therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Company in any case shall entitle the Company to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to a written agreement entered into between the Administrative Agent and the Company.

SECTION 7.09. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER TRANSACTION DOCUMENTS.

SECTION 7.10. Severability. In the event any one or more of the provisions contained in this Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction).

SECTION 7.11. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original, but all of which, when taken together, shall constitute a single contract and shall become effective as provided in Section 7.04. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or PDF transmission shall be as effective as delivery of a manually executed counterpart of this Agreement.

SECTION 7.12. Headings. Article and Section headings used herein are for the purpose of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 7.13. Termination or Release. This Agreement and the Security Interest shall terminate at the earliest of (i) the date when all of the Obligations have been indefeasibly paid in full or (ii) (A) with respect to the Senior Notes, the date that holders of a majority of the aggregate principal amount of the Senior Notes issued have converted their Senior Notes in accordance with the terms of such notes, (B) with respect to the October 2010 Notes, the date that holders of a majority of the aggregate principal amount of the October 2010 Notes issued have converted their October 2010 Notes in accordance with the terms of such notes and (C) with respect to the January 2011 Notes and the November 2011 Notes, the date that holders of a majority of the aggregate principal amount issued of January 2011 Notes and November 2011 Notes (on a combined basis) have converted such January 2011 Notes and November 2011 Notes, as the case may be, in accordance with the terms of such notes, at which time the Administrative Agent shall execute and deliver to the Company, at the Company's expense, all Uniform Commercial Code termination statements and similar documents which the Company shall reasonably request to evidence such termination. Any execution and delivery of termination statements or documents pursuant to this Section 7.13 shall be without recourse to or warranty by the Administrative Agent.
