**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On February 21, 2019, MYnd Analytics, Inc. (“MYnd” or the “Company”) received a notice of noncompliance (the “Notice”) from the Listing Qualifications Staff of The Nasdaq Stock Market (“Nasdaq”) indicating that the Company was not compliant with the minimum stockholders’ equity requirement under Nasdaq Listing Rule 5550(b) (1) (the “Minimum Stockholders’ Equity Requirement”) for continued listing on The Nasdaq Capital Market because the Company’s stockholders’ equity, as reported in the Company’s Quarterly Report on Form 10-Q for the period ended December 31, 2018, was below the required minimum of \$2.5 million. Further, as of February 21, 2019, the Company did not meet the alternative compliance standards relating to the market value of listed securities or net income from continuing operations. The Notice has had no immediate impact on the continued listing or trading of the Company’s common stock on The Nasdaq Capital Market.

The Company has until April 8, 2019 according to the Notice to submit a plan to regain compliance. If Nasdaq accepts the plan, Nasdaq may grant an extension of up to 180 calendar days from the date of the Notice, or August 20, 2019, for the Company to provide evidence of compliance. If Nasdaq does not accept the Company’s plan, Nasdaq will notify the Company that its common stock is subject to delisting. The Company will have the opportunity to appeal that decision to a Nasdaq hearings panel.

The Company intends to submit a compliance plan to Nasdaq on or before the April 8, 2019 deadline given in the Notice. The compliance plan will include closing the recently announced proposed business combination with Emmaus Life Sciences, Inc. There can be no assurance that Nasdaq will accept the compliance plan or, if accepted, that the Company will be able to regain compliance with the stockholders’ equity requirement or meet the alternatives of market value of listed securities or net income from continuing operations, or otherwise maintain compliance with the other listing requirements.

## **CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS**

This Current Report on Form 8-K contains “forward-looking” statements within the meaning of the Private Securities Litigation Reform Act of 1995, giving MYnd’s and Emmaus’ expectations or predictions of future financial or business performance or conditions, including, without limitation, statements related to (i) the Company’s intent to provide Nasdaq with a plan to regain compliance with the Minimum Stockholders’ Equity Requirement, (ii) the Company’s ability to regain or maintain compliance with the Minimum Stockholders’ Equity Requirement or any other Nasdaq requirement, (iii) the granting by Nasdaq to the Company of an additional 180 days to regain compliance with the Minimum Stockholders’ Equity Requirement, (iv) statements relating to the Agreement and Plan of Merger dated as of January 4, 2019, by and among the Company, the Company’s wholly owned subsidiary, Athena Merger Subsidiary, Inc., and Emmaus (the “Merger Agreement”), (v) the transactions contemplated by the Merger Agreement including but not limited to the Merger (as defined in the Merger Agreement) and (vi) the combined company’s future financial condition, performance and operating results, strategy and plans. These forward-looking statements are subject to numerous assumptions, risks and uncertainties which change over time. Forward-looking statements speak only as of the date they are made and MYnd and Emmaus assume no duty to update forward-looking statements.

In addition to factors previously disclosed in MYnd’s and Emmaus’ reports filed with the U.S. Securities and Exchange Commission (the “SEC”) and those identified elsewhere in this communication, the following factors, among others, could cause actual results to differ materially from forward-looking statements and historical performance: MYnd’s intent to provide Nasdaq with a plan to regain compliance with the Minimum Stockholders’ Equity Requirement; MYnd’s ability to regain or maintain compliance with the Minimum Stockholders’ Equity Requirement or any other Nasdaq requirement; the granting by Nasdaq to MYnd of an additional 180 days to regain compliance with the Minimum Stockholders’ Equity Requirement; the ability of MYnd to regain or maintain compliance with Nasdaq requirements; the ability of MYnd to obtain NasdaqCM listing approval and meet other closing conditions to the Merger, including requisite approval by MYnd’s and Emmaus’ stockholders on a timely basis or at all; delay in closing the Merger; the ability to effect the proposed spin-off; adverse tax consequences to shareholders of the proposed spin-off; disruption following the Merger; the availability and access, in general, of funds to fund operations and necessary capital expenditures.

Other risks and uncertainties are more fully described in MYnd’s Annual Report on Form 10-K for the fiscal year ended September 30, 2018, and Emmaus’ Annual Report on Form 10-K for the year ended December 31, 2017, each filed with the SEC, and in other filings that MYnd or Emmaus makes and will make with the SEC in connection with the proposed transactions, including the Joint Proxy Statement/Prospectus described herein under “Important Additional Information About the Transaction Will be Filed with the SEC.” Existing and prospective investors are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. While MYnd or Emmaus may elect to update these forward-looking statements publicly at some point in the future, each of MYnd and Emmaus specifically disclaims any obligation to do so, whether as a result of new information, future events or otherwise, except as required by law. These forward-looking statements should not be relied upon as representing MYnd’s or Emmaus’ views as of any date after the date stated herein.
